Title II Formula Grant Program
2014 Executive Steering Committee**

The Juvenile Justice and Delinquency Prevention (JJDP) Act of 2002 reauthorized the Office of Juvenile Justice and Delinquency Prevention (OJJDP) to administer the Title II Formula Grants program, which supports State and local delinquency prevention/intervention efforts and juvenile justice system improvements. Programs administered under this funding stream support State and local efforts in planning, operating, and evaluating projects that seek to prevent at-risk youth from entering the juvenile justice system or intervene with first-time and non-serious offenders and to provide direct services that maximize their chances of leading productive, successful lives.
