RE: Increase in AB900 award for Siskiyou County ID #A20-12

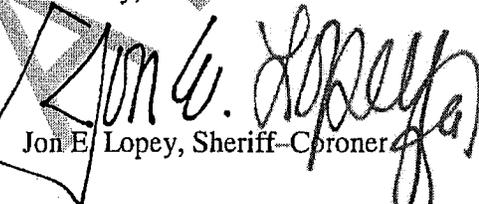

Dear Mr. Scott:

The purpose of this letter is to formally thank the Board of State and Community Corrections (BSCC) executive board and staff for supporting Siskiyou County in their bid to obtain AB900 Phase I funding in addition to our current AB900 Phase II award. We graciously accept the increased funds to make Siskiyou County's project fully-funded, which should significantly enhance the quality and prospects for our new jail project in a significant way.

We are currently working with our design team to complete the necessary revisions to our partially funded project to provide a complete and accurate proposal to the Siskiyou County Board of Supervisors and the State Public Works Board for consideration.

Again, the invaluable support from the BSCC and other state partners has been extraordinary and greatly appreciated by the Siskiyou County Sheriff's Office, county leaders, and the citizens we serve. Should you have any questions, please contact me at (530) 842-8300.

Sincerely,

Jon E. Lopey, Sheriff-Coroner
