Part I: Grant Information

Background

The Adult Reentry Grant (ARG) Program provides funding for community-based organizations to deliver reentry services for people formerly incarcerated in state prison. ARG was established in the 2018 Budget Act (Senate Bill 840, Chapter 29, Statutes of 2018) and received additional funding through the Budget Act of 2019 (Assembly Bill 74, Chapter 23, Statutes of 2019) and the Budget Act of 2020 (Assembly Bill 89, Chapter 7, Statutes of 2020). A total of 115 projects have been awarded \$105,727,500 in funding since ARG was implemented.

The Budget Act of 2021 (Assembly Bill 128, Chapter 21, Statutes of 2021) (Appendix A) appropriated \$67,000,000 to award competitive grants for community-based organizations (CBOs) to support individuals formerly incarcerated in state prison.

The \$67,000,000 is to be allocated as follows:

- \$31,825,000 shall be available for rental assistance. Priority shall be given to individuals released to state parole.
- \$31,825,000 shall be available to support the warm handoff and reentry of offenders transitioning from state prison to communities. Priority shall be given to individuals released to state parole.
- Up to 5% (\$3,350,000) shall be available to the Board of State and Community Corrections for costs to administer the grant programs.

This Request for Proposals (RFP) will address funding available for the Rental Assistance and Warm Handoff and Reentry Services components of the grant.

Contact Information

This RFP provides the information necessary to prepare separate sub-proposals to the Board of State and Community Corrections (BSCC) for grant funds available through the Adult Reentry Grant Program. Applicants may apply for funding through one or both of the following sub-applications:

- Rental Assistance
- Warm Handoff and Reentry Services

The BSCC staff cannot assist the applicant or its partners with the actual preparation of a sub-proposal. Any technical questions concerning the RFP, the proposal process or programmatic issues must be submitted by email to: ARGCohort3@bscc.ca.gov.

The BSCC will accept and respond to written questions about this RFP until April 1, 2022. A frequently asked questions (FAQs) and answers document will be posted to the BSCC website and updated periodically through April 5, 2022.

Proposal Due Date and Submission Instructions

Proposals must be received by **5:00 P.M. on Friday, April 8, 2022**. Applicants must ensure the sub-proposal package is signed with a digital **OR** a wet blue ink signature that is then scanned with the completed sub-proposal package. Email the complete proposal package to: ARGCohort3@bscc.ca.gov.

A complete proposal package will include:

- One (1) Portable Document Format (PDF) file that contains the Proposal Narrative and all required attachments (see ARG Proposal Checklist).
- An Excel version of the Budget Attachment (Budget Tables and Budget Narrative). Do not submit the Budget Attachment in a PDF version.

NOTE: If the BSCC does not receive an email containing the complete, signed sub-proposal package on or before 5:00 P.M. (PST) on Friday, April 8, 2022, the sub-proposal package **will not** be considered for funding.

Bidder's Conference

Prospective applicants are invited but not required to attend a virtual Bidder's Conference. Attendance at the virtual Bidders' Conference is not a requirement. The purpose of this Bidder's Conference is to answer technical questions from prospective bidders (applicants) and provide clarity on RFP instructions. Topics may include, but are not limited to, proposal submission instructions, eligibility, funding, and an overview of the evaluation requirements. There is no preference given to applicants who attend the Bidders' Conference. Details are listed below:

Executive Steering Committee

Adult Reentry Grant Program Executive Steering Committee

To ensure successful program design and implementation, the BSCC uses Executive Steering Committees to inform decision making related to the Board’s programs. BSCC’s Executive Steering Committees (ESCs) are composed of subject matter experts and stakeholders representing both the public and private sectors. The BSCC makes every attempt to include diverse representation on its ESCs, in breadth of experience, geography and demographics.

ESCs are convened and approved by the BSCC Board, as the need arises, to carry out specified tasks, including the development of RFPs for grant funds. ESCs submit grant award recommendations to the BSCC Board and the Board then approves, rejects, or revises those recommendations. Members of the ESCs are not paid for their time but are reimbursed for travel expenses incurred to attend meetings.

Pursuant to AB 128, the BSCC was required to form an ESC with members from relevant state agencies and departments with expertise in public health, housing, workforce development, and effective rehabilitative treatment for people returning from prison to develop grant-program criteria and make recommendations to the board regarding grant awards. Representatives were to include but were not limited to the:

- Department of Housing and Community Development;
- Office of Health Equity, California Department of Public Health;
- County Probation;
- Representatives of reentry-focused community-based organizations;
- Criminal justice impacted individuals; and
- Representatives of housing-focused community-based organizations.

Throughout the ESC process, there have been opportunities for stakeholder and public input into the development of the Adult Reentry grant program. For a list of ESC members see (Appendix B) of this RFP.

Conflicts of Interest

Existing law prohibits any grantee, subgrantee, partner or like party who participated on the Adult Reentry Grant Program ESC from receiving funds awarded under this RFP. Applicants who are awarded grants under this RFP are responsible for reviewing the Adult Reentry Grant Program ESC membership roster and ensuring that no grant dollars are passed through to any entity represented by any member of the Adult Reentry Grant Program ESC.

Eligibility to Apply

Eligibility is limited to Community-Based Organizations (CBOs) located in the State of California that have been determined by the IRS to have 501(c)(3) status (i.e., nonprofit). Verification of applicant's status as a nonprofit must be submitted via documentation from the Secretary of State website verifying applicant is a registered non-profit in good standing within the State of California.

Any organization that receives ARG funding (as either a direct grantee, subgrantee, or subcontractor) must:

- Have been duly organized, in existence, and in good standing for at least six (6) months prior to the effective date of its fiscal agreement with the BSCC or with the ARG grantee.
- Be registered with the California Secretary of State's Office, if applicable;
- Have a valid business license, if required by the applicable local jurisdiction;
- Have a valid Employer Identification Number (EIN);
- Have any other state or local licenses or certifications necessary to provide the services requested (e.g., facility licensing by the Department of Health Care Services), if applicable; and
- Have a physical address. (An agent for service of process with a California address is insufficient.)

An applicant may submit one sub-proposal for Rental Assistance **and** one sub-proposal for Warm Handoff and Reentry Services. Additionally, an applicant with multiple field offices or satellite projects may submit one sub-proposal covering all (or multiple) field offices and satellite projects.

Past and existing ARG grantees are eligible to apply. In addition, an applicant may also receive ARG funding as a grantee and as a subcontractor for Cohort 3 provided that the grant and the subcontracted services are for different project types. For example, if a prospective grantee applies for Rental Assistance, the applicant can only act as a subcontractor for Warm Handoff and Reentry Services

An applicant may not be a primary applicant in Cohort 3 and act as a subcontractor for a grantee for the same project type.

An applicant may not be a subcontractor on their own proposed project.

An applicant may subcontract with other Non-Governmental Organizations (NGOs) and, if awarded, the applicant will be responsible for all aspects of grant administration and management with the subcontracted NGO, while being responsible to the BSCC for overall outcomes and fiscal management of the project.

NGOs include: nonprofit CBOs, for-profit CBOs, faith-based organizations (FBOs), evaluators (except government institutions such as universities), grant management companies and any other non-governmental agency or individual.

Target Population

The target population identified in AB 128 are people, 18 and over, who have been formerly incarcerated in state prison with priority being given to those recently released and/or on state parole.

Housing First Approach to Service Delivery

Welfare and Institutions Code sections 8255-8257.2 (Appendix C) requires a state agency that funds, implements, or administers a state program that provides housing or housing-related services to people experiencing homelessness or at risk of homelessness, to adopt guidelines and regulations to include Housing First policies. As such, this will require applicants proposing projects that include housing or housing-related services to incorporate the core components of Housing First in their proposed program design.

