About the Proposition 64 Grant Program

In November of 2016, voters approved Proposition 64, the Control, Regulate and Tax Adult Use of Marijuana Act. The Act provided for the taxation of the cultivation of legal cannabis and a method to distribute collected revenues for licensing and enforcement of the Act. In addition, Proposition 64 set aside funds for several different grant programs administered by different agencies, including the BSCC. As part of the Budget Act of 2025, Senate Bill 141 (Chapter 18, Statutes of 2025) amended the Revenue and Taxation Code (RTC) (Section 34019 [subd. (f)(3)(C)]) that sets forth the parameters of the BSCC Proposition 64 Cohort 4 Grant Program.

This grant program provides funding to eligible cities and counties that assist with law enforcement, fire protection, or other local programming to address public health and safety associated with the implementation of the Act and the adult recreational use of cannabis in California.
