Part I: Grant Information

Contact Information

This Request for Proposals (RFP) provides the information necessary to prepare proposals to the Board of State and Community Corrections (BSCC) for grant funds available through the Adult Reentry Grant Program. The BSCC staff cannot assist the applicant or its partners with the actual preparation of a proposal. Any technical questions concerning the RFP, the proposal process or programmatic issues must be submitted by email to: ARGWarmHandoff@bscc.ca.gov

The BSCC will accept and respond to questions about this RFP until February 1, 2021. Questions and answers will be posted on the BSCC website and updated periodically until February 4, 2021.

Background

The Adult Reentry Grant program provides funding for community-based organizations to deliver reentry services for people formerly incarcerated in state prison. The grant was initially established in the Budget Act of 2018 (Senate Bill 840, Chapter 29, Statutes of 2018) and additional funding was allocated to this effort through the Budget Act of 2019 (Assembly Bill 74, Chapter 23, Statutes of 2019). A total of 70 projects were awarded funding from this process and are currently underway (Appendices A and B respectively).

The Budget Act of 2020 (Assembly Bill 89, Chapter 7, Statutes of 2020) appropriated additional funding for the Adult Reentry Program in the amount of \$37,000,000 to be divided equally between Rental Assistance and Warm Handoff Programs and allocated as follows (Appendix C):

- \$17,575,000 for Rental Assistance
- \$17,575,000 for Warm Handoff Reentry Services
- \$1,850,000 to the BSCC for costs to administer the grant

This RFP will address only the funding available for the Warm Handoff Reentry Services component of the grant. Funding for the Rental Assistance Program component has been awarded separately outside of this Request for Proposals process.

Bidder's Conferences

Prospective applicants are invited, but not required, to attend a Bidder's Conference. The purpose of a Bidder's Conference is to answer technical questions from prospective bidders and provide clarity on RFP instructions. Details are listed below:

Friday, December 11, 2020 at 10:00 a.m.

Zoom Meeting link will be posted to BSCC website www.bscc.ca.gov.

Letter of Intent

Applicants interested in applying for the Adult Reentry Program are asked, but not required, to submit a non-binding Letter of Intent. These statements will aid the BSCC in planning for the proposal review process.

There is no formal template for the Statement of Intent, but it should be submitted via email and include the following information:

- Name, address, and telephone number of the Community-Based Organization; and
- Name and contact information of the Executive Director or like position.

Failure to submit a Letter of Intent is not grounds for disqualification. Further, prospective Applicants that submit a Statement of Intent and decide later not to apply will not be penalized.

Please submit your non-binding Statement(s) of Intent by **January 8, 2021** via email to:

ARGWarmHandoff@bscc.ca.gov

(Subject line: Adult Reentry Program Statement of Intent – [Name of CBO])

Proposal Due Date and Submission Instructions

Proposals must be received by 5:00 P.M. on Friday, February 5, 2021. Applicants must ensure the proposal package is signed with a digital signature OR a wet signature that is then scanned with the completed proposal package. Submit completed proposal packages via email to: ARGWarmHandoff@bscc.ca.gov

If the BSCC does not receive the proposal package on or before the due date and time noted above, the proposal will not be considered.

Executive Steering Committee

Adult Reentry Grant Program Executive Steering Committee

To ensure successful program design and implementation, the BSCC uses Executive Steering Committees to inform decision making related to the Board's programs. BSCC's Executive Steering Committees (ESCs) are composed of subject matter experts and stakeholders representing both the public and private sectors. The BSCC makes every attempt to include diverse representation on its ESCs, in breadth of experience, geography and demographics. ESCs are convened and approved by the BSCC Board, as the need arises, to carry out specified tasks, including the development of RFPs for grant funds. ESCs submit grant award recommendations to the BSCC Board and the Board then approves, rejects, or revises those recommendations. Members of the ESCs are not paid for their time but are reimbursed for travel expenses incurred to attend meetings.

