Summary:

This agenda item requests the Board of State and Community Corrections (BSCC) approval of Yuba County's proposal to construct a 48-bed Tri-County Regional Juvenile facility in Marysville, CA. The juvenile hall will be created under a Joint Powers Agreement between Yuba, Sutter and Colusa counties.

Background:

The 2007 Budget Act, signed by Governor Schwarzenegger in August 2007, included \$100 million in lease-revenue bond financing to implement the Senate Bill (SB) 81 Local Youthful Offender Rehabilitative Facility Construction Financing Program. In July 2008, the Corrections Standards Authority (CSA) Board approved the Request for Proposals and it was released to the field with a due date of January 6, 2009. In October 2010, Governor Schwarzenegger signed Assembly Bill 1628 adding \$200 million in lease-revenue bond financing to this construction financing program. By November 2010, the Board fully funded 14 counties that submitted proposals.

The CSA Board conditionally awarded Colusa County \$5,655,740 in SB 81 Local Youthful Offender Rehabilitative Facility Construction Financing Program lease-revenue bond financing in November 2010. Colusa County requested that its conditional award be redirected to Yuba County. Signed by Governor Brown on October 7, 2013, SB 365 (Chapter 627, Statutes of 2013), allows a county that has been conditionally awarded financing to redirect their conditional award to another county that would be the lead county for a regional facility in conjunction with the original county and, potentially, other counties.

Colusa County received approval from the BSCC on November 14, 2013. Yuba County will be the lead county for a regional facility that includes Colusa County and Sutter County.

Pursuant to the construction program regulations in Title 15, Section 1830, Yuba, as the lead county, has submitted a project scope and proposal to include 3 pods with a capacity of 16 that also will have a classroom, medical and mental health offices.

Recommendation/Action Needed:

1. Staff recommends the Board approve Yuba County's project for its SB 81 Local Youthful Offender Rehabilitative Facilities Construction Financing Program conditional award.
