Re: Extension for Tehama County to accept the SB1022 award

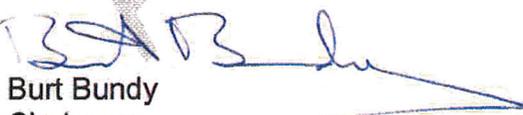

Dear Mr. Scott;

Tehama County sincerely thanks the SB1022 Executive Steering Committee and the Board of State and Community Corrections for the conditional award of \$6,526,000 for the Tehama County Community Corrections Re-entry and Day Reporting. On September 11, 2014, in order to explore options available for additional funding with the Amador County AB900 Phase I relinquishment, the BSCC granted Tehama County additional time to accept or reject the conditional award. The funding level has not yet been finalized; therefore, Tehama County asks that the extension previously granted be extended until the BSCC meeting scheduled for September 17, 2015.

Tehama County is confident that a reduced project scope could be developed to meet the essential goals of the originally proposed project if the funds available are increased significantly. In order to ensure project readiness, the County proceeded with the adoption of a Negative Declaration for the full project on December 9, 2014.

Thank you for your assistance in submitting this request at the upcoming Board meeting of the BSCC.

Sincerely,

Burt Bundy
Chairman
