

September 18, 2013

Honorable John Chiang  
State Controller  
Cost Plans and Local Apportionments  
Attention: Mr. Kelly Martell  
300 Capitol Mall, Suite 1850  
Sacramento, CA 95814

Dear Controller Chiang:

Pursuant to Government Code section 30029.11, subdivision (b), the Department of Finance (Finance) respectfully submits the attached (Attachment I) percentages for the allocation of fiscal year 2013-14 funds deposited in the Youthful Offender Block Grant (YOBG) Special Account within the Juvenile Justice Subaccount in the Law Enforcement Services Account within the Local Revenue Fund 2011.

The YOBG provides funding to counties for the care and custody of certain juvenile offenders who are no longer housed in state facilities, and instead are the responsibility of local jurisdictions.

Pursuant to Welfare and Institutions Code section 1955 and 1956, the Director of Finance shall determine the total amount and allocation of the YOBG, as specified. Half of the YOBG is distributed based on the number of each county's juvenile felony court dispositions according to the most recent data compiled by the Department of Justice (DOJ), calculated as a percentage of the state total. The other half is distributed based on each county's population of minors from 10 to 17 years of age, inclusive, according to the most recent data published by Finance, calculated as a percentage of the state total. For allocations in 2013-14, the most recent juvenile felony court disposition data provided by the DOJ is for calendar year 2012, and the most recent county population data was published by Finance on January 1, 2013. The Director of Finance is to report these findings to the State Controller, who then allocates funds from the YOBG Special Account to each county in accordance with the report.

If you have any questions or need additional information regarding the YOBG Special Account or this request, please contact Joshua Gauger, Finance Budget Analyst, at (916) 445-8913.

Sincerely,

AMY JARVIS  
Assistant Program Budget Manager
