Honorable John Chiang  
State Controller  
Cost Plans and Local Apportionments  
Attention: Mr. Kelly Martell  
300 Capitol Mall, Suite 1850  
Sacramento, CA 95814

Dear Controller Chiang:

Pursuant to subdivision (b) of Section 30029.11 of the Government Code (GC), the Department of Finance respectfully submits the attached (Attachment I) percentages for the allocation of 2013-14 funds deposited in the Juvenile Reentry Grant (JRG) Special Account within the Juvenile Justice Subaccount in the Law Enforcement Services Account within the Local Revenue Fund 2011.

The JRG provides funding to address local program needs for persons discharged from the custody of the California Department of Corrections and Rehabilitation's Division of Juvenile Justice.

Pursuant to Welfare and Institutions Code (WIC) Section 1983, the Director of the Department of Finance shall calculate the JRG and the allocation for each county probation department, as specified. In accordance with WIC 1984, allocations from the JRG are based on the number of wards discharged to the jurisdiction of the court and actually supervised by local county probation with monitoring and services during the previous fiscal year. For each county, this funding shall be provided for 24 months. Additionally, JRG allocations are provided on an average daily population basis per discharged ward transferred to a local juvenile facility for violating a condition of court-ordered supervision during the previous fiscal year. The Director of Finance is to report these findings to the State Controller, who then allocates funds from the JRG Special Account to each county in accordance with the report.

If you have any questions or need additional information regarding the JRG Special Account or this request, please contact Joshua Gauger, Finance Budget Analyst, at (916) 445-8913.

Sincerely,

AMY JARVIS  
Assistant Program Budget Manager