Housing First is an approach to serving people experiencing homelessness that recognizes a homeless person must first be able to access a decent, safe place to live, that does not limit length of stay (permanent housing), before stabilizing, improving health, reducing harmful behaviors, or increasing income.

Under the Housing First approach, anyone experiencing homelessness is connected to a permanent home as quickly as possible and Housing First programs remove barriers to accessing housing and do not require sobriety or an absence of criminal history. It is based on the “hierarchy of need” in which people must access basic necessities like a safe place to live and food to eat before being able to achieve quality of life or pursue personal goals. Housing First values choice not only in where to live, but whether to participate in services. Housing First providers offer services as needed and requested on a voluntary basis and do not make housing contingent on participation in services.

The core components of Housing First include the following:

- 1) Tenant screening and selection practices that promote accepting applicants regardless of their sobriety or use of substances, completion of treatment, or participation in services.
- 2) Applicants are not rejected on the basis of poor credit or financial history, poor or lack of rental history, criminal convictions unrelated to tenancy, or behaviors that indicate a lack of “housing readiness.”
- 3) Acceptance of referrals directly from shelters, street outreach, drop-in centers, and other parts of crisis response systems frequented by vulnerable people experiencing homelessness.
- 4) Supportive services that emphasize engagement and problem solving over therapeutic goals and service plans that are highly tenant-driven without predetermined goals.
- 5) Participation in services or program compliance is not a condition of permanent housing tenancy.
- 6) Tenants have a lease and all the rights and responsibilities of tenancy, as outlined in California’s Civil, Health and Safety, and Government codes.
- 7) The use of alcohol or drugs in and of itself, without other lease violations, is not a reason for eviction.
- 8) In communities with coordinated assessment and entry systems, incentives for funding promote tenant selection plans for supportive housing that prioritize eligible

tenants based on criteria other than “first-come-first-serve,” including, but not limited to, the duration or chronicity of homelessness, vulnerability to early mortality, or high utilization of crisis services. Prioritization may include triage tools, developed through local data, to identify high-cost, high-need homeless residents.

- 9) Case managers and service coordinators who are trained in and actively employ evidence-based practices for client engagement, including, but not limited to, motivational interviewing and client-centered counseling.
- 10) Services are informed by a harm-reduction philosophy that recognizes drug and alcohol use and addiction as a part of tenants’ lives, where tenants are engaged in nonjudgmental communication regarding drug and alcohol use, and where tenants are offered education regarding how to avoid risky behaviors and engage in safer practices, as well as connected to evidence-based treatment if the tenant so chooses.
- 11) The project and specific apartment may include special physical features that accommodate disabilities, reduce harm, and promote health and community and independence among tenants.

(Welf. & Inst. Code, § 8255, subd. (b).)

Grantees awarded funding under the Adult Reentry Grant Program are required to support these core components of the Housing First model pursuant to these guidelines, which will be woven throughout the RFP and incorporated into the rating criteria. Applicants should develop proposals that reflect these principles to the extent that their projects include housing or housing related services. (For additional resources and information related to Housing First and Harm Reduction Principles, see Appendix D).

“Recovery Housing” and Housing First Principles

Please note that programs that provide “recovery housing” do not have to comply with paragraphs (5) through (7) above. (Welf. & Inst. Code, § 8256, subd. (c)(1)(B).)

“Recovery housing” means sober living facilities and programs that provide housing in an abstinence-focused and peer-supported community for people recovering from substance use issues. Participation is voluntary, unless that participation is pursuant to a court order or is a condition of release for individuals under the jurisdiction of a county probation department or the Department of Corrections and Rehabilitation. (Welf. & Inst. Code, § 8256, subd. (c)(3).)

For ARG Grantees that operate a recovery housing program as defined above, the program also must adhere to the following requirements:

- (i) A recovery housing program participant shall sign an agreement upon entry that outlines the roles and responsibilities of both the participant and the program administrator to ensure individuals are aware of actions that could result in removal from the recovery housing program.

- (ii) If a recovery housing program participant chooses to stop living in a housing setting with an abstinence focus, is discharged from the program, or is evicted from housing, the program administrator shall offer assistance in accessing other housing and services options, including options operated with harm-reduction principles. To the extent practicable, this assistance shall include connecting the individual with alternative housing providers, supportive services, and the local coordinated entry system, if applicable. This clause does not apply to an individual who leaves the program without notifying the program administrator.
- (iii) The recovery housing program administrator shall track and report annually to the program's state funding source the housing outcome for each program participant who is discharged.

(Welf. & Inst. Code, § 8256, subd. (c)(2)(C)(i)-(iii).)

Sub-Applications

As indicated previously, this RFP will be divided into two sub-applications and applicants may submit a separate sub-proposal for one, or both, of the following:

Sub-Applications
1) Rental Assistance
2) Warm Handoff and Reentry Services

Eligible activities and funding for each of the sub-applications will be identified separately.

Eligible Activities

The statutory language authorizing the Adult Reentry Grant Program does not specify the types of Rental Assistance and Warm Handoff and Reentry Services to be funded. Applicants should select programs that best fit the needs of the community.

The ESC has defined Rental Assistance activities to be those intended to help eligible people establish or maintain affordable, permanent housing.

The ESC has defined Warm Handoff and Reentry Service activities as those that place a priority on services that lead to permanent housing and the provision of critical-time intervention that meets the immediate needs of individuals upon their release from prison or placement by parole.

Grant funds may be used to implement new activities and programs and/or augment existing funds dedicated to a project but may not replace or supplant funds that have been appropriated for the same purpose.

If the sub-proposal includes collaboration and active involvement with a local government agency for which their agreement is needed, a letter of commitment, signed by the agency head must be received from the agency.

Adult Reentry Grant funds may not be used for the following:

1. Purchase, leasing, or payments for automobiles or recreational vehicles to house individuals;
2. Purchase of camping equipment for living outside;
3. Costs for refurbishing or rehabilitating a dwelling; or
4. The acquisition of real property.

For information on eligible and ineligible costs, refer to the *BSCC Grant Administration Guide*, found on the BSCC [website](#).

The table below includes *examples* of the types of Rental Assistance and Warm Handoff and Reentry related services that could be funded by this grant. The lists are not exhaustive, and applicants are not required to implement these specific activities; they are offered as suggestions only.

<p>Including but not limited to:</p> <ul style="list-style-type: none"> • Short-term emergency housing assistance • Landlord incentives • Permanent supportive housing • Rent subsidies • Transitional housing • Stipends to friends and families who provide housing directly to a person who is eligible for ARG services. Funding Information

A total of \$63,650,000 is available for Rental Assistance and Warm Handoff and Reentry Services. Eligible applicants will be allowed to request up to a maximum amount for each sub-application as indicated in the table below:

Sub-Application	Eligible Applicants May Request	Adult Reentry Program Funds Allocated to this Category
Rental Assistance	Up to \$2,750,000 million for the entire 42-month grant period.	\$31,825,000
Warm Handoff and Reentry	Up to \$750,000 entire 42-month grant period.	\$31,825,000

Applicants are encouraged to request only the amount of funds needed to support their proposal and not base the request on the maximum allowed. **No match is required.**

Use of Effective Programs

The BSCC is committed to supporting a focus on better outcomes in the criminal justice system and for those involved in it. Applicants that seek funding through this grant process should use research and data driven decision-making in the development, implementation, and evaluation of their grant-funded projects.

The extent to which an applicant can demonstrate that the program and/or activities they have chosen has been shown to be the effective will be evaluated as a part of the rating process. In developing a proposal, it may be helpful for applicants to consider the following questions:

- 1. Is there evidence or data to suggest that the intervention or strategy is likely to work, i.e., produce a desired benefit?**

For example, was the intervention or strategy selected by the project used by another entity with documented positive results? Is there published research/information on the chosen intervention that demonstrates its effectiveness? Is the intervention or strategy being used by another entity with a similar problem and similar target population?