Pursuant to SB 840, the BSCC was required to form an ESC with members from relevant state agencies and departments with expertise in public health, housing, workforce

development, and effective rehabilitative treatment for people returning from prison to develop grant-program criteria and make recommendations to the board regarding grant awards. Representatives were to include but were not limited to the:

- Department of Housing and Community Development;
- Office of Health Equity, California Department of Public Health;
- County Probation;
- Representatives of reentry-focused community-based organizations;
- Criminal justice impacted individuals; and
- Representatives of housing-focused community-based organizations.

Throughout the ESC process, there have been opportunities for stakeholder and public input into the development of the Adult Reentry grant program. For a list of ESC members see General RFP Appendix D.

The content and design of the RFP as developed by the ESC remains in place for this second round of funding for the Adult Reentry Grant Warm Handoff Reentry Services program. A Scoring Panel will be used to read, score, and develop funding recommendations for the BSCC Board.

Conflicts of Interest

Existing law prohibits any grantee, subgrantee, partner or like party who will participate on the Adult Reentry Grant Program Scoring Panel from receiving funds awarded under this RFP. Applicants who are awarded grants under this RFP are responsible for ensuring that no grant dollars are passed through to any entity represented by any member of the Adult Reentry Grant Program Scoring Panel.

Description of the Grant

Grant Period

Successful proposals will be funded for approximately three years and 7 months commencing July 1, 2021 and ending February 28, 2025.

Eligibility to Apply

Eligible applicants are Community-Based Organizations (CBOs) located in the State of California that have been determined by the IRS to have 501(c)(3) status (i.e., nonprofit). Verification of applicant's status as a 501(c)(3) must be submitted with the California Secretary of State database. <https://businesssearch.sos.ca.gov/>

Eligibility is limited to Community-Based Organizations that have not yet received \$500,000 in ARG Warm Handoff funding, including those candidates that applied for less than \$500,000 in the previous round of funding. To clarify, eligibility requirements are as follows:

- Applicants that applied in Round 1 and did not receive a conditional award **are eligible** to submit a new application in this current round of funding;
- A Warm Handoff applicant that applied for and was awarded less than \$500,000 **is eligible** to compete in this round of funding and may receive the difference between the amount received and \$500,000. For example, if an applicant applied

for \$300,000 in the first round, the applicant may apply for \$200,000 in this round. An applicant may only receive a total of \$500,000 combined for both rounds of funding;

- A Warm Handoff applicant that was conditionally awarded \$500,000 in the previous award period **is not eligible** to apply for this round of funding

Nonprofit CBOs may partner with other Non-Governmental Organizations (NGOs). However, only one nonprofit CBO can be the applicant and will be responsible for all aspects of grant administration and management.

NGOs include: nonprofit CBOs, for-profit CBOs, faith-based organizations (FBOs), evaluators (except government institutions such as universities), grant management companies and any other non-governmental agency or individual.

The applicant must have been duly organized, in existence, and in good standing as of November 20, 2019.

Any partnering NGO that receives Adult Reentry Grant Program funds as a subgrantee, grantee, or subcontractor must:

- Have been duly organized, in existence, and in good standing at least six months before entering into a fiscal agreement with the BSCC grantee;
- In either instance (applicant or partner) Non-governmental entities that have recently reorganized or have merged with other qualified non-governmental entities that were in existence prior to the six-month date are also eligible, provided all necessary agreements have been executed and filed with the California Secretary of State prior to the start date of the grant agreement or subcontract
- In addition, all NGOs must meet the following additional requirements:
 - Be registered with the California Secretary of State's Office, if applicable;
 - Have a valid business license, if required by the applicable local jurisdiction;
 - Have a valid Employer Identification Number (EIN) or Taxpayer ID (if sole proprietorship);
 - Have any other state or local licenses or certifications necessary to provide the services requested (e.g., facility licensing by the Department of Health Care Services), if applicable; and
 - Have a physical address.

An eligible applicant may not submit more than one proposal for Warm Handoff Reentry Services.

Two or more organizations may submit a joint sub-proposal; however, a nonprofit CBO must be the Lead agency and applicant responsible for all aspects of grant administration and management.

An eligible applicant with multiple field offices or satellite projects may submit one proposal covering all (or multiple) field offices and satellite projects.

