**Subject: JUVENILE ACCOUNTABILITY BLOCK GRANT (JABG)  
NOTICE OF FUNDING AVAILABILITY (NOFA) FOR  
FISCAL YEAR (FY) 2014/15**

The Board of State and Community Corrections (BSCC) is pleased to announce the federal JABG funding for FY 2014/15. It should be noted that although the JABG program was not funded at the federal level in FY 2014/15, the BSCC has a reserve of JABG funding from previous years' allocations that have not been dispersed. This will allow the 23 local jurisdictions that meet the FY 2013/14 threshold for receiving a direct allocation to be funded by the BSCC for the project period of July 1, 2014 to June 30, 2015. The local allocation amounts as determined by the Office of Juvenile Justice and Delinquency Prevention (OJJDP) for FY 2013/14 were significantly reduced from previous years; however, the BSCC will offset this reduction with the use of some one-time discretionary JABG funding. This discretionary funding if unused will revert back to the federal government rather than directly benefiting the California local programs that qualify for JABG funding. Continued funding for future year direct allocations will be dependent upon the outcome of federal appropriations for FY 2015/16.

On page 3 of this letter is the FY 2014/15 application packet for those jurisdictions that are eligible to apply for a direct allocation. The application packet can also be accessed from the BSCC website at <http://www.bscc.ca.gov/>.

The FY 2014/15 application will be similar in format to that of last year's application document. The funding cycle for this program is a 12-month period beginning July 1, 2014 and ending June 30, 2015.

As in previous years, a qualifying unit of local government may waive its right to a direct subgrant award and request that the funds be awarded to, and expended for its benefit by, a larger or contiguous unit of local government.

California's State Advisory Committee on Juvenile Justice and Delinquency Prevention (SACJJDP), which oversees the use of federal funds administered by BSCC, identified three priority areas in its new three-year Strategic Plan on which California is to focus its efforts. The three priority areas are: (1) Disproportionate Minority Contact (DMC), now referred to as Reducing Racial and Ethnic Disparities (R.E.D.); (2) Evidence-Based Practices; and, (3) a strategy to support efforts to develop and strengthen services, programs and policies that promote positive outcomes for youth, their families, and communities. The SACJJDP encourages JABG recipients to align the use of their direct allocation with the three priority areas that are identified in the SACJJDP's Strategic Plan.

As in the past, grantees will be asked to support California's efforts to expand the knowledge of DMC/R.E.D. by attending a one-day regional training. Grantees will be notified when registration information regarding the date, time and location of the regional training becomes available.

Should you have questions regarding this funding notice, please contact the JABG Coordinator, Colleen Stoner, at 916/324-9385; [colleen.stoner@bscc.ca.gov](mailto:colleen.stoner@bscc.ca.gov).