- 2. Once an intervention or strategy is selected, will you be able to demonstrate that it is being carried out as intended?**

For example, does this intervention or strategy provide for a way to monitor quality control or continuous quality improvement? If this intervention or strategy was implemented by another entity, are there procedures in place to ensure the model is being closely followed (so the project is more likely to achieve similar desired outcomes)?

3. Is there a plan to collect data that will allow for an appraisal of whether the intervention or strategy worked?

For example, will the intervention or strategy selected allow for the collection of data or other information so outcomes can be measured at the conclusion of the project? Are there or will there be processes in place to identify, collect, and analyze that data/information?

Applicants are encouraged to develop a project that incorporates these principles but is tailored to fit the needs of the communities they serve.

Plans to measure the effectiveness of a project should include the use of both qualitative and quantitative data/information. While quantitative data/information is based on numbers and mathematical calculations, qualitative data/information is based on written or spoken narratives. The purpose of quantitative data/information is to explain, predict, and/or control events through focused collection of numerical data, while the purpose of qualitative data/information is to explain and gain insight and understanding of events through collection of narrative data/information. For additional information and resources related to evidence-based practices and data driven decision making see Appendix D.

Reducing Racial and Ethnic Disparity

Research shows that youth and adults of color are significantly overrepresented in the criminal justice system in California.¹ BSCC supports efforts to reduce racial and ethnic disparities and encourages others to do the same. The BSCC has undertaken several activities to ensure that California addresses this concern including trainings. Applicants should, as relevant, describe how grant activities will impact youth and adults of color who are subject to justice or child welfare system involvement.

For additional information about reducing racial and ethnic disparity (R.E.D.), prospective applicants may contact the R.E.D. Coordinator, Field Representative Timothy Polasik, at Timothy.Polasik@bscc.ca.gov.

General Grant Requirements

Grant Agreement

Applicants approved for funding by the BSCC Board are required to enter into a Grant Agreement with the BSCC. Grantees must agree to comply with all terms and conditions of the Grant Agreement. See Appendix E for a sample grant agreement.

The Grant Agreement start date is expected to be October 1, 2022. Grant Agreements are considered fully executed only after they are signed by both the Grantee and the

¹ Multiple studies confirm the disparities in the criminal and juvenile justice systems. The W. Haywood Burns Institute (<http://www.burnsinstitute.org/>) has worked extensively on this issue as has the National Council on Crime and Delinquency (NCCD) and the Center for Juvenile Justice Reform, Georgetown University (<https://cjjr.georgetown.edu/certificate-programs/reducing-racial-and-ethnic-disparities/>)

Created Equal: Racial and Ethnic Disparities in the US Criminal Justice System (NCCD: Hartney/Vuong March 2009)

BSCC, and the BSCC is in receipt of all required attachments including documentation of signing authority. Work, services, and encumbrances cannot begin prior to the Grant Agreement start date. Any work, services, and encumbrances that occur after the start date, but prior to Grant Agreement execution may not be reimbursed. Grantees are responsible for maintaining their Grant Agreement. Grantees, subgrantees, and subcontractors are responsible for maintaining all invoices, records, and relevant documentation for at least three (3) years after the final payment under the Grant Agreement.

Governing Board Resolution

Applicants must submit a board resolution that the individual signing the sub-application for Adult Reentry Grant funding is authorized on behalf of the governing board to submit the grant proposal for this funding and sign the Grant Agreement with the BSCC, including any amendments thereof. If the governing board is unable to meet or provide a resolution prior to the application deadline, applicants must provide sufficient evidence that the person signing the grant agreement has signing authority, which may include articles of incorporation, bylaws, or a prior board resolution conferring authority to the signatory (For a sample resolution, see Appendix H).

This documentation is not required at the time of proposal submittal, but applicants are advised that the grant agreement will not be fully executed, nor will any financial invoices be processed for reimbursement until the required documentation has been received by the BSCC.

Supplanting

Supplanting is the deliberate reduction in the amount of federal, state, or local funds being appropriated to an existing program or activity because grant funds have been awarded for the same purposes. Supplanting is strictly prohibited for all BSCC grants. ARG funds shall be used to support new program activities or to augment or expand existing program activities but shall not be used to replace existing funds.

It is the responsibility of the Grantee to ensure that supplanting does not occur. The Grantee must keep clear and detailed financial records to show that grant funds are used only for allowable costs and activities.

Audit Requirements

Grantees are required to provide the BSCC with a financial audit that covers the service delivery period of the grant (October 1, 2022 through December 31, 2025). The audit report will be due no later than April 30, 2026. The financial audit shall be performed by a Certified Public Accountant. Expenses for the final audit may be reimbursed for actual costs up to \$25,000.

The Department of General Services, California State Auditor, the California Department of Finance - Office of State Audits & Evaluation, or their designated representative shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this grant.

Invoices

Disbursement of grant funds occurs on a reimbursement basis for costs incurred during a reporting period. The State Controller's Office (SCO) will issue the warrant (check) to the individual designated on the Applicant Information Form as the Financial Officer for the grant. Grantees must submit invoices with supporting documentation to the BSCC on either a monthly or quarterly basis within 45 days following the end of the reporting period via the online process. Grantees will make their choice between monthly or quarterly invoicing at the time they execute their contracts.

Grantees must maintain adequate supporting documentation for all costs claimed on invoices for reimbursement. BSCC staff will conduct a desk review process which requires grantees to submit electronic documentation to support all grant funds claimed during the invoicing period. In addition, BSCC staff will conduct on-site monitoring visits that will include a review of documentation maintained as substantiation for project expenditures with grant funds.

For additional information, refer to the *BSCC Grant Administration Guide*, found on the BSCC [website](#).

Grantee Orientation Process

Following the start of the grant period, BSCC staff will conduct a Grantee Orientation in November 2022, date to be determined. The purpose of this mandatory session is to review the program requirements, invoicing and budget modification processes, data collection and reporting requirements, as well as other grant management and monitoring activities. Typically, the Project Director, Financial Officer, and Day-to-Day Contact must attend. Grantees are also strongly encouraged to include the individual tasked with Data Collection and Evaluation, and a subgrantee or subcontractor representative.

If an in-person training is scheduled, grant recipients may use grant funds for travel-related expenditures such as airfare, mileage, meals, lodging and other per diem costs. Applicants should include anticipated costs in the budget section of the proposal under the "Other" category.

Travel

Travel is usually warranted when personal contact by project staff is the most appropriate method of conducting project-related business. Travel to and from training conferences may also be allowed. The most economical method of transportation, in terms of direct expenses to the project and the employee's time away from the project, must be used. Projects are required to include sufficient per diem and travel allocations for project-related personnel, as outlined in the Grant Award, to attend any mandated BSCC training conferences or workshops outlined in the terms of the program.

- **Community-Based Organizations (CBOs)**: A CBO receiving BSCC funds must use the State travel and per diem policy, unless the Grantee's written travel policy is more restrictive than the State's, in which case it must be used. Reimbursement is allowed for the cost of commercial carrier fares, parking, bridge, and road tolls, as well as necessary taxi, bus, and streetcar fares. This policy also applies to NGOs that subcontract with a CBO receiving a BSCC grant award.

Out-of-State Travel

Out-of-state travel is restricted and only allowed in exceptional situations. Grantees must receive written BSCC approval prior to incurring expenses for out-of-state travel. Even if previously authorized in the Grant Award. Grantees must submit to the BSCC a separate formal request (on Grantee letterhead) for approval. Out-of-state travel requests must include a detailed justification and budget information. In addition, California prohibits travel, except under specified circumstances, to states that have been found by the California Attorney General to have discriminatory laws. The BSCC will not reimburse for travel to these states unless the travel meets a specific exception under Government Code section 11139.8, subdivision (c). For additional information, please see: <https://oag.ca.gov/ab1887>.

