Scope of Position:

Under general direction of the Staff Services Manager I, Corrections Planning and Programs Division, this position serves as an administrative and program analyst for federal and state grant funded programs. This position is responsible to gather budget and program data and information, analyze it for accuracy, resolve any discrepancies, prepare, track and meet timelines, and develop reports and recommendations for management. This position works in conjunction with Field Representatives to conduct planning and administrative functions for federal and state programs to improve the effectiveness of state and local correctional systems, reduce program costs, maximize resources, and enhance public safety through cost-effective, promising, and evidence-based strategies.

Duties and Responsibilities:

(Candidates must perform the following functions with or without reasonable accommodations.)

- **Grant Program Planning and Management:** Participate in program planning and development activities, including assist with facilitation of Executive Steering Committee (ESC) membership, meetings, minutes, findings, and recommendations; develop and modify program guidelines. Conduct grant management activities, including prepare federal applications for funding and multi-year program plans; prepare Request for Proposals/Applications and annual reapplications to distribute local assistance dollars; coordinate the receipt, review, and approval of applications; assist with monitoring funded projects for program and fiscal compliance and provide technical assistance (TA) electronically or on site, as needed, to address and resolve any problems; prepare monitoring reports and monitor Corrective Action Plans to ensure deficiencies are corrected.
- **Fiscal and Program Analysis and Reporting:** Review and approve invoices and budget/program modifications; review and approve progress reports; contract requirements; identify any fiscal, programmatic, and administrative issues requiring appropriate action by project directors, agency staff or management, develop recommendations and work with all involved to resolve problems; provide status updated to Field Representatives.
- **Data Collection, Analysis and Reporting:** Prepare training materials and provide training and TA to grantees regarding data collection and reporting; collect and report program data to federal government; develop, receive and review all quarterly and annual reports for funded projects; prepare program annual reports for legislature/governor; assist with development and maintenance of database(s) to track all programs, projects, corresponding funds, program and project outcomes, etc.
