The Board of State and Community Corrections provides services to the county adult and juvenile systems through inspections of county jails and juvenile detention facilities, technical assistance on local issues, promulgation of regulations, training standards for local correctional staff, and the administration of a wide range of public safety, re-entry, violence reduction, and rehabilitative grants to state and local governments and community-based organizations..

The following link outlines a summary of benefits available to state employees:
<https://www.calhr.ca.gov/Pages/California-State-Civil-Service-Employee-Benefits-Summary.aspx>

Applications will be screened and only the most qualified will be interviewed. Application must include "to" and "from" employment dates (m/d/y), hours per week, and prior employer contact information including contact number. Applications received without this information may not be considered for this position.

All types of appointments will be considered, including but not limited to, T&D Appointments.

The selected candidate considered for the advertised position will be required to undergo a fingerprint clearance and any offer of employment will be contingent upon live scan fingerprint results.

In accordance with the BSCC's Nepotism Policy, any personal relationships will be confirmed before a job offer is made.

A Statement of Qualifications (SOQ) is required and must be submitted along with your state application. The SOQ is a discussion of how your education and experience qualifies you for the position. The SOQ serves as documentation of each candidate's ability to present information clearly and concisely in writing. The SOQ must not exceed two (2) pages in length, in 12-point Arial font, with 1-inch margins, your last name and the position number must be in the upper right of each page. Your application may be disqualified from consideration if your SOQ does not adhere to the requests outlined in the SOQ criteria below. Resumes, letters, and other materials will not be considered as your response to the SOQ. Your SOQ must specifically address the following question to be considered for this position:

1. Based on the Duty Statement/Job Description for this position, please describe how your relevant work experience and/or education qualify you for this position.

This Job Control is a re-advertisement of JC - 522203. If you have previously applied for this position and are still interested you must re-apply to be considered.

Scope of Position:

Under the supervision of the Supervisor I of the Policy and Administration Unit within the Corrections Planning and Grant Programs (CPGP) Division, the Policy Analyst is responsible for developing, evaluating, and maintaining policies and procedures that support statewide criminal justice grant programs. The incumbent leads policy development and legislative analysis, evaluates the effectiveness of existing policies through data collection and analysis, and supports the development and delivery of training and technical assistance related to policy implementation. The grant programs administered by CPGP include numerous local and statewide initiatives focused on

The State of California is an equal opportunity employer to all, regardless of age, ancestry, color, disability (mental and physical), exercising the right to family care and medical leave, gender, gender expression, gender identity, genetic information, marital status, medical condition, military or veteran status, national origin, political affiliation, hair style and texture, race, religious creed, sex (includes pregnancy, childbirth, breastfeeding and related medical conditions), and sexual orientation. criminal justice, reducing recidivism, diversion, and other efforts to reduce crime and violence across California.

Duties and Responsibilities:

(Candidates must perform the following functions with or without reasonable accommodations.)

Policy Development, Legislative Analysis & Policy Guidance Management - Serve as the technical expert responsible for analyzing, developing, and maintaining grant program policies and procedures that guide statewide criminal justice grant administration. Research, develop, write, and revise grant program policies, procedures, forms, and tools. Serve as the technical expert in interpreting and applying program policies and policy changes. Review and evaluate proposed federal and state legislation to determine potential impact on grant programs. Track and monitor the development, review, approval, and distribution of all policy guidance to ensure accuracy, consistency, and version control. Review and respond to policy-related inquiries from internal divisions, units, and external stakeholders.

Policy Evaluation, Data Analysis & Continuous Improvement - Conduct analytical work to evaluate the effectiveness of policies and procedures and support continuous improvement through data-driven recommendations. Develop tools, surveys, and feedback mechanisms to assess policy implementation and effectiveness. Collect, analyze, and interpret data to identify trends, gaps, and areas for improvement. Develop recommendations for policy revisions or training needs based on evaluation results. Maintain a structured schedule and process for the regular review and updating of all policies and procedures. Prepare analytical reports summarizing program activities, outcomes, and policy impacts.

Training Development, Technical Assistance & Implementation Support - Provide technical expertise to support the development and delivery of training and technical assistance related to new or revised policies. Collaborate with training staff to develop training materials, presentations, job aids, and technical assistance resources. Provide subject-matter input to ensure training content accurately reflects policy intent and program requirements. Assist in planning and coordinating training sessions for internal staff and external stakeholders. Respond to training related questions and provide clarification on policy application.

Project Coordination & Other Related Duties - Independently coordinate work products and support cross-division initiatives to ensure timely and accurate completion of assignments. Coordinate timelines, deliverables, and communication across units involved in policy or training initiatives. Perform other duties related to policy development, evaluation, training, or administrative support as assigned.

Desirable Qualifications:

- High level of expertise in Excel, Word and Outlook.
- Ability to observe, research, analyze and recommend efficiency improvements.
- Ability to clearly document and summarize complex information.
- Ability to listen and communicate in an effective manner.
- Prior experience developing and writing Policy.
