**(Hancock D) Sentencing.**

Status: 9/30/2016-Chaptered by Secretary of State. Chapter 867, Statutes of 2016.

Location: 9/30/2016-S. CHAPTERED

Summary: Current law authorizes a prisoner who was under 18 years of age at the time of committing an offense for which the prisoner was sentenced to life without the possibility of parole to submit a petition for recall and resentencing after he or she has served at least 15 years of his or her sentence. Current law prohibits a prisoner who tortured his or her victim or whose victim was a public safety official, as defined, from filing a petition for recall and resentencing. Current law establishes certain criteria, at least one of which shall be asserted in the petition, to be considered when a court decides whether to conduct a hearing on the petition for recall and resentencing and additional criteria to be considered by the court when deciding whether to grant the petition. Current law requires the court to hold a hearing if the court finds that the statements in the defendant's petition are true, as specified, and grants the court discretion to recall and resentence the defendant in the same manner as if he or she had not previously been sentenced, provided that the new sentence, if any, is not greater than the initial sentence. This bill would authorize the prisoner to submit the petition for recall and resentencing after he or she has been incarcerated for 15 years. The bill would allow a defendant whose sentence was recalled, but who was resented to life without the possibility of parole, to make additional petitions as specified above.
