**SUBJECT:** Senate Bill 81, Round I Local Youthful Offender Rehabilitative Facilities Construction Financing Program Yuba County match reduction:  
**Requesting Approval.**

---

### Summary

Yuba County has petitioned the Board of State and Community Corrections for a reduction in its Senate Bill (SB) 81 Local Youthful Offender Rehabilitative Facilities Construction Financing Program (LYORF) match (Attachment D-1). This match reduction is requested with no change to project scope or increase in state dollars.

### Background

The 2007 Budget Act included \$100,000,000 in funding to implement the Local Youthful Offender Rehabilitative Facility Construction Financing Program authorized by SB 81. The Board granted Yuba County a conditional award of \$5,655,740 as authorized by SB 81 lease revenue bonding authority (Attachment D-2).

A Request for Proposals (RFP) was released to the field July 15, 2008. Among other requirements the RFP (and subsequent Title 15 regulations) stipulated that large counties must provide a minimum of 10 percent cash match and small counties a 5 percent cash match. Also, large counties must have a minimum of 15 percent in-kind match and small counties a minimum of 20 percent in-kind match with an option for small counties to petition the Board for a reduction of the in-kind match category. Yuba County is requesting to reduce the in-kind match to 4 percent and the cash match to 7 percent. The request falls within the requirements of the SB 81 Round 1 RFP (Attachment D-3).

Yuba County requests approval of a match reduction which would **not** result in a project scope change, an increase in state dollar awards or changes to the allowable state dollar reimbursements, and would be based on the cash match minimums established in the SB 81 construction program processes. Yuba County has committed a project overall match of \$700,000, which is 11 percent of the project costs.

### Recommendation/Action Needed

Staff recommends that the Board approve a match reduction for Yuba County as allowed in the SB 81 Round 1 RFP.