Debarment, Fraud, Theft, or Embezzlement

It is the policy of the BSCC to protect grant funds from unreasonable risks of fraudulent, criminal, or other improper use. As such, the Board will not enter into contracts or provide reimbursement to applicants that have been:

1. debarred by any federal, state, or local government entities during the period of debarment; or
2. convicted of fraud, theft, or embezzlement of federal, state, or local government grant funds for a period of three years following conviction.

Furthermore, the BSCC requires grant recipients to provide an assurance that there has been no applicable debarment, disqualification, suspension, or removal from a federal, State, or local grant program on the part of the grantee at the time of application and that the grantee will immediately notify the BSCC should such debarment or conviction occur during the term of the Grant contract.

BSCC also requires that all grant recipients include, as a condition of award to a subgrantee or subcontractor, a requirement that the subgrantee or subcontractor will provide the same assurances to the grant recipient. If a grant recipient wishes to consider a subgrantee or subcontractor that has been debarred or convicted, the grant recipient must submit a written request for exception to the BSCC along with supporting documentation.

All applicants must complete Appendix F certifying that they are in compliance with the BSCC's policies on debarment, fraud, theft, and embezzlement.

Compliance Monitoring Visits

BSCC conducts compliance monitoring visits to grantees during the term of the grant. For your reference, a Sample Compliance Monitoring Visit Checklist is contained in Appendix J.

Project Evaluation Requirements

Quarterly Progress Reports

Grant award recipients are required to submit quarterly progress reports to the BSCC. Progress reports are a critical element in BSCC's monitoring and oversight process. Grantees that are unable to demonstrate that they are making sufficient progress toward

project goals and objectives, and that funds are being spent down in accordance with the Grant Award Agreement, could be subject to the withholding of funds. Once grants are awarded, the BSCC will work with grantees to create quarterly progress reports.- Applicable forms and instructions will be available to grantees on the BSCC's website..

In addition to quarterly progress reports (QPRs), projects selected for funding will be required to submit to the BSCC:

1. A Local Evaluation Plan, due six (6) months post-award; and
2. A Local Evaluation Report, due four (4) months after the conclusion of project delivery.

Local Evaluation Plan - The purpose of the Local Evaluation Plan (LEP) is to ensure that projects funded by the BSCC can be evaluated. Applicants will be expected to include a detailed description of how they plan to assess the effectiveness of the proposed program in relation to each of its goals and objectives identified in the proposal. The LEP should describe the evaluation design or model that will be used to evaluate the effectiveness of the project component(s), with the project goals and the objectives clearly stated. Applicants should include criteria for both process and outcome evaluations. Once submitted, any modifications to the LEP must be approved in advance by the BSCC. More detailed instructions on the LEP will be made available to successful applicants. See Appendix I for preliminary guidelines for the LEP and final LER. The Local Evaluation Plan is due no later than April 1, 2023.

Local Evaluation Report - Following project completion, grantees are required to complete a final Local Evaluation Report (LER) which must be in a format prescribed by the BSCC. The purpose of the final LER is to determine whether the overall project was effective in meeting the goals laid out in the LEP. To do this, the grantee must assess and document the effectiveness of the activities that were implemented. These activities should have been identified in the previously submitted LEP. More detailed instructions on the LER will be made available to successful applicants. The Local Evaluation Report is due no later than April 30, 2026.

Applicants are strongly encouraged to identify research partners early on and include them in the development of the proposal, to better ensure that the goals and objectives listed in the proposal are realistic and measurable. Applicants are also strongly encouraged, but not required, to use outside evaluators to ensure objective and impartial evaluations. Additionally, applicants are encouraged to partner with state universities or community colleges for evaluations. Evaluation planning, oversight, and reporting activities may be funded by the Adult Reentry Grant Program monies and should be identified within the applicant's proposed budget.

Evaluation Dissemination

The BSCC will make public the Local Evaluation Plan and a Final Local Evaluation Report from each grantee. Reports may be posted to the BSCC website and/or developed into a Summary Final Report to be shared with the Administration, the Legislature, and the public.

Projects selected for funding are encouraged to make public (e.g., post online, disseminate, share at meetings) the Final Local Evaluation Report to the community and the grantee's Governing Board (e.g., Board of Supervisors, City Council, etc.).

If the grantee plans to publish the Final Local Evaluation Report, it must be submitted to the BSCC for review prior to publication.

Overview of the RFP Process

Confirmation of Receipt of Proposal

Upon submission of a proposal, applicants will receive a confirmation email from the BSCC stating that the proposal has been received.

Disqualification - **PLEASE REVIEW CAREFULLY**

The following will result in an automatic disqualification:

- An electronic version of the complete proposal package is not received by 5:00 p.m. PST on April 8, 2022.
- The Applicant is not a Community-Based Organization located in the State of California.
- The applicant is not registered as a nonprofit in California or does not have 501(c)(3) status.
- Budget Attachment (Excel document) is incomplete, or the total amount included in the budget table does not match the requested amount included elsewhere in the application.
- Proposal Package does not contain the following sections:
 - Coversheet – accurately completed
 - Proposal Checklist – filled out and signed
 - Applicant Information Form – completed and signed
 - Proposal Narrative
 - ARG Budget Attachment (in Excel)
 - Project Work Plan (not to exceed 2 pages) (Sub-proposal Attachment A)
- Applicant's funding request was more than \$2,750,000 for Rental Assistance or \$750,000 for Warm Handoff and Reentry Services

NOTE: Disqualification means that the proposal will not move forward to the Executive Steering Committee for the Proposal Rating Process, and, therefore, will NOT be considered for funding.

Rating Process

Unless disqualified, proposals will advance to the Adult Reentry Grant Executive Steering Committee (ESC) for the Proposal Rating Process. Proposals will be evaluated

in accordance with the BSCC's *Grant Proposal Evaluation Process* ([link](#)) and as described below.

The ESC will read and rate each sub-proposal in accordance with the prescribed rating factors listed in the table below under Rating Factors.

The ESC members will base their ratings on how well an applicant addresses the items listed under each rating factor within the sub-proposal Narrative and Budget Section. ESC ratings, once submitted to the BSCC, will be final.

At the conclusion of this process, applicants will be notified of the Board's funding recommendations. It is anticipated that the BSCC Board will act on the recommendations at its meeting on September 8, 2022. Applicants and partners are not permitted to contact members of the ESC or the BSCC Board to discuss proposals.

Scoring Process

Rating Factors

The five (5) Rating Factors to be used and the maximum points assigned to each factor are shown in the table below. Applicants are asked to address each of these factors as a part of their proposal. The Adult Reentry Program ESC assigned a percent of total value to each of the five (5) Rating Factors, correlating to its importance (see Percent of Total Value column). While the same scoring system will be used for both sub-applications, applicants will be asked to address each of these rating factors differently in each sub-proposal.

Adult Reentry Program Rating Factors and Scoring System

	Rating Factors	Point Range	Percent of Total Value	Weighted Rating Factor Score
1	Project Need	0 - 5	10%	20
2	Project Description	0 - 5	35%	70
3	Project Organizational Capacity and Coordination	0 - 5	25%	50
4	Project Evaluation and Monitoring	0 - 5	10%	20
5	Project Budget	0 - 5	20%	40
Maximum Proposal Score:			100%	200

Raters will rate an applicant's response in each Rating Factor category on a scale of 0 – 5, according to the Six-Point Rating Scale shown below. For each Rating Factor, the rating point received is then weighted according to the "Percent of Total Value" column

(determined by the ESC) associated with the Rating Factor to arrive at the final Weighted Rating Factor Score. The Weighted Rating Factor Scores are then added together for a final overall proposal score. The maximum possible sub-proposal score is 200.

Threshold/Minimum Score

A proposal must meet a threshold of **60%**, or minimum score of **120** total points to be considered for funding. The same threshold/minimum score will be used for both sub-applications.

