SECTION 5:  
OPTIONAL  
QUESTIONS

Section 5 asks optional questions about evaluation, data collection, programs and services, and local best practices. There are 9 questions in this section. Responses will be used by the BSCC and its justice-system partners to better understand the needs of counties. If the CCP chooses not to answer an optional question, please respond “Decline to Respond.”

15. Describe the process the CCP uses to determine potential programs and/or services for local implementation using Realignment funds.

16. Does the county evaluate the effectiveness (as defined locally) of programs and/or services funded with its Public Safety Realignment allocation? Check the appropriate answer to the left of the list.

---

If "Yes," explain how.

---

17. Does the county consider evaluation results when funding programs and/or services? Check the appropriate answer to the left of the list.

---

If "Yes," explain how.

---

18. Does the county use BSCC definitions (average daily population, conviction, length of stay, recidivism, and/or treatment program completion rates) when collecting data? Check yes or no to the left of each BSCC Definition listed, as applicable.

**FY 2023-24 Community Corrections Partnership Survey  
PART B**

Part B of the CCP Survey collects information about the allocation of Public Safety Realignment dollars.

For detailed guidance on how to complete Part B of the CCP Survey package, please refer to the FY 2023-24 CCP Survey Data Reporting Guide at:  
[https://www.bscc.ca.gov/m\\_realignment/](https://www.bscc.ca.gov/m_realignment/)

The first question in this file, question 24, requests the name of the county for which the survey is being submitted.

Following the identification of the county, Part B is divided into two sections:

Section 6: FY 2022-23 Public Safety Realignment Funding Allocation

Section 7: FY 2023-24 Public Safety Realignment Funding Allocation

24. Please identify the county for which this portion of the survey is being submitted:

County Name: **Siskiyou**

**SECTION 6: FY 2022-23 Public Safety Realignment Funding Allocation**

Section 6 contains questions related to the allocation of FY 2022-23 Public Safety Realignment dollars. There are three (3) questions in this section.

When answering these questions, consider the funds allocated in FY 2022-23 and include any monies from 2021-22 growth funds and 2022-23 programmatic funding.

25. Of the total funds received in FY 2022-23, how did the CCP budget the allocation? Input the total allocation in the cell above the table. Within the table, identify where funds were allocated to, and include if the county used any carry-over funds (monies from previous annual CCP allocations) and/or if the county put any funds into a reserve fund (i.e., funds specifically set aside to be used when budget is disrupted or decreased so operations can continue). Please correct the information provided if there is a difference showing between the stated total allocation and the calculated amount (directly below the table). Differences will automatically display in **red**. Please correct any cells displaying **red** prior to submitting.

## SECTION 7: FY 2023-24 Public Safety Realignment Funding Allocation

Section 7 asks three (3) questions related to the allocation of FY 2023-24 Public Safety Realignment funding.

When answering these questions, consider the total funds allocated in FY 2023-24 and include any monies from 2022-23 growth funds and 2023-24 programmatic funding.

28. Of the total funds received in FY 2023-24, how did the CCP budget the allocation? Input the total allocation in the cell above the table. Within the table, identify where funds were allocated to, and include if the county is using any carry-over funds (monies from previous annual CCP allocations) and/or if the county is putting any funds into a reserve fund (i.e., funds specifically set aside to be used when budget is disrupted or decreased so operations can continue). Please correct the information provided if there is a difference showing between the stated total allocation and the calculated amount (directly below the table). Differences will automatically display in **red**. **Please correct any cells displaying red prior to submitting.**
