

Juvenile Justice Crime Prevention Act - Youthful Offender Block Grant  
2018 Expenditure and Data Report  
Due Date: October 1, 2018

On or before October 1, 2018, each county is required to submit to the Board of State & Community Corrections (BSCC) a report on its Juvenile Justice Crime Prevention Act (JJCPA) and Youthful Offender Block Grant (YOBG) programs during the preceding year. For JJCPA this requirement can be found at Government Code (GC) Section 30061(b)(4)(C) and for YOBG it can be found at Welfare & Institutions Code Section (WIC) 1961(c). These code sections both call for a consolidated report format that includes a description of the programs and other activities supported by JJCPA and/or YOBG funds, an accounting of all JJCPA and YOBG expenditures during the prior fiscal year, and countywide juvenile justice trend data.

Prior to submitting this report save the file using the following naming convention: "**(County Name) 2018 JJCPA-YOBG Report.**" For example, Yuba County would name its file "Yuba 2018 JJCPA-YOBG Report".

Once the report is complete, attach the file to an email and send it to: [JJCPA-YOBG@bscc.ca.gov](mailto:JJCPA-YOBG@bscc.ca.gov). All reports will be posted to the BSCC website following a brief technical review. We encourage you to review your report for accuracy before sending it to the BSCC. Please do **NOT** change the report form to a PDF document.

#### COMPLETING THE REMAINDER OF THE REPORT:

The report consists of several worksheets. Each worksheet is accessed by clicking on the labeled tabs below. (You are currently in the worksheet titled "**CONTACT INFORMATION**".) Complete the report by providing the information requested in each worksheet.

On the worksheet "**REPORT 1**," you will pull data directly from your Juvenile Court & Probation Statistical System (JCPSS) Report 1 that you received from the California Department of Justice (DOJ) for 2017. Similarly, for the worksheet labeled "**REPORT 3**," you will pull information directly from your 2017 JCPSS Report 3. On the worksheet "**ARREST DATA**," you will obtain data from the DOJ's Open Justice public website.

On the worksheet "**TREND ANALYSIS**," you will describe how the programs and activities funded by JJCPA-YOBG have, or may have, contributed to the trends seen in the data included in REPORT 1, REPORT 3, and ARREST DATA.

On the "**EXPENTITURE DETAILS**" worksheet, you are required to provide a detailed accounting of actual expenditures for each program, placement, service, strategy, or system enhancement that was funded by JJCPA and/or YOBG during the preceding fiscal year. This worksheet is also where you are asked to provide a description of each item funded.

**Government Code Section 30061(b)(4)(C)(iv) & WIC Section 1961(c)(3)**

Provide a summary description or analysis, based on available information, of how the programs, placements, services, strategies or system enhancements funded by JJCPA-YOBG have, or may have, contributed to, or influenced, the juvenile justice data trends identified in this report.

This is another instance where Sierra County's extremely small size makes any type of assessment of annual trends completely meaningless. One cannot draw any conclusions from only having one or two wards a year.

Use the template(s) below to report the programs, placements, services, strategies, and/or system enhancements you funded in the preceding fiscal year. Use a separate template for each program, placement, service, strategy, or system enhancement that was supported with JJCPA and/or YOYG funds. If you need more templates than provided, click on the "Add'l EXPENDITURE DETAIL Forms" tab.

Start by indicating the name of the first program, placement, service, strategy, or system enhancement that was funded with JJCPA and/or YOYG funds last year. Next indicate the expenditure category using the drop down list provided in the Expenditure Category portion on each of the templates.

For each program, placement, service, strategy, or system enhancement, record actual expenditure details for the preceding fiscal year. Expenditures will be categorized as coming from one or more of three funding sources - JJCPA funds, YOYG funds, and other funding sources (local, federal, other state, private, etc.). Be sure to report all JJCPA and YOYG expenditures for the preceding fiscal year irrespective of the fiscal year during which the funds were allocated. Definitions of the budget line items are provided on the next page.

**Salaries and Benefits** includes all expenditures related to paying the salaries and benefits of county probation (or other county department) employees who were directly involved in grant-related activities.

**Services and Supplies** includes expenditures for services and supplies necessary for the operation of the project (e.g., lease payments for vehicles and/or office space, office supplies) and/or services provided to participants and/or family members as part of the project's design (e.g., basic necessities such as food, clothing, transportation, and shelter/housing: and related costs).

**Professional Services** includes all services provided by individuals and agencies with whom the County contracts. The county is responsible for reimbursing every contracted individual/agency.

**Community-Based Organizations (CBO)** includes all expenditures for services received from CBOs. **NOTE:** *If you use JJCPA and/or YOBG funds to contract with a CBO, report that expenditure on this line item rather than on the Professional Services line item.*

**Fixed Assets/Equipment** includes items such as vehicles and equipment needed to implement and/or operate the program, placement, service, etc. (e.g., computer and other office equipment including furniture).

**Administrative Overhead** includes all costs associated with administration of the program, placement, service, strategy, and/or system enhancement being supported by JJCPA and/or YOBG funds.

Use the space below the budget detail to provide a narrative description for each program, placement, service, strategy, and/or system enhancement that was funded last year. *To do so, double click on the response box provided for this purpose.*

Repeat this process as many times as needed to fully account for all programs, placements, services, strategies, and systems enhancements that were funded with JJCPA and/or YOBG during the last fiscal year. Keep in mind that this full report will be posted on the BSCC website in accordance with state law.

And, as previously stated, we **strongly suggest you use Spell Check** before returning to the BSCC.

**Sierra**

**1. Program, Placement, Service, Strategy, or System Enhancement**

Name of program, placement, service, strategy or system enhancement:			
Expenditure Category:			
	JJCPA Funds	YOBG Funds	All Other Funds
Salaries & Benefits:		\$ 117,000	
Services & Supplies:

<b>TOTAL:</b>	<b>\$ 3,510</b>	<b>\$ 117,000</b>	<b>\$ -</b>

Provide a description of the program, placement, service, strategy or system enhancement that was funded with JJCPA and/or YOBG funds in the preceding fiscal year. For example, you might want to include information on the types of youth served, prevention services you provided, your accomplishments, any barriers encountered, and what specifically JJCPA and/or YOBG funds paid for.

At just under 3000 population, few people throughout the state fully appreciate just how small Sierra County is. Further the population has been dropping every year since I became chief in 2009. During those nine years, we have not had a conviction for an offense listed in 707(b) W&I. We have not had to place a juvenile in a group home in something like eight years. We haven't placed a juvenile in a foster home in something like six years. Although wardships are few, over the last several years we have been able to deal with each situation on a local level.

On the other hand, we do have one of the worst truancy rates in the state. Consequently, our one juvenile officer is involved in truancy issues on a regular basis.

Because of our small size, Sierra County does not have the resources to fund any additional positions beyond CPO. If it weren't for state grants, I wouldn't have any deputies. Consequently, I have one deputy funded by SB678 and one funded entirely by YOBG. We have been doing this for several years now. If it weren't for YOBG, the youth of Sierra County would be getting almost zero services from probation.

There is one benefit of being so small: we have plenty of time to handle each case on its individual merits.

Re JJCPA

Sierra County does not have a juvenile hall and must contract with Nevada County. Consequently, we use some JJCPA funds to pay for housing costs under "incapacitation". Last summer we started conversations with various stake holders about developing plans for juveniles using JJCPA, but nothing has been finalized yet.
