Dear [Field Representative],

Enclosed is the STC Compliance Workbook, containing all the required information related to eligible personnel as of June 30, 2026. I have reviewed the STC program regulations and department records and to the best of my knowledge, the majority of STC program eligible staff are in compliance with training standards for Fiscal Year 2025-26.

All information pertaining to specific staff that have not completed their required training hours is contained in the workbook in the "Agency Comments" column.

As of June 30, 2026, we have the following vacancies:

- # Supervisors
- # Probation Officers and
- # Juvenile Corrections Officers

Our department sent # staff to Core training during FY 24-25. (This number includes those that did not complete or are no longer with the department).

Should you have any questions regarding this information, please feel free to contact the training manager.

Sincerely,

Chief or Sheriff
