Staff are contacting each parent telephonically and offering to them one 2-hour video visitation each week. School staff are making youth an educational plan of packet work and work on their computers in their Edenuity program that all the youth are already working on. Our staff will supervise the youth in the classroom and/or day room while the youth work on their education each day for four hours. It is our plan to utilize our staff to provide meaningful and effective programming for our youth at least one hour a day. Many of our staff are trained in Aggression Replacement Therapy and will utilize that. We will use our MFT to help provide some of this programming as well if needed. We will be using our Minimum School Day schedule which has both four hours of education and five hours of time out of rooms for Social Programming, Large Muscle and Free Recreation each day.	3/17/2020 3/20/2020
