Tulare County's Request for Scope Change: **Requesting Approval.**

---

## Summary

---

This agenda item requests that the Board of State and Community Corrections' (BSCC) approve the Tulare County's request for a scope change of the Sequoia Field Program Facility.

## Background

---

At the January 16, 2014 BSCC meeting Tulare County received a conditional full award of \$40,000,000 through the Senate Bill (SB) 1022 Financing for Adult Local Criminal Justice Facilities, for the construction of a new/replacement Type-II correctional program-centered facility and day reporting center, Sequoia Field Facility (Attachment D-1).

Humboldt, Stanislaus and Monterey counties appealed the SB 1022 conditional awards. A hearing was conducted on March 11, 2014. On March 13, 2014 (Attachment D-2), the BSCC approved the appeal. As a result, Stanislaus County's proposal was elevated to second position, and Tulare County's full conditional award of \$40,000,000 was reduced to a partial conditional award of \$33,352,000.

On February 4, 2016 Santa Barbara formally relinquished its SB 1022 conditional award. As a result of the Santa Barbara relinquishment, Tulare County received \$6,648,000 that augmented its partial conditional award to a full conditional award of \$40,000,000. (Attachment D-3).

In a Board of Supervisor's resolution dated July 26, 2016 Tulare County received approval for the scope change since the funding award has been increased to the original amount of \$40 million. A project description of the scope change is included in the board resolution (Attachment D-4).

Representatives from Tulare County will be present to provide any information necessary to the Board.