Six-Point Rating Scale

Not Responsive 0	Poor 1	Fair 2	Satisfactory 3	Good 4	Excellent 5
The response fails to address the criteria.	The response addresses the criteria in a very inadequate way.	The response addresses the criteria in a non-specific or unsatisfactory way.	The response addresses the criteria in an adequate way.	The response addresses the criteria in a substantial way.	The response addresses the criteria in an outstanding way.

What follows in this RFP are the sub-applications for Rental Assistance (application coded in green) and Warm Handoff and Reentry Services (application coded in red) which will be scored separately. Please note that though both sub-applications have the same five (5) general rating factors as noted above, each has different criteria within those rating factors on which they will be rated.

WELFARE AND INSTITUTIONS CODE - WIC

DIVISION 8. MISCELLANEOUS [8050 - 8261]

(Division 8 repealed and added by Stats. 1967, Ch. 1667.)

CHAPTER 6.5. Housing First and Coordinating Council [8255 - 8257.2]

(Chapter 6.5 added by Stats. 2016, Ch. 847, Sec. 2.)

8255.

For purposes of this chapter:

- (a) "Council" means the California Interagency Council on Homelessness, formerly known as the Homeless Coordinating and Financing Council established pursuant to Section 8257.
- (b) "Core components of Housing First" means all of the following:
- (1) Tenant screening and selection practices that promote accepting applicants regardless of their sobriety or use of substances, completion of treatment, or participation in services.
 - (2) Applicants are not rejected on the basis of poor credit or financial history, poor or lack of rental history, criminal convictions unrelated to tenancy, or behaviors that indicate a lack of "housing readiness."
 - (3) Acceptance of referrals directly from shelters, street outreach, drop-in centers, and other parts of crisis response systems frequented by vulnerable people experiencing homelessness.
 - (4) Supportive services that emphasize engagement and problem solving over therapeutic goals and service plans that are highly tenant-driven without predetermined goals.
 - (5) Participation in services or program compliance is not a condition of permanent housing tenancy.
 - (6) Tenants have a lease and all the rights and responsibilities of tenancy, as outlined in California's Civil, Health and Safety, and Government codes.
 - (7) The use of alcohol or drugs in and of itself, without other lease violations, is not a reason for eviction.
 - (8) In communities with coordinated assessment and entry systems, incentives for funding promote tenant selection plans for supportive housing that prioritize eligible tenants based on criteria other than "first-come-first-serve," including, but not limited to, the duration or chronicity of homelessness, vulnerability to early mortality, or high utilization of crisis services. Prioritization may include triage tools, developed through local data, to identify high-cost, high-need homeless residents.
 - (9) Case managers and service coordinators who are trained in and actively employ evidence-based practices for client engagement, including, but not limited to, motivational interviewing and client-centered counseling.
 - (10) Services are informed by a harm-reduction philosophy that recognizes drug and alcohol use and addiction as a part of tenants' lives, where tenants are engaged in nonjudgmental communication regarding drug and alcohol use, and where tenants are offered education regarding how to avoid risky behaviors and engage in safer practices, as well as connected to evidence-based treatment if the tenant so chooses.

(11) The project and specific apartment may include special physical features that accommodate disabilities, reduce harm, and promote health and community and independence among tenants.

(c) "Homeless" has the same definition as that term is defined in Section 91.5 of Title 24 of the Code of Federal Regulations.

(d) (1) "Housing First" means the evidence-based model that uses housing as a tool, rather than a reward, for recovery and that centers on providing or connecting homeless people to permanent housing as quickly as possible. Housing First providers offer services as needed and requested on a voluntary basis and that do not make housing contingent on participation in services.

(2) (A) "Housing First" includes time-limited rental or services assistance, so long as the housing and service provider assists the recipient in accessing permanent housing and in securing longer term rental assistance, income assistance, or employment.

(B) For time-limited, supportive services programs serving homeless youth, programs should use a positive youth development model and be culturally competent to serve unaccompanied youth under 25 years of age. Providers should work with the youth to engage in family reunification efforts, where appropriate and when in the best interest of the youth. In the event of an eviction, programs shall make every effort, which shall be documented, to link tenants to other stable, safe, decent housing options. Exit to homelessness should be extremely rare, and only after a tenant refuses assistance with housing search, location, and move-in assistance.

(e) "State programs" means any programs a California state agency or department funds, implements, or administers for the purpose of providing housing or housing-based services to people experiencing homelessness or at risk of homelessness, with the exception of federally funded programs with requirements inconsistent with this chapter.

(Amended by Stats. 2021, Ch. 398, Sec. 3. (AB 1220) Effective January 1, 2022.)

8256.

(a) Agencies and departments administering state programs created on or after July 1, 2017, shall collaborate with the California Interagency Council on Homelessness to adopt guidelines and regulations to incorporate core components of Housing First.

(b) By July 1, 2019, except as otherwise provided in subdivision (c), agencies and departments administering state programs in existence prior to July 1, 2017, shall collaborate with the council to revise or adopt guidelines and regulations that incorporate the core components of Housing First, if the existing guidelines and regulations do not already incorporate the core components of Housing First.

(c) (1) An agency or department that administers programs that fund recovery housing shall comply with the requirements of subdivision (b) by July 1, 2022.

(2) Until July 1, 2022, an agency or department that administers programs that fund recovery housing shall additionally do all of the following:

(A) In coordination with the California Interagency Council on Homelessness, consult with the Legislature, the Business, Consumer Services and Housing Agency, the California Health and Human Services Agency, the United States Department of Housing and Urban Development, and other stakeholders between July 1, 2020, and January 1, 2022, to identify ways to improve the provision of housing to individuals who receive funding from that agency or department, consistent with the applicable requirements of state law.

(B) Comply with the core components of Housing First, other than those components described in paragraphs (5) to (7), inclusive, of subdivision (b) of Section 8255.

- (C) Ensure that recovery housing programs meet the following requirements:
- (i) A recovery housing program participant shall sign an agreement upon entry that outlines the roles and responsibilities of both the participant and the program administrator to ensure individuals are aware of actions that could result in removal from the recovery housing program.
 - (ii) If a recovery housing program participant chooses to stop living in a housing setting with an abstinence focus, is discharged from the program, or is evicted from housing, the program administrator shall offer assistance in accessing other housing and services options, including options operated with harm-reduction principles. To the extent practicable, this assistance shall include connecting the individual with alternative housing providers, supportive services, and the local coordinated entry system, if applicable. This clause does not apply to an individual who leaves the program without notifying the program administrator.
 - (iii) The recovery housing program administrator shall track and report annually to the program's state funding source the housing outcome for each program participant who is discharged.
- (3) For purposes of this subdivision, "recovery housing" means sober living facilities and programs that provide housing in an abstinence-focused and peer-supported community for people recovering from substance use issues. Participation is voluntary, unless that participation is pursuant to a court order or is a condition of release for individuals under the jurisdiction of a county probation department or the Department of Corrections and Rehabilitation.
- (d) (1) Beginning on January 1, 2023, a grantee or entity operating any of the following state homelessness programs, as a condition of receiving state funds, shall enter the required data elements described in paragraph (8) on the individuals and families it serves into its local Homeless Management Information System, as required by the United States Department of Housing and Urban Development guidance described in paragraph (8), unless otherwise exempted by state or federal law:

(4) For purposes of this subdivision, state homelessness programs are defined as those programs that are funded, in whole or in part, by the state with the express purpose of addressing or preventing homelessness or providing services to people experiencing homelessness. This definition shall be broadly construed for the purpose of carrying out the requirements of this subdivision.

(5) The requirements of paragraphs (1) and (3) do not supplant any existing requirements imposed on a grantee or entity operating a state program described in this subdivision that require the program to report data into their local Homeless Management Information Systems before January 1, 2023.

