Senate Bill 843 – Chaptered June 27, 2016

SEC. 17. Chapter 2.92 (commencing with Section 1001.85) is added to Title 6 of Part 2 of the Penal Code, to read:

CHAPTER 2.92. Law Enforcement Assisted Diversion (LEAD) Pilot Program

1001.85. (a) The Law Enforcement Assisted Diversion (LEAD) pilot program is hereby established. The purpose of the LEAD program is to improve public safety and reduce recidivism by increasing the availability and use of social service resources while reducing costs to law enforcement agencies and courts stemming from repeated incarceration.

(b) LEAD pilot programs shall be consistent with the following principles, implemented to address and reflect the priorities of the community in which the program exists:

(1) Providing intensive case management services and an individually tailored intervention plan that acts as a blueprint for assisting LEAD participants.

(2) Prioritizing temporary and permanent housing that includes individualized supportive services, without preconditions of drug or alcohol treatment or abstinence from drugs or alcohol.

(3) Employing human and social service resources in coordination with law enforcement in a manner that improves individual outcomes and community safety, and promotes community wellness.

(4) Participation in LEAD services shall be voluntary throughout the duration of the program and shall not require abstinence from drug or alcohol use as a condition of continued participation.

1001.86. (a) The LEAD program shall be administered by the Board of State and Community Corrections.

(b) The board shall award grants, on a competitive basis, to up to three jurisdictions as authorized by this chapter. The board shall establish minimum standards, funding schedules, and procedures for awarding grants, which shall take into consideration, but not be limited to, all of the following:

(1) Information from the applicant demonstrating a clear understanding of the program’s purpose and the applicant’s willingness and ability to implement the LEAD program as described in this chapter.

(2) Key local partners who would be committed to, and involved in, the development and successful implementation of a LEAD program, including, but not limited to, balanced representation from law enforcement agencies, prosecutorial agencies, public defenders and defense counsel, public health and social services agencies, case
management service providers, and any other entities identified by the applicant as integral to the successful implementation of a LEAD program in the jurisdiction.

(3) The jurisdiction’s capacity and commitment to coordinate social services, law enforcement efforts, and justice system decisionmaking processes, and to work to ensure that the discretionary decisions made by each participant in the administration of the program operates in a manner consistent with the purposes of this chapter.

(c) Successful grant applicants shall collect and maintain data pertaining to the effectiveness of the program as indicated by the board in the request for proposals.

1001.87.
(a) LEAD programs funded pursuant to this chapter shall consist of a strategy of effective intervention for eligible participants consistent with the following gateways to services:

(1) Prebooking referral. As an alternative to arrest, a law enforcement officer may take or refer a person for whom the officer has probable cause for arrest for any of the offenses in subdivision (b) to a case manager to be screened for immediate crisis services and to schedule a complete assessment intake interview. Participation in LEAD diversion shall be voluntary, and the person may decline to participate in the program at any time. Criminal charges based on the conduct for which a person is diverted to LEAD shall not be filed, provided that the person finishes the complete assessment intake interview within a period set by the local jurisdictional partners, but not to exceed 30 days after the referral.

(2) Social contact referral. A law enforcement officer may refer an individual to LEAD whom he or she believes is at high risk of arrest in the future for any of the crimes specified in subdivision (b), provided that the individual meets the criteria specified in this paragraph and expresses interest in voluntarily participating in the program. LEAD may accept these referrals if the program has capacity after responding to prebooking diversion referrals described in paragraph (1). All social contact referrals to LEAD shall meet the following criteria:

(A) Verification by law enforcement that the individual has had prior involvement with low-level drug activity or prostitution. Verification shall consist of any of the following:

(i) Criminal history records, including, but not limited to, prior police reports, arrests, jail bookings, criminal charges, or convictions indicating that he or she was engaged in low-level drug or prostitution activity.

(ii) Law enforcement has directly observed the individual’s low-level drug or prostitution activity on prior occasions.

(iii) Law enforcement has a reliable basis of information to believe that the individual is engaged in low-level drug or prostitution activity, including, but not limited to, information provided by another first responder, a professional, or a credible community member.

(B) The individual’s prior involvement with low-level drug or prostitution activity occurred within the LEAD pilot program area.
(C) The individual’s prior involvement with low-level drug or prostitution activity occurred within 24 months of the date of referral.

(D) The individual does not have a pending case in drug court or mental health court.

(E) The individual is not prohibited, by means of an existing no-contact order, temporary restraining order, or antiharassment order, from making contact with a current LEAD participant.

(b) The following offenses are eligible for either prebooking diversion, social contact referral, or both:

(1) Possession for sale or transfer of a controlled substance or other prohibited substance where the circumstances indicate that the sale or transfer is intended to provide a subsistence living or to allow the person to obtain or afford drugs for his or her own consumption.

(2) Sale or transfer of a controlled substance or other prohibited substance where the circumstances indicate that the sale or transfer is intended to provide a subsistence living or to allow the person to obtain or afford drugs for his or her own consumption.

(3) Possession of a controlled substance or other prohibited substance.

(4) Being under the influence of a controlled substance or other prohibited substance.

(5) Being under the influence of alcohol and a controlled substance or other prohibited substance.

(6) Prostitution pursuant to subdivision (b) of Section 647.

1001.88.
(a) Services provided pursuant to this chapter may include, but are not limited to, case management, housing, medical care, mental health care, treatment for alcohol or substance use disorders, nutritional counseling and treatment, psychological counseling, employment, employment training and education, civil legal services, and system navigation. Grant funding may be used to support any of the following:

(1) Project management and community engagement.

(2) Temporary services and treatment necessary to stabilize a participant’s condition, including necessary housing.

(3) Outreach and direct service costs for services described in this section.

(4) Civil legal services for LEAD participants.

(5) Dedicated prosecutorial resources, including for coordinating any nondiverted criminal cases of LEAD participants.

(6) Dedicated law enforcement resources, including for overtime required for participation in operational meetings and training.
(7) Training and technical assistance from experts in the implementation of LEAD in other jurisdictions.

(8) Collecting and maintaining the data necessary for program evaluation.

(b) (1) The board shall contract with a nonprofit research entity, university, or college to evaluate the effectiveness of the LEAD program. The evaluation design shall include measures to assess the cost-benefit outcomes of LEAD programs compared to booking and prosecution, and may include evaluation elements such as comparing outcomes for LEAD participants to similarly situated offenders who are arrested and booked, the number of jail bookings, total number of jail days, the prison incarceration rate, subsequent felony and misdemeanor arrests or convictions, and costs to the criminal justice and court systems. Savings will be compared to costs of LEAD participation. By January 1, 2020, a report of the findings shall be submitted to the Governor and the Legislature pursuant to Section 9795 of the Government Code.

(2) The requirement for submitting a report pursuant to this subdivision is inoperative on January 1, 2024, pursuant to Section 10231.5 of the Government Code.

(c) The board may contract with experts in the implementation of LEAD in other jurisdictions for the purpose of providing technical assistance to participating jurisdictions.

(d) The sum of fifteen million dollars ($15,000,000) is hereby appropriated from the General Fund for the LEAD pilot program authorized in this chapter. The board may spend up to five hundred fifty thousand dollars ($550,000) of the amount appropriated in this subdivision for the contracts authorized in subdivisions (b) and (c).
