

DATE: September 14, 2017

AGENDA ITEM: I

TO: BSCC Chair and Members

FROM: Kathleen Howard, Executive Director, kathleen.howard@bscc.ca.gov
Evonne Garner, Deputy Director, evonne.garner@bscc.ca.gov

SUBJECT: Board of State and Community Corrections' 2017-2020 Strategic Plan:
Requesting Approval

Summary

This agenda item requests approval of BSCC's 2017-2020 strategic plan.

Background

BSCC has been undergoing a strategic planning effort that will guide agency operations for the three-year period that begins at the time of approval of the new plan through December 30, 2020. The planning effort began in February 2017 with a Board workshop, at which members developed BSCC goals for the strategic plan. Those goals were then analyzed by BSCC staff, who developed objectives and strategies to implement those goals within the parameters of BSCC's authority and available resources. The objectives and strategies were developed in a series of internal all-staff workshops at which those closest to the work provided subject-matter expertise. The resulting document was posted on the BSCC's website and sent to members of the public and to stakeholders through the BSCC's listserv for a three-week public comment period that concluded on September 7, 2017.

The document that was published for public comment is attached to this agenda item. A revised strategic plan will be presented at the Board meeting that incorporates, as appropriate, public comments received during the public comment period. Public comments that are not incorporated into the revised draft also will be presented at the Board meeting for further Board review and consideration.

Recommendation/Action Needed

Approve the revised draft strategic plan that will be presented at the September 14, 2017 Board meeting