For purposes of this paragraph, "making good faith progress" includes, but is not limited to, engaging in technical assistance offered under paragraph (6) and establishing a plan to comply with this subdivision.

(9) Beginning January 1, 2022, council staff shall provide aggregate data summaries collected in full pursuant to this subdivision to the respective administering state agencies or departments that oversee relevant programs within 45 days of receipt. Where feasible, council staff shall notify the respective administering state agencies or departments at least 14 days before sharing, publicly using, or referencing the data, including, but not limited to, using the data for any substantive analysis, summary statistics, or other findings.

Appendix D: Glossary of Terms and Resources

Key Terms

Below are definitions and descriptors for key terms that are referenced throughout this RFP.

1. **Community-Based Organization**—for the purpose of this RFP process, a Community-Based Organization (CBO) is an organization that is located in the State of California that has been determined by the IRS to have 501(c)(3) status (i.e., nonprofit).
2. **Evidence-based / Promising Practices**—Evidence-based practices are programs and strategies that have been found effective at improving positive or preventing negative outcomes, using rigorous scientific research methods. Programs and strategies may be evidence-based across all populations, or only for particular cultures and identities. Promising practices are programs and strategies that have shown some positive results and potential for improving desired outcomes. They may have evidence from use in real-world settings, a strong theoretical framework, and/or expert opinion, but have not been fully replicated in scientific studies. Depending on the level of scientific evidence, these are sometimes referred to as “evidence-informed,” “research-supported,” or “emerging” practices.
3. **Financial Audit**—A financial audit provides assurances that an organization’s financial statements are free of material misstatement based upon the application of generally accepted accounting principles.
4. **Harm Reduction**—a set of practical strategies that reduce negative consequences of drug use. It incorporates a spectrum of strategies that move through stages of safer use, managed use, and abstinence. Harm reduction strategies meet drug users “where they’re at,” addressing conditions of use with the use itself. It can also be used to address other behavioral health concerns.

Harm Reduction Principles:

1. The individual has a voice in the process and identifies goals and a path to achieve them
2. Workers raise awareness of risk and strategies to reduce harm
3. The focus is on reducing harm, not consumption
4. There are no pre-defined outcomes
5. Abstinence may be a goal but alternatives to reduce risk are equally valued
6. The Individual’s decisions to engage in risky behaviors is accepted
7. Does not condone risk that can cause serious harm
8. The individual is expected to take responsibility for his or her own behavior
9. The individual is treated with dignity
10. Recovery is a non-linear process

11. Services are highly accessible: low barriers, informal atmosphere, extended hours¹
5. **Partner Agencies**—collaborative partners on the project that include subcontractors, verbal referral agreements, organizations with whom you have a Memorandum of Understanding (MOU), governmental agencies with or without an official MOU. A partner agency may be an agency providing services or providing referrals.
 6. **Qualitative Data**—data/information that is based on written or spoken narratives. The purpose of qualitative data/information is to explain and gain insight and understanding of events through collection of narrative data/information.
 7. **Quantitative Data**—data/information that is based on numbers and mathematical calculations. The purpose of quantitative data is to explain, predict, and/or control events through focused collection of numerical data.
 8. **Rental Assistance**—activities and services that are intended to help eligible people establish or maintain affordable permanent housing.
 9. **Short-term or Emergency Housing Support**—those activities or services that provide temporary housing up to 90 days.
 10. **Target Population**—individuals 18 and over that have been formerly incarcerated in state prison with priority given to those recently released and/or on state parole.
 11. **Warm Handoff and Reentry Services**—activities and services that place a priority on services that lead to permanent housing and the provision of critical time intervention that meets the immediate needs of individuals upon their release from prison or placement by parole.

Evaluative Terms

Local Evaluation Plan and Local Evaluation Report²

The purpose of the Local Evaluation Plan and the Local Evaluation Report is to identify whether the program achieved its goals and objectives. Outcome measures are designed to answer the question: “What results did the program produce?” Examples of outcome measures could include:

- Results of pre/post surveys (e.g., improvements in the number of high school graduates or reductions in law enforcement contacts).
- Implementation of programs aimed at increasing the number of youth enrolled in mentoring programs.
- Changes in policies that improve access to alcohol and substance use prevention services for youth.

Goal versus Objective

Goals and objectives are necessary components of the Sub-Proposal, Project Work Plan, Local Evaluation Plan and Report. These common terms are sometimes used interchangeably because both refer to the intended results of program activities. Goals are longer-term than objectives, more broadly stated and govern the specific objectives to which program activities are directed.

In proposals, goals are defined by broad statements of what the program intends to accomplish, representing the long-term intended outcome of the program³.

See also New York State Division of Criminal Justice Services. *A Guide to Developing Goals and Objectives for Your Program*. Retrieved from <http://www.criminaljustice.ny.gov/ofpa/goalwrite.htm>.

Examples of goal statements⁴:

- To reduce the number of people who commit serious and chronic offenses.
- To divert people from state correctional institutions for non-violent offenses.
- To restore the losses suffered by the victims of crimes.

Objectives are defined by statements of specific, measurable aims of program activities². Objectives detail the tasks that must be completed to achieve goals³. Descriptions of objectives in the proposals should include three elements⁵:

- 1) Direction – the expected change or accomplishment (e.g., improve, maintain);
- 2) Timeframe – when the objective will be achieved; and
- 3) Target Population– who is affected by the objective.

Examples of program objectives⁶:

- By the end of the program, drug-addicted participants will recognize the long-term consequences of drug use.
- To place eligible participants in an intensive supervision program within two weeks of adjudication to ensure offender accountability and community safety.
- To ensure that participants who have harmed others, and have agreed to participate in the program, carry out all the terms of the mediation agreements they have worked out with their victims by program completion.

Principles of Effective Intervention

During the past two decades, there has been renewed interest in examining correctional research. These efforts have been led by researchers such as Gendreau, Andrews, Cullen, Lipsey and others.⁷ Much evidence has been generated, leading to the conclusion that many rehabilitation programs have, in fact, produced significant reductions in recidivism. The next critical issue became the identification of those characteristics most commonly associated with effective programs. Through the work of numerous scholars (Andrews et al., 1990⁸; Cullen and Gendreau, 2000⁹; Lipsey 1999¹⁰), several “principles of effective intervention” have been identified. These principles can be briefly categorized as the following:

- Assess Actuarial Risk/Needs

Expenditures incurred for the completion of the financial audit during the period of January 1, 2026 to April 30, 2026 must be submitted during the Final Expenditure Periods, with the final statement of expenditure due May 15, 2026. 2. GRANT AMOUNT AND LIMITATION

- A. In no event shall the BSCC be obligated to pay any amount in excess of the grant award. Grantee waives any and all claims against the BSCC, and the State of California on account of project costs that may exceed the sum of the grant award.
- B. Under no circumstance will a budget item change be authorized that would cause the project to exceed the amount of the grant award identified in this Grant Agreement.

3. BUDGET CONTINGENCY CLAUSE

- A. This grant agreement is valid through ARG funding generated from the General Fund. The Grantee agrees that the BSCC's obligation to pay any sum to the grantee under any provision of this agreement is contingent upon the availability of sufficient funding granted through the California Budget Act of 2021 (Assembly Bill 128, Chapter 21, Statutes of 2021). It is mutually agreed that if the Budget Act does not appropriate sufficient funds for the program, this Grant Agreement shall be of no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement.
- B. If ARG funding is reduced or falls below estimates contained within the ARG Request for Proposals, the BSCC shall have the option to either cancel this Grant Agreement

EXHIBIT B

with no liability occurring to the BSCC or offer an amendment to this agreement to the Grantee to reflect a reduced amount.

