### Summary

This report is a regular update on the local detention facility inspections completed in the 2020/2022 Biennial Inspection Cycle, a summary of current outstanding items of noncompliance for biennial inspections, and a summary of current outstanding items of noncompliance for targeted inspections.

Staff is requesting that the BSCC Board approve the recommendations included in the status report under the column headed “Staff Recommendation.”

### Background

The 2020/2022 Biennial Inspection Cycle began on July 1, 2020. This inspection cycle includes the implementation of the Enhanced Inspection Process (EIP), as approved by the Board at its February 2020 meeting.

As inspections are completed for the 2020/2022 Biennial Inspection Cycle, BSCC staff continue to track the corrective action plan status of items of noncompliance identified during inspections. The list of outstanding items of noncompliance, and their statuses is here: <https://app.smartsheet.com/b/publish?EQBCT=721da257110c4f80bd92d8215c165fe1> Items of noncompliance that have been resolved are located at the bottom of the dashboard.

During their most recent inspections, Merced County’s local detention facilities were found out of compliance with section 1027 of Title 15 of the California Code of Regulations, Staffing and administrators were unable to correct this issue within 60 days of CAP submission. Merced County Sheriff Vern Warnke will be participating in the meeting to provide an update on his agency’s corrective action efforts to date.

Information related to other outstanding items of noncompliance has been updated as appropriate. Current items of noncompliance are in yellow and gray codes, and staff is not recommending any other formal action be taken at this time. In the case of yellow- and grey-coded items, staff remains in continuous contact with agency administrators to provide technical assistance.

It is important to note that Humboldt County has corrected all outstanding items of noncompliance. Del Norte has corrected all but one remaining item relating to safety checks;

the agency is in the process of reviewing options for electronic safety checks; BSCC staff are scheduled to follow up shortly.

A list of items of noncompliance for juvenile facilities (as well as items that have been corrected) can be found here:
