Goals, Objectives, and Outcome Measures

FY 2021-22

Goal	Improve success rates of individual supervised pursuant to AB 109
Objective	Provide comprehensive assessments and case planning to clients to ensure best practice supervision standards and services that correlate with identified risk, needs, and responsivity.
Objective	Provide Moral Reconation Therapy (MRT) to the individuals supervised pursuant to AB 109 in the DRC upon release from custody.
Objective	Maintain caseload sizes that support individualized attention and services for the individuals supervised pursuant to AB 109.
Outcome Measure	Number of participants who receive comprehensive assessments and case planning.
Outcome Measure	Number of participants enrolled in MRT classes.
Outcome Measure	Caseload size for officers supervising this population
Progress toward stated goal	Recidivism rates remain low with this population mainly due to the collaborative agency efforts as well as the increased use of evidence-based case management efforts between all stakeholder agencies. Probation has provided assessments and case planning to 100% of the population. There were 10 individuals provided services in MRT classes. The average caseload size of 1:39 has allowed probation to provide highly responsive supervision, referrals to services and individualized attention and services that best fit our population in our rural community.

Goal	Increase efficiency and effectiveness in programming and services by utilizing a collaborative multi-disciplinary reentry program with services that are evidence-based.
Objective	Prioritize early engagement with the individualize supervised pursuant to AB 109 when possible.
Objective	Provide comprehensive case planning (shared goals and objectives) between the reentry team partnering agencies.
Objective	Provide opportunities for employment training, placement, and related services to individuals supervised pursuant to AB 109.
Outcome Measure	Number of coordinated pre-release team meetings and individuals transported from correctional facilities
Outcome Measure	Team monthly Case Presentation Form that identifies commonly shared participant goals and objectives.
Outcome Measure	Number of individuals that receive services related to employment training and placement.
Progress Toward Stated Goal	Probation has been able to sustain the re-entry practices. There were five (5) pre-release team meetings. The number of individuals benefitting from employment training and placements has remained relatively stable to the population. There were four (4) participants who received services related to employment training and placement.

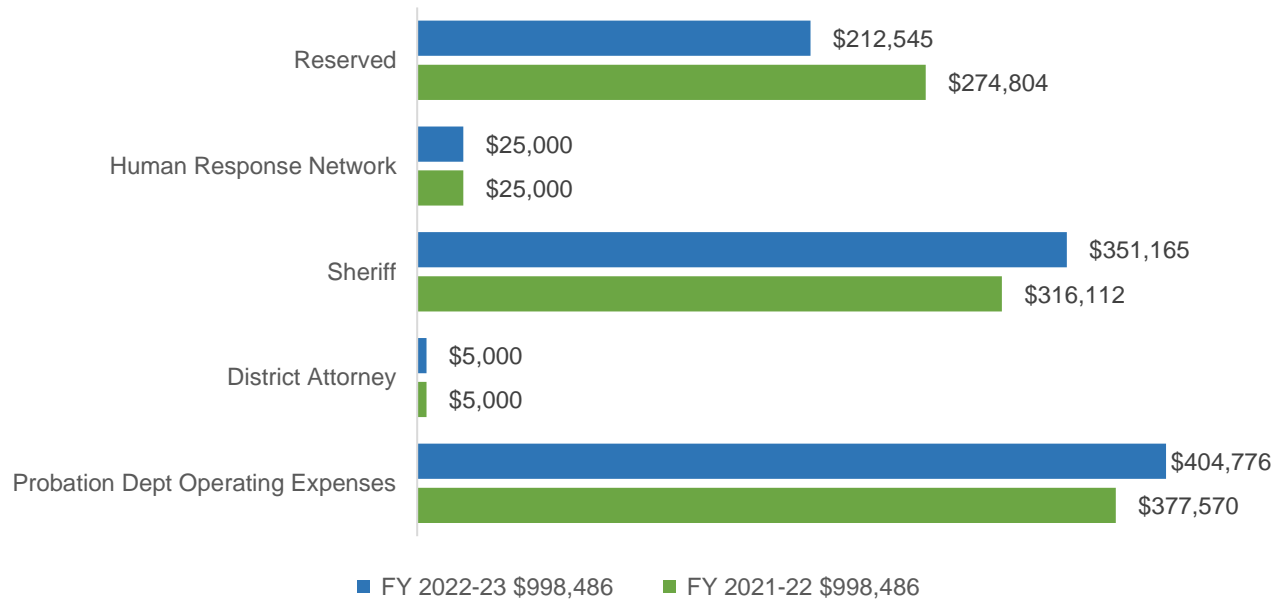

Goal	Improve Transitional Housing and Related Services
Objective	Ensure an adequate stock of available transitional housing options in Trinity County for persons transitioning back to the community that lack housing.

Objective	Provide housing-related case management services to post-incarcerated individuals supervised pursuant to AB 109 who lack stable housing.
Objective	Not applicable
Outcome Measure	Number of physical structures and beds available for individuals supervised pursuant to AB 109.
Outcome Measure	Number of motel vouchers provided to individuals supervised pursuant to AB 109.
Outcome Measure	Number of referred individuals denied transitional housing due to inadequate supply.
Progress Toward Stated Goal	There are four (4) units available for transitional housing and hotel vouchers are available at a thirty two (32) room motel for individuals supervised pursuant to AB 109. There were six (6) hotel vouchers provided for up to one hundred twenty (120) days each. There were no instances of housing services denied to this population. The County has also created a Housing Department that can be accessed as a temporary housing resource.

The Trinity County CCP reports it will use the same goals, objectives, and outcome measures identified above in FY 2021-22.