- C. If BSCC cancels the agreement pursuant to Paragraph 3(B) or Grantee does not agree to an amendment in accordance with the option provided by Paragraph 3(B), it is mutually agreed that the Grant Agreement shall have no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement except that Grantee shall be required to maintain all project records required by Paragraph 6 of Exhibit A for a period of three (3) years following the termination of this agreement.

4. PROJECT COSTS

- A. Grantee is responsible for ensuring that actual expenditures are for eligible project costs. "Eligible" and "ineligible" project costs are set forth in the July 2020 BSCC Grant Administration Guide, which can be found under Quick Links here:

https://www.bscc.ca.gov/s_correctionsplanningandprograms/

The provisions of the BSCC Grant Administration Guide are incorporated by reference into this agreement and Grantee shall be responsible for adhering to the requirements set forth therein. To the extent any of the provisions of the BSCC Grant Administration Guide and this agreement conflict, the language in this agreement shall prevail.

- B. Grantee is responsible for ensuring that statements of expenditures submitted to the BSCC claim actual expenditures for eligible project costs.
- C. Grantee shall, upon demand, remit to the BSCC any grant funds not expended for eligible project costs or an amount equal to any grant funds expended by the Grantee in violation of the terms, provisions, conditions or commitments of this Grant Agreement.
- D. Grant funds must be used to support new program activities or to augment existing funds that expand current program activities. Grant funds shall not replace (supplant) any federal, state and/or local funds that have been appropriated for the same purpose. Violations can result in recoupment of monies provided under this grantor suspension of future program funding through BSCC grants.

5. PROMPT PAYMENT CLAUSE

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

**EXHIBIT B

- B. The BSCC will not approve grantee expenditures for costs identified as ineligible for grant funding. If grant funds have been provided for costs subsequently deemed ineligible, the BSCC may either withhold an equal amount from future payments to the Grantee or require repayment of an equal amount to the State by the Grantee.
- C. In the event that grant funds are withheld from the Grantee, the BSCC’s Executive Director or designee shall notify the Grantee of the reasons for withholding and advise the Grantee of the time within which the Grantee may remedy the failure or violation leading to the withholding.

EXHIBIT D SPECIAL TERMS AND CONDITIONS

fully responsible to the BSCC for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Grantee. The Grantee's obligation to pay its subcontractors is an independent obligation from the BSCC's obligation to make payments to the Grantee. As a result, the BSCC shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

- C. Grantee shall ensure that all subcontractors comply with the eligibility requirements stated in the ARG Program RFP and described in Appendix B.
- D. Grantee assures that for any subcontract awarded by the Grantee, such insurance and fidelity bonds, as is customary and appropriate, will be obtained.

1) Books and Records

Maintain adequate fiscal and project books, records, documents, and other evidence pertinent to the subcontractor's work on the project in accordance with generally accepted accounting principles. 5. ACCOUNTING AND AUDIT REQUIREMENTS

- A. Grantee agrees that accounting procedures for grant funds received pursuant to this Grant Agreement shall be in accordance with generally accepted government accounting

EXHIBIT D SPECIAL TERMS AND CONDITIONS

principles and practices, and adequate supporting documentation shall be maintained in such detail as to provide an audit trail. Supporting documentation shall permit the tracing of transactions from such documents to relevant accounting records, financial reports and invoices.

- B. The BSCC reserves the right to call for a program or financial audit at any time between the execution of this Grant Agreement and three years following the end of the grant period. At any time, the BSCC may disallow all or part of the cost of the activity or action determined to not be in compliance with the terms and conditions of this Grant Agreement, or take other remedies legally available.

6. DEBARMENT, FRAUD, THEFT OR EMBEZZLEMENT

It is the policy of the BSCC to protect grant funds from unreasonable risks of fraudulent, criminal, or other improper use. As such, the Board will not enter into contracts or provide reimbursement to grantees that have been:

1. debarred by any federal, state, or local government entities during the period of debarment; or
2. convicted of fraud, theft, or embezzlement of federal, state, or local government grant funds for a period of three years following conviction.

Furthermore, the BSCC requires grant recipients to provide an assurance that there has been no applicable debarment, disqualification, suspension, or removal from a federal, state or local grant program on the part of the grantee at the time of application and that the grantee will immediately notify the BSCC should such debarment or conviction occur during the term of the Grant contract.

BSCC also requires that all grant recipients include, as a condition of award to a subgrantee or subcontractor, a requirement that the subgrantee or subcontractor will provide the same assurances to the grant recipient. If a grant recipient wishes to consider a subgrantee or subcontractor that has been debarred or convicted, the grant recipient must submit a written request for exception to the BSCC along with supporting documentation.

All Grantees must have on file with the BSCC a completed and signed Certification of Compliance with BSCC Policies on Debarment, Fraud, Theft and Embezzlement (Required as Appendix E of the original Proposal Package).

7. MODIFICATIONS

Changes may include modification to project scope, changes to performance measures, compliance with collection of data elements, and other significant changes in the budget or program components contained in the Attachment 1: ARG Program Request for Proposals and Attachment 2: ARG Application for Funding. EXHIBIT D SPECIAL TERMS AND CONDITIONS

8. TERMINATION

 - 3) failure to meet prescribed assurances, commitments, recording, accounting, auditing, and reporting requirements of the Grant Agreement.
 - 4) if grantee no longer meets the criteria of an eligible applicant. A grantee no longer meets the criteria of an eligible applicant if grantee's nonprofit status changes or grantee is no longer in good standing with the State of California. A loss of good standing may include suspension or rescission of legal status by the California Secretary of State for any reason, including but not limited to, failing to file forms, pay required fees, or making tax payments.
- B. Prior to terminating the Grant Agreement under this provision, the BSCC shall provide the Grantee at least 30 calendar days written notice stating the reasons for termination and effective date thereof. The Grantee may appeal the termination decision in accordance with the instructions listed in Exhibit D: Special Terms and Conditions, Number 9. Settlement of Disputes.

9. SETTLEMENT OF DISPUTES

- A. The parties shall deal in good faith and attempt to resolve potential disputes informally. If the dispute persists, the Grantee shall submit to the BSCC Corrections Planning and Grant Programs Division Deputy Director a written demand for a final decision regarding the disposition of any dispute between the parties arising under, related to, or involving this Grant Agreement. Grantee's written demand shall be fully supported by factual information. The BSCC Corrections Planning and Grant Programs Division Deputy Director shall have 30 days after receipt of Grantee's written demand invoking this Section "Disputes" to render a written decision. If a written decision is not rendered within 30 days after receipt of the Grantee's demand, it shall be deemed a decision adverse to the Grantee's contention. If the Grantee is not satisfied with the decision of the BSCC Corrections Planning and Grant Programs Division Deputy Director, the Grantee may appeal the decision, in writing, within 15 days of its issuance (or the expiration of the 30-day period in the event no decision is rendered), to the BSCC Executive Director, who shall have 45 days to render a final decision. If the Grantee does not appeal the decision of the BSCC Corrections Planning and Grant Programs Division Deputy Director, the decision shall be conclusive and binding regarding the dispute and the Contractor shall

EXHIBIT D SPECIAL TERMS AND CONDITIONS

be barred from commencing an action in court, or with the Victims Compensation Government Claims Board, for failure to exhaust Grantee's administrative remedies.

- B. Pending the final resolution of any dispute arising under, related to or involving this Grant Agreement, Grantee agrees to diligently proceed with the performance of this Grant Agreement, including the providing of services in accordance with the Grant Agreement. Grantee's failure to diligently proceed in accordance with the State's instructions regarding this Grant Agreement shall be considered a material breach of this Grant Agreement.
- C. Any final decision of the State shall be expressly identified as such, shall be in writing, and shall be signed by the Executive Director, if an appeal was made. If the Executive Director fails to render a final decision within 45 days after receipt of the Grantee's appeal for a final decision, it shall be deemed a final decision adverse to the Grantee's contentions. The State's final decision shall be conclusive and binding regarding the dispute unless the Grantee commences an action in a court of competent jurisdiction to contest such decision within 90 days following the date of the final decision or one (1) year following the accrual of the cause of action, whichever is later.
- D. The dates of decision and appeal in this section may be modified by mutual consent, as applicable, excepting the time to commence an action in a court of competent jurisdiction.

