

Juvenile Justice Crime Prevention Act - Youthful Offender Block Grant
2018 Expenditure and Data Report
Due Date: October 1, 2018

On or before October 1, 2018, each county is required to submit to the Board of State & Community Corrections (BSCC) a report on its Juvenile Justice Crime Prevention Act (JJCPA) and Youthful Offender Block Grant (YOBG) programs during the preceding year. For JJCPA this requirement can be found at Government Code (GC) Section 30061(b)(4)(C) and for YOBG it can be found at Welfare & Institutions Code Section (WIC) 1961(c). These code sections both call for a consolidated report format that includes a description of the programs and other activities supported by JJCPA and/or YOBG funds, an accounting of all JJCPA and YOBG expenditures during the prior fiscal year, and countywide juvenile justice trend data.

Prior to submitting this report save the file using the following naming convention: "**(County Name) 2018 JJCPA-YOBG Report.**" For example, Yuba County would name its file "Yuba 2018 JJCPA-YOBG Report".

Once the report is complete, attach the file to an email and send it to: **JJCPA-YOBG@bscc.ca.gov**. All reports will be posted to the BSCC website following a brief technical review. We encourage you to review your report for accuracy before sending it to the BSCC. Please do **NOT** change the report form to a PDF document.

Government Code Section 30061(b)(4)(C)(iv) & WIC Section 1961(c)(3)

Provide a summary description or analysis, based on available information, of how the programs, placements, services, strategies or system enhancements funded by JJCPA-YOBS have, or may have, contributed to, or influenced, the juvenile justice data trends identified in this report.

Modoc County is a rural county, and therefore we rely heavily on the limited resources available within the County. There are limited alcohol and drug services for the youth in the County, aside from some curriculum that case managers and mental health counselors are including in their regular counseling sessions. Probation utilizes funds to support the youth in creative ways in order to bridge that gap where local services are not available or do not meet the need of the youth. Probation utilizes the funds to support families of high risk youth/wards/foster youth as part of placement prevention as well as reunification efforts to stabilize the family, home and child. The Juvenile Delinquency Prevention and Treatment Court Program is a team made up of several collaborative partners to include Probation, Courts, Law Enforcement, Schools, Behavioral Health, nonprofit organizations, Attorneys and the District Attorney's Office. The team meets bi-weekly to provide a wraparound like service and treatment court to high risk youth. The goal is to provide services, support and intervention to prevent the youth from removal from the home. The in-depth supervision provided by the juvenile officer to youth in the county, the support to families to aide in stabilization, and the Juvenile Delinquency Prevention and Treatment Court Program have influenced the juvenile justice data in a positive way, helping minimize the recurrence of youth in the justice system and lowering their likelihood to re-offend.

For each program, placement, service, strategy, or system enhancement, record actual expenditure details for the preceding fiscal year. Expenditures will be categorized as coming from one or more of three funding sources - JJCPA funds, YOBG funds, and other funding sources (local, federal, other state, private, etc.). Be sure to report all JJCPA and YOBG expenditures for the preceding fiscal year irrespective of the fiscal year during which the funds were allocated. Definitions of the budget line items are provided on the next page.

Salaries and Benefits includes all expenditures related to paying the salaries and benefits of county probation (or other county department) employees who were directly involved in grant-related activities.

Services and Supplies includes expenditures for services and supplies necessary for the operation of the project (e.g., lease payments for vehicles and/or office space, office supplies) and/or services provided to participants and/or family members as part of the project's design (e.g., basic necessities such as food, clothing, transportation, and shelter/housing: and related costs).

Professional Services includes all services provided by individuals and agencies with whom the County contracts. The county is responsible for reimbursing every contracted individual/agency.

Community-Based Organizations (CBO) includes all expenditures for services received from CBOs. **NOTE:** *If you use JJCPA and/or YOBG funds to contract with a CBO, report that expenditure on this line item rather than on the Professional Services line item.*

Fixed Assets/Equipment includes items such as vehicles and equipment needed to implement and/or operate the program, placement, service, etc. (e.g., computer and other office equipment including furniture).

Administrative Overhead includes all costs associated with administration of the program, placement, service, strategy, and/or system enhancement being supported by JJCPA and/or YOBG funds.

Use the space below the budget detail to provide a narrative description for each program, placement, service, strategy, and/or system enhancement that was funded last year. *To do so, double click on the response box provided for this purpose.*

Repeat this process as many times as needed to fully account for all programs, placements, services, strategies, and systems enhancements that were funded with JJCPA and/or YOBG during the last fiscal year. Keep in mind that this full report will be posted on the BSCC website in accordance with state law.

And, as previously stated, we **strongly suggest you use Spell Check** before returning to the BSCC.

Modoc County Probation serves youth in a rural, low income community. The JJCPA and YOYG funds were used to provide psychological evaluations, medical needs, mental health needs, alcohol and drug prevention/intervention, sex offender therapy, and educational needs. Many families lack the support and services for the youth such as food, clothing, shelter, and transportation. YOYG and JJCPA funds were used to help with groceries, gasoline, deposits, application fees, and incentives. This support helped keep youth in their homes with their families and maintain stability.