Target Population

The target population identified in SB 840 are people who have been formerly sentenced to and released from state prison. This includes people leaving state prison that are on parole or those monitored by the probation departments of each county through Post-Release Community Supervision (PRCS).

Housing First Approach to Service Delivery

Senate Bill (SB)1380 (General RFP Appendix B) chaptered September 29, 2016 and effective January 1, 2017, requires a state agency that funds, implements, or administers a state program that provides housing or housing-related services to people experiencing homelessness or at risk of homelessness, to adopt guidelines and regulations to include Housing First policies.

It is important for applicants to be aware that SB 1380 applies to the Adult Reentry Grant Program. As such, this will require applicants proposing projects that include housing or housing-related services to people experiencing homelessness or at-risk of homelessness to incorporate the core components of Housing First in their proposed program design.

Housing First is an approach to serving people experiencing homelessness that recognizes a homeless person must first be able to access a decent, safe place to live, that does not limit length of stay (permanent housing), before stabilizing, improving health, reducing harmful behaviors, or increasing income. Under the Housing First approach, anyone experiencing homelessness is connected to a permanent home as quickly as possible and Housing First programs remove barriers to accessing housing and do not require sobriety or an absence of criminal history. It is based on the “hierarchy of need” in which people must access basic necessities like a safe place to live and food to eat before being able to achieve quality of life or pursue personal goals. Housing First values choice not only in where to live, but whether to participate in services. For this reason, tenants are not required to participate in services to access or retain housing.¹

Pursuant to SB 1380, the “core components of Housing First includes all of the following:

- 1) Tenant screening and selection practices that promote accepting applicants regardless of their sobriety or use of substances, completion of treatment, or participation in services.
- 2) Applicants are not rejected on the basis of poor credit or financial history, poor or lack of rental history, criminal convictions unrelated to tenancy, or behaviors that indicate a lack of “housing readiness.”
- 3) Acceptance of referrals directly from shelters, street outreach, drop-in centers, and other parts of crisis response systems frequented by vulnerable people experiencing homelessness.
- 4) Supportive services that emphasize engagement and problem solving over therapeutic goals and service plans that are highly tenant-driven without predetermined goals.
- 5) Participation in services or program compliance is not a condition of permanent housing tenancy.

¹ <http://hcd.ca.gov/grants-funding/active-funding/docs/Housing-First-Fact-Sheet.pdf>

- 6) Tenants have a lease and all the rights and responsibilities of tenancy, as outlined in California's Civil, Health and Safety, and Government codes.
- 7) The use of alcohol or drugs in and of itself, without other lease violations, is not a reason for eviction.
- 8) In communities with coordinated assessment and entry systems, incentives for funding promote tenant selection plans for supportive housing that prioritize eligible tenants based on criteria other than "first-come-first-serve," including, but not limited to, the duration or chronicity of homelessness, vulnerability to early mortality, or high utilization of crisis services. Prioritization may include triage tools, developed through local data, to identify high-cost, high-need homeless residents.
- 9) Case managers and service coordinators who are trained in and actively employ evidence-based practices for client engagement, including, but not limited to, motivational interviewing and client-centered counseling.
- 10) Services are informed by a harm-reduction philosophy that recognizes drug and alcohol use and addiction as a part of tenants' lives, where tenants are engaged in nonjudgmental communication regarding drug and alcohol use, and where tenants are offered education regarding how to avoid risky behaviors and engage in safer practices, as well as connected to evidence-based treatment if the tenant so chooses.
- 11) The project and specific apartment may include special physical features that accommodate disabilities, reduce harm, and promote health and community and independence among tenants."

Grantees awarded funding under the Adult Reentry Grant Program are required to support these core components of the Housing First model. They will be woven throughout the RFP and incorporated into the rating criteria. Applicants should develop proposals that reflect these principles to the extent that their projects include housing related services. Please note that programs that provide "recovery housing" do not have to comply with paragraphs (5) through (7) above. (Welf. & Inst. Code, § 8256, subd (c)(3)(B).) "Recovery housing" means sober living facilities and programs that provide housing in an abstinence-focused and peer-supported community if participation is voluntary, unless that participation is pursuant to a court order or is a condition of release for individuals under the jurisdiction of a county probation department of the Department of Corrections and Rehabilitation. (Welf. & Inst. Code, §8256, subd, (c)(3)(A).)

