<p>20. The BSCC would like to better understand the county's capacity to offer mental health, substance use disorder, behavioral health treatment programs, and/or other services. What type and level of services are now available?</p>	<p>San Joaquin County BHS provides integrated Behavioral Health Services (mental health and substance abuse services) to adults and older adults with a serious mental illness and to children and youth with serious emotional disturbances.</p> <p>Services are provided in community-based locations throughout the County by both the County operated and County-administered program as well as community partnerships. BHS has a strong emphasis on partnering with clients and families and providing culturally competent services.</p> <p>We can access many different types of substance abuse services in our county ranging from private providers to county-operated programs. Currently we utilize seven sober living and residential treatment programs for those suffering from Substance Use Disorders as follows: Valley Sober living, His Way, Lily Pad Living, Circle of Friends, Change Point, Active Change, and New Directions, which are all private providers.</p> <p>We utilize the following outpatient treatment providers for Substance Use Disorders: Service First, and Valley Community Counseling are two private providers we access.</p> <p>For mental health services in our county, we have been able to team up with San Joaquin County Behavioral Health Services for the placement of a Mental Health Clinician in each of our Court programs. The clinician is able to place an individual needing assistance on a fast track to much needed mental health services. The clinician is also able to notify the court of missed appointments or any issues with medication compliance.</p> <p>We are also able to contract with Holt Counseling, who provides various counseling services such as domestic violence, family issues, victims of sexual assaults, and post-traumatic stress. We have a number of ancillary services used as well. St. Mary's Dining Room for assistance with meals, dental needs and identification vouchers; the Gospel Center Rescue Mission and the Stockton Shelter for the Homeless as emergency shelters; the Women's Center for no cost counseling for victims of domestic violence and sexual assault; the Community Center for the Blind and Visually Impaired for assistance with glasses; and, Friends Outside, El Concilio, and Mary Magdalene Community Services to assist clients with supportive and transitional services. Behavioral Health Services staff are also co-located in the Probation Department's Assessment Center and one Mobile Crisis Team is located in the Probation Department's facility.</p>
<p>21. What challenges does the county face in meeting the above program and service needs?</p>	<p>We are still facing challenges in the area of affordable long-term housing. Homelessness remains a priority for the Board of Supervisors, and the County has developed strategies to address this issue.</p>