10. WAIVER

The parties hereto may waive any of their rights under this Grant Agreement unless such waiver is contrary to law, provided that any such waiver shall be in writing and signed by the party making such waiver.

Appendix F: Certification of Compliance with BSCC Policies Regarding Debarment, Fraud, Theft, and Embezzlement

It is the policy of the BSCC to protect grant funds from unreasonable risks of fraudulent, criminal, or other improper use. As such, the Board will not enter into contracts or provide reimbursement to applicants that have been:

1. debarred by any federal, state, or local government entities during the period of debarment; or
2. convicted of fraud, theft, or embezzlement of federal, state, or local government grant funds for a period of three years following conviction.

Furthermore, the BSCC requires grant recipients to provide an assurance that there has been no applicable debarment, disqualification, suspension, or removal from a federal, state, or local grant program on the part of the grantee at the time of application and that the grantee will immediately notify the BSCC should such debarment or conviction occur during the term of the Grant contract.

BSCC also requires that all grant recipients include, as a condition of award to a subgrantee or subcontractor, a requirement that the subgrantee or subcontractor will provide the same assurances to the grant recipient. If a grant recipient wishes to consider a subgrantee or subcontractor that has been debarred or convicted, the grant recipient must submit a written request for exception to the BSCC along with supporting documentation.

By checking the following boxes and signing below, applicant affirms that:

I/We are not currently debarred by any federal, state, or local entity from applying for or receiving federal, state, or local grant funds.

I/We have not been convicted of any crime involving theft, fraud, or embezzlement of federal, state, or local grant funds within the last three years. We will notify the BSCC should such debarment or conviction occur during the term of the Grant contract.

I/We will hold subgrantees and subcontractors to these same requirements.

A grantee may make a request in writing to the Executive Director of the BSCC for an exception to the debarment policy. Any determination made by the Executive Director shall be made in writing.

Appendix I: Local Evaluation Plan and Report

Preliminary Guidelines for the Local Evaluation Plan

The Adult Reentry Grant (ARG) Request for Proposals requires each grantee to submit a Local Evaluation Plan (LEP) to ensure that projects funded by the BSCC can be evaluated to determine their impact and effectiveness. The LEP should be developed prior to service delivery by program staff using a collaborative process that involves all relevant project community partners and interested parties. Grantees are encouraged to identify a researcher who can assist in the collaborative process of developing the LEP and guide the local evaluation throughout the grant funding period. These guidelines were developed to assist grantees in creating a LEP that, at a minimum, addresses the information defined below.

Implementing practices and strategies that can be supported by data should be a consideration wherever possible. BSCC is responsible for verifying that grant money is spent efficiently and on effective programs. Data is just one mechanism by which to do that. Your data results may be used to add to the body of knowledge regarding what works with the target populations. Therefore, be cognizant to collect appropriate and consistent data.

BSCC will make public the LEP submitted by each grantee. Plans may be posted to the BSCC website and/or developed into a statewide summary report to be shared with the Administration, the Legislature, and the public.

Cover Page

The cover page provides a descriptive report title, and identifies the grantees, authors, contact information, project time period, and funding source.

Project Background

- Provide information essential to understanding the project and the need for the project (history in the community, an explanation of activities and/or services, description of similar efforts in the region, description of how the activities and/or services address the need, etc.).
- For project components that involve participants:
 - Define the target population (e.g., gender, age, risk factors, prior involvement with the juvenile justice system).
 - Define the criteria used to determine participant eligibility of the target population.
 - Describe the process for determining which intervention(s) and/or services a participant needs and will receive.
- A description of the project goals and measurable objectives identified in the Project Work Plan of the proposal.

Process Evaluation Methods and Design

- The research design for the process evaluation.
- For project components that involve participants include:
 - The plan to document activities within the project and/or services provided to each participant (e.g., maintaining a database, signup sheets).

- How participants' progress will be tracked (e.g., start dates, attendance, dropouts, successful completions, progress milestones).
- For project components that do not involve participants, the plan to document activities (e.g., rental subsidies, housing assistance, transitional housing).
- How activity progress will be tracked (e.g., start dates, cases initiated/resolved, inspections, eradications and/or remediations).
- Process variables and how they will be defined and measured (tools/instruments used to collect the data and frequency of collection).
- How the process data will be collected, and the data source(s) used.
- The project-oversight structure and overall decision-making process for the project.
- How the project components will be monitored, determined effective, and adjusted as necessary.
- The plan for documenting activities performed by staff and contracted providers, if applicable.
- Procedures ensuring that the project will be implemented to fidelity, when applicable.
- How quantitative and qualitative process data will be analyzed. Describe the statistical tools used to analyze quantitative data (e.g., descriptive statistics, chi-square) and methods used for analyzing qualitative data (identifying themes, content analysis, etc.). You do not need to state the analysis type for each evaluation activity separately.

Outcome Evaluation Method and Design

- The research design for the outcome evaluation (e.g., pre-/post-test, mixed methods, comparison groups).
- A set of evaluation questions. These are the questions that the evaluation will answer. These shall include the goals and objectives from the original proposal and may also include more outcome-oriented questions.
- For project components that involve participants:
 - The estimated number of participants expected to receive each type of intervention/service.
 - The criteria for determining participant success in the project.
- The estimated number of activities expected to be accomplished.
- The criteria for determining activity completion and/or success in the project.
- Outcome variables and how they will be defined and measured (tools/instruments used to collect the data and frequency of collection).
- How the outcome data will be collected, the timing of data collection, and the data source(s) used.
- How quantitative and qualitative outcome data will be analyzed. Describe the statistical tools used to analyze quantitative data (e.g., descriptive statistics, chi-square) and methods used for analyzing qualitative data (identifying themes, content analysis, etc.). You do not need to state the analysis type for each evaluation activity separately.
- The strategy for determining whether outcomes are due to the project and not some other factor(s) unrelated to the project, including a description of a comparison group, when applicable.
- If multiple types of interventions will be employed, include a description of how the separate effects on outcome variables of each type of the intervention will be determined, if possible.

Project Logic Model

Provide a visual representation of the project depicting the logical relationships between the input/resources, activities, outputs, outcomes and impacts of the project.

Appendices (if applicable)

Include relevant supplementary evaluation and project materials in appendices. These may include, but are not limited to, data collection instruments, more detailed descriptions of activities and interventions, training materials, educational materials, operational definitions, additional analyses, and presentations.

Preliminary Guidelines for Local Evaluation Report

The Adult Reentry Grant (ARG) Request for Proposals requires each grantee to submit a 3-Year Local Evaluation Report (LER) to determine project results, document definitive evidence regarding the project's efficacy and overall impact and assess whether or not the project achieved its intended goals and objectives. The LER must be based on the Local Evaluation Plan (LEP) submitted at the start of the grant. Any modifications to the LEP must be explained. These guidelines were developed to assist grantees in writing a LER that at a minimum, addresses the required information defined below.

The LER will be the documentation for what your organization did with the support of grant funds. BSCC will use these reports to help verify that the grant money was invested wisely and to describe the impact the grant had on the participants. Assuming the projects have successful outcomes, other organizations may want to adopt the project strategies or interventions you have demonstrated to be effective. Therefore, the report should include enough information to allow other organizations to replicate them.

The BSCC will make public the LER submitted by each grantee. Reports may be posted to the BSCC website and/or developed into a statewide summary report to be shared with the Administration, the Legislature, and the public.

Cover Page

The cover page provides a descriptive report title, and identifies the grantees, authors, contact information, project time period, and funding source.
