

The Juvenile Justice and Delinquency Prevention Act of 2002 (JJDP A)¹ requires the Board of State and Community Corrections (BSCC) to monitor juvenile detention facilities for compliance with the following core requirement:

Deinstitutionalization of Status Offenders (JJDP A Section 223 (a) [11]):

- (A) Juveniles who are charged with or who have committed an offense that would not be criminal if committed by an adult (status offenders) excluding –
- (i) juveniles who are charged with or who have committed a violation of section 922(x)(2) of title 18, United States Code, or of a similar State law;
 - (ii) juveniles who are charged with or who have committed a violation of a valid court order; and
 - (iii) juveniles who are held in accordance with the Interstate Compact on Juveniles as enacted by the State;
- shall not be placed in secure detention facilities or secure correctional facilities; and
- (B) juveniles –
- (i) who are not charged with any offense; and
 - (ii) who are –
 - (I) aliens; or
 - (II) alleged to be dependent, neglected, or abused;
- shall not be placed in secure detention facilities or secure correctional facilities.

Compliance with JJDP A core requirements is required for California to receive its portion of Title II Formula Grant Funds for juvenile justice and delinquency prevention and intervention and Title V Community Prevention Grant Funds.

In accordance with the JJDP A, the BSCC is required to submit the number of status offenders and non offenders held in secure detention annually to the Office of Juvenile Justice and Delinquency Prevention (OJJDP), in addition to reporting any violations of the JJDP A. This survey is designed to assist the BSCC with data collection and reporting requirements.

Agencies that operate secure juvenile detention facilities are required to complete the 2019 Status Offender and Non Offender Detention Report each time a status offender (as defined in Section 601 WIC) or non offender is released from the facility.

- A separate Status Offender and Non Offender Detention Report form is to be completed each time a status offender is detained and submitted after the individual has been released.
- If a status offender is committed for consecutive weekends, complete a separate report for each individual detention period. Submit the report each time after the individual has been released.
- This form is to be submitted to the BSCC by the 10th of the month when status offenders or non offenders were held and released during the preceding month.
- All sections are to be completed before submission.

*****Please be aware that in addition to the JJDP A core requirements, WIC §601 and §207 also apply to the detention of status offenders and non offenders.*****
