

Relevant Research and Data Statutes for the BSCC	
Penal Code section 6024	This statute states that the BSCC shall provide statewide leadership, coordination, and technical assistance to promote effective state and local efforts and partnerships in California’s adult and juvenile criminal justice system, including addressing gang problems.
Penal Code section 6027	<p>This statute requires the BSCC to collect and maintain available information and data about state and community correctional policies, practices, capacities, and needs...and the board shall seek to collect and make publicly available up-to-date data and information reflecting the impact of state and community correctional, juvenile justice, and gang-related policies and practices enacted in the state, as well as information and data concerning promising and evidence-based practices from other jurisdictions.</p> <p>AB 1050 further amended this statute to require the Board to develop definitions of key terms, including but not limited to “recidivism,” “average daily population,” “treatment program completion rates,” and other terms deemed relevant in order to facilitate consistency in local data collection, evaluation, and implementation of evidence-based practices, promising evidence-based practices, and evidence-based programs. In developing these definitions, the Board shall consult with specified stakeholders and experts.</p>
Penal Code section 6031.2(d)(2)	This statute requires the BSCC to collect jail admissions of sentenced and unsentenced prisoners, booking charge, date and time of booking, date and time of release, and operating expenses. This data is collected via the Jail Profile Survey administered by the Facilities Standards and Operations Division.
Government Code section 30061(b)(4)	This statute requires the BSCC to collect data associated with the administration of the Juvenile Justice Crime Prevention Act (JJCPA). The Corrections Planning and Programs Division administer this program and they are responsible for collecting the data and preparing the Legislative report.
Welfare and Institutions Code section 1961	This statute requires the BSCC to collect data regarding juveniles realigned from the state to the counties as authorized by SB 81 (Youthful Offender Block Grant). The Corrections Planning and Programs Division administer this program and they develop the Legislative report.
