Summary: On behalf of the State Advisory Committee on Juvenile Justice and Delinquency Prevention (SACJJDP), this agenda item recommends the establishment of an Executive Steering Committee (ESC) that will oversee the development of a Request for Proposal (RFP) of Title II Formula Block Grant Funds.

Background: The Office of Juvenile Justice and Delinquency Prevention's (OJJDP's) Formula Block Grant program supports State and local efforts in planning, operating, and evaluating projects that seek to prevent at-risk youth from entering the juvenile justice system or intervene with first-time and nonserious offenders to provide services that maximize their chances of leading productive, successful lives. Through an application and planning process, California receives between \$2 to \$4 million annually in Title II Formula Grant funds. The BSCC must award these funds on a competitive basis, using criteria developed by the SACJJDP. Resultant subgrants must be consistent with the purpose and intent of the Juvenile Justice and Delinquency Prevention Act (JJDP), the federal statute that supports states in delinquency prevention and intervention and the enhancement of the effectiveness and efficiency of the juvenile justice system.

The SACJJDP determined through the development of its Comprehensive Three-Year State Plan for 2012-2014 that approximately \$3 million in Title II Formula Grant funds be allocated to activities supporting systems improvement.

ESC Appointments and Composition

At the October 15, 2014 SACJJDP meeting, SACJJDP members recommended the ESC for this program include a minimum of 12 subject matter experts all with general juvenile justice expertise. The composition will be determined by the Chair in conjunction with BSCC staff and upon Board approval. Additionally, the SACJJDP has recommended Judge Brian Back, Ventura County Presiding Judge, chair the ESC and he has agreed.