Eligible Activities

The statutory language authorizing the Adult Reentry Grant Program does not specify the types of Warm Handoff reentry services to be funded. Applicants should select programs that best fit the needs of the community. Additionally, the ESC has placed a priority on services that lead to permanent housing and the provision of critical-time intervention that meets the immediate needs of individuals upon their release from prison or from placement by parole in residential treatment.

Grant funds may be used to implement new activities and programs and/or augment existing funds dedicated to a project but may not replace or supplant funds that have been appropriated for the same purpose.

If the proposal includes collaboration and active involvement with a local government agency for which their agreement is needed, a letter of support signed by the agency head must be received from the agency and an ARG General Assurance of Government Organization Agreement must be signed by the applicant's authorized officer (Appendix E).

Adult Reentry Program grant funds may not be used for the acquisition of real property. For information on eligible and ineligible costs, refer to the *BSCC Grant Administration Guide*, found on the BSCC [website](#).

The table below includes *examples* of the types of Warm Handoff Reentry related services that could be funded by this grant. The list is not exhaustive and applicants are not required to implement these specific services. They are offered as suggestions only.

Funding Information

A total of \$17,575,000 is available for Warm Handoff Reentry Services. Eligible applicants will be allowed to request up to a maximum amount of \$500,000 for the entire grant period. Warm Handoff applicants are encouraged to request only the amount of funds needed to support their proposal and not base the request on the maximum allowed. **No match is required.**

Use of Effective Programs

The BSCC is committed to supporting a focus on better outcomes in the criminal justice system and for those involved in it. Applicants that seek funding through this grant process should use research and data driven decision-making in the development, implementation, and evaluation of their grant-funded projects.

The extent to which an applicant can demonstrate that the program and/or activities they have chosen has been shown to be the effective will be evaluated as a part of the rating process. In developing a proposal, it may be helpful for applicants to consider the following questions:

- 1. Is there evidence or data to suggest that the program is likely to work, i.e., produce a desired benefit?** *For example, was the program you selected used by another setting with documented positive results? Is there published research on the program you are choosing to implement showing its effectiveness? Is the program being used by another organization with a similar problem and similar target population?*
- 2. Once the program is selected, will you be able to demonstrate that it is being carried out as intended?** *For example, does this program provide for a way to monitor quality control or continuous quality improvement? If this program was implemented elsewhere, are there procedures in place to ensure that you are following the model closely (so that you are more likely to achieve the desired outcomes)?*
- 3. Is there a plan to collect evidence or data that will allow for an evaluation of whether the program “worked?”** *For example, will the program you selected allow for the collection of data or other evidence so that outcomes can be measured at the conclusion of the project? Do you have processes in place to identify, collect and analyze that data/evidence?*

Applicants are encouraged to develop a project that incorporates these evidence-informed principles but is tailored to fit the needs of the communities they serve. For additional information and resources related to evidence-based practices and data driven decision making see General RFP Appendix F.

General Grant Requirements

Grant Agreement

Applicants approved for funding by the BSCC Board are required to enter into a Grant Agreement with the BSCC. Grantees must agree to comply with all terms and conditions of the Grant Agreement.

See General RFP Appendix G for a sample grant agreement (*State of California: Contract and General Terms and Conditions*). The terms and conditions of the grant agreement may change before execution.

The Grant Agreement start date is expected to be July 1, 2021. Contracts are considered fully executed only after they are signed by both the Grantee and the BSCC. Work, services, and encumbrances cannot begin prior to the Grant Agreement start date. Work, services, and encumbrances that occur after the start date but prior to contract execution may not be reimbursed. Grantees are responsible for maintaining their Grant Agreement, all invoices, records, and relevant documentation for at least three years after the final payment under the contract.

