The Board of State and Community Corrections provides statewide leadership, coordination, and technical assistance to promote effective state and local efforts and partnerships in California's adult and juvenile criminal justice system, including providing technical assistance and coordination to local governments related to realignment.

Applications will be screened and only the most qualified will be interviewed.

The selected candidate considered for the advertised position will be required to undergo a fingerprint clearance and any offer of employment will be contingent upon live scan fingerprint results.

PLEASE NOTE: Possession of minimum qualifications will be verified. To be considered for this position, you must provide documentation that you meet the minimum qualifications. Please include a copy of your degree, transcripts, and/or detailed work experience on your application. If it is determined an applicant does not meet the minimum qualifications, you will not be considered for the position.

Applications received without prior employer contact information will not be considered for this position.

Scope of Position:

Under the direction of the Deputy Director, County Facilities Construction (CFC) Division, the Associate Governmental Program Analyst (AGPA) acts as a divisional resource for financial management of Lease Revenue Bond (LRB) funded projects that presently include, but are not limited to: the Adult Local Criminal Justice Programs under Senate Bill (SB) 1022 and SB 863. The incumbent will be accountable for providing accurate information, data, and reports in addition to prompt, professional customer service to management, staff and all other partners.

Duties and Responsibilities:

(Candidates must perform the following functions with or without reasonable accommodations.)

- Incumbent develops, in coordination with Project Directors, Capital Outlay and LRB financing documentation which may include expenditures, appropriations, cash flow requirements, bond fund status, projections, comparative analyses, State Public Works Board (SPWB) agenda items and requests, etc. Activities necessary to accomplish these tasks include, but are not limited to, initiation of Department of Finance (DOF) and SPWB action, implementing preliminary plan cost management proceedings, developing project descriptions and cash flows, participating in Proceed to Bid responsibilities, performing project invoice payments, final closeout processes including audits of completed expenditures, and attending DOF and SPWB meetings when necessary.
- Monitors and interprets, on a routine basis, a series of financial reports. Duties include: analyzing for/and preparing charts or graphs on trends, variances, and status to management as necessary. Incumbent will be called upon to provide such information for executive briefings, as well as in memo narrative report form for standard distribution. Incumbent will monitor and report on the fiscal status and expenditures of assigned projects, maintain expenditure control in coordination with PMIB loans and SPWB action items. Perform project invoice payment, final closeout processes, audit of completed expenditures, and invoices, and notifies Project Director and county if issues arise. Submission of PMIB loan request documents provides information for bond sales to DOF as requested and maintains cash flow
