JUVENILE PROBATION CAMP FUNDING – CAMP FUNDING PORTION

Beginning in fiscal year (FY) 2014-15, the State Controller's Office (SCO) began, on a monthly basis, allocating funds deposited in the Enhancing Law Enforcement Activities Subaccount (Welfare and Institutions Code §18220.1[c]) among counties that operate juvenile camps and ranches based on the average daily population (ADP) of occupied beds in each camp as reported to the Board of State and Community Corrections (BSCC) in the previous fiscal year. For FY2015-16, each county's allocation will be based on the ADP from FY2014-15. The SCO will continue monthly electronic funds disbursement to all participating counties based on the annual allocation percentage as determined by the Department of Finance (DOF) (see enclosed allocation letter, dated August 20, 2015). You can find allocation/remittance details for the Juvenile Probation Camp Funding (JPCF) Program on SCO's website at: http://www.sco.ca.gov/ard_payments_juvenileprobationcampfunding.html.

The BSCC will continue to administer the camp funding portion of the JPCF Program by collecting information associated with the number of occupied beds and rated capacity (RC) of local camps/ranches. The Monthly Camp Population Report is enclosed for your use and should be submitted to the BSCC by the 10th of the following month. Once the counts are received, the BSCC will calculate the county's ADP and forward the breakdown of ADP percentage to the DOF. The DOF will use this data in determining each county's percentage of allocation to be used for the following FY.

Additionally, due to the move from monthly to annual allocation percentages, we are requiring that participating counties once again submit an annual Camp Eligibility Form, which has been enclosed for your completion. The name(s) and RC of your county's eligible juvenile camp(s)/ranch(s) have already been filled in for your convenience. Before submitting your form, please be sure to verify both your county's participation and the listed facility(ies) information. As we require an original signature, your completed Camp Eligibility Form should be returned to us via mail to the address above (attention "FSO Report Analyst") **no later than January 29, 2016**.

We thank you for your assistance in the matter. Should you have any questions regarding the camp funding portion of the JPCF, please contact our division analyst at (916) 323-9704 or camp@bscc.ca.gov. For questions regarding county allocation percentages, please contact Elizabeth Perrin, Finance Budget Analyst, DOF, or Joshua Gauger, Principal Program Budget Analyst, DOF, at (916) 445-8913.

Sincerely,