Governing Board Resolution

Applicants must submit a resolution from their governing board that the individual signing the application for Adult Reentry Grant funding is authorized on behalf of the governing

board to submit the grant proposal for this funding and sign the Grant Agreement with the BSCC, including any amendments thereof.

Supplanting

BSCC grant funds shall be used to support new program activities or to augment existing funds that expand current program activities. BSCC grant funds shall not be used to replace existing funds. Supplanting is strictly prohibited for all BSCC grants. When using outside funds as match, applicants must be careful not to supplant. Supplanting is the deliberate reduction in the amount of federal, state, or local funds being appropriated to an existing program or activity because grant funds have been awarded for the same purposes.

It is the responsibility of the Grantee to ensure that supplanting does not occur. The Grantee must keep clear and detailed financial records to show that grant funds are used only for allowable costs and activities.

Audit Requirements

Although state-funded grants do not have an audit requirement, unless specifically stated in state law or regulations, the BSCC reserves the right to call for a program or financial audit at any time between the execution of the contract and three (3) years following the end of the grant period.

The California State Auditor, the California Department of Finance- Office of State Audits & Evaluation, the California State Controller's Office, or their designated representative shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this grant.

Grantees are required to provide the BSCC with a financial audit that covers the service delivery period of the grant (July 1, 2021 through February 28, 2025). The audit report will be due no later than August 31, 2025. The financial audit shall be performed by a Certified Public Accountant. Expenses for the final audit may be reimbursed for actual costs up to \$25,000.

Funding Disbursement and Invoices

The BSCC will disburse one-third of awarded funds within 75 days of the execution date set forth in the grant agreement to the grantee. The grantee shall agree to deposit grant funds into a banking account established by the grantee and the grant funds shall not be comingled with any other funds. Any interest earned on the account may only be used for allowable expenses during the grant period. Grantees shall only use grant funds for allowable costs and shall provide invoices and supporting documentation to the BSCC quarterly. When a grantee expends 80% of the disbursed funds and has submitted the required documentation of those expenditures to the BSCC, and provided the grantee has met the other terms and conditions of the grant, the BSCC will disburse an additional one-third of the award under the same terms and conditions. The final one-third of the award shall be disbursed after a grantee expends 80% of the total disbursed funds. Any unspent funds remaining at the end of the grant period must be returned to the BSCC. Special requests for increased disbursement amounts should be submitted in writing to the Field Representative and will be considered on a case by case basis.

Applicants should be aware that budget proposals recommended for funding by the Scoring Panel and awarded by the Board, will still be subject to review and approval by

the BSCC staff to ensure all proposed costs listed within the budget narrative are allowable and eligible for reimbursement with Adult Reentry Grant funds. Regardless of any ineligible costs that may need to be addressed post award, the starting budget for the reimbursement invoices and the total amount requested will be the figures used for the contract/Standard Agreement.

Grantees must submit invoices with supporting documentation to the BSCC on a quarterly basis within 45 days following the end of the reporting period through an online process. Grantees must maintain adequate supporting documentation for all costs claimed on invoices for reimbursement. For additional information, refer to the *BSCC Grant Administration Guide*, found on the BSCC [website](#).

Quarterly Progress Reports

Grant award recipients are required to submit quarterly progress reports to the BSCC. Progress reports are a critical element in BSCC's monitoring and oversight process. Grantees that are unable to demonstrate that they are making sufficient progress toward project goals and objectives and that funds are being spent down in accordance with the Grant Award Agreement could be subject to the withholding of funds. Once grants are awarded, BSCC will work with grantees to create custom progress reports. Applicable forms and instructions will be available to grantees on the BSCC's website.

Grantee Orientation Process

Following the start of the grant period, BSCC staff will conduct a Grantee Orientation in Sacramento or via Zoom (at a date to be determined later). The purpose of this mandatory session is to review the program requirements, invoicing and budget modification processes, data collection and reporting requirements, as well as other grant management and monitoring activities. Typically, the Project Director, Financial Officer, Day-to-Day Contact, and major service providers attend. Grant recipients may use grant funds for travel-related expenditures such as airfare, mileage, meals, lodging and other per diem costs. Applicants should include anticipated costs in the budget section of the proposal under the "Other" category.

Travel

Travel is usually warranted when personal contact by project staff is the most appropriate method of conducting project-related business. Travel to and from training conferences may also be allowed. The most economical method of transportation, in terms of direct expenses to the project and the employee's time away from the project, must be used. Projects are required to include sufficient per diem and travel allocations for project-related personnel, as outlined in the Grant Award, to attend any mandated BSCC training conferences or workshops outlined in the terms of the program.

- **Community-Based Organizations (CBOs)**: A CBO receiving BSCC funds must use the State travel and per diem policy, unless the Grantee's written travel policy is more restrictive than the State's, in which case it must be used. Reimbursement is allowed for the cost of commercial carrier fares, parking, bridge, and road tolls, as well as necessary taxi, bus, and streetcar fares. This policy also applies to NGOs that subcontract with a CBO receiving a BSCC grant award.

Out-of-State Travel

Out-of-state travel is restricted and only allowed in exceptional situations. Grantees must receive written BSCC approval prior to incurring expenses for out-of-state travel. Even if

previously authorized in the Grant Award, Grantees must submit to the BSCC a separate formal request (on Grantee letterhead) for approval. Out-of-state travel requests must include a detailed justification and budget information. In addition, California prohibits travel, except under specified circumstances, to states that have been found by the California Attorney General to have discriminatory laws. The BSCC will not reimburse for travel to these states unless the travel meets a specific exception under Government Code section 11139.8, subdivision (c). For additional information, please see: <https://oag.ca.gov/ab1887>.

Debarment, Fraud, Theft, or Embezzlement

It is the policy of the BSCC to protect grant funds from unreasonable risks of fraudulent, criminal, or other improper use. As such, the Board will not enter into contracts or provide reimbursement to applicants that have been:

1. debarred by any federal, state, or local government entities during the period of debarment; or
2. convicted of fraud, theft, or embezzlement of federal, state, or local government grant funds for a period of three years following conviction.

Furthermore, the BSCC requires grant recipients to provide an assurance that there has been no applicable debarment, disqualification, suspension, or removal from a federal, State, or local grant program on the part of the grantee at the time of application and that the grantee will immediately notify the BSCC should such debarment or conviction occur during the term of the Grant contract.

BSCC also requires that all grant recipients include, as a condition of award to a subgrantee or subcontractor, a requirement that the subgrantee or subcontractor will provide the same assurances to the grant recipient. If a grant recipient wishes to consider a subgrantee or subcontractor that has been debarred or convicted, the grant recipient must submit a written request for exception to the BSCC along with supporting documentation.

All applicants must complete General RFP Appendix H certifying that they are in compliance with the BSCC's policies on debarment, fraud, theft, and embezzlement.

Compliance Monitoring Visits

BSCC conducts compliance monitoring visits to grantees during the term of the grant. For your reference, a Sample Compliance Monitoring Visit Checklist is contained in General RFP Appendix I.

Overview of the RFP Process

Confirmation of Receipt of Proposal

Upon submission of a proposal, applicants will receive a confirmation email from the BSCC stating that the proposal has been received. The email will be sent to the individual that signed the application and the person listed as the Project Director.

Scoring Process

Rating Factors

Shown in the table below are four (4) Rating Factors and the maximum points assigned to each factor. A percent value is assigned to each of the four (4) rating factors, correlating to its importance (see Percent of Total Value Column).

Adult Reentry Program Rating Factors and Scoring System

	Rating Factors	Point Range	Percent of Total Value	Weighted RF Score
1	Program Need	0-5	30%	45
2	Program Description	0-5	40%	60
3	Organizational Capacity and Coordination	0-5	20%	30
4	Budget Section	0-5	10%	15
Maximum Possible Proposal Score:			100%	150

Raters will assign points to an applicant's response in each of these rating factors on a scale of 0 – 5, according to the rating scale shown below. The points allocated to each rating factor are weighted according to the Percent of Total Value to arrive at the Weighted RF Score. The Weighted RF scores are summed to calculate the overall score for each proposal. The maximum possible proposal score is 150.

Threshold/Minimum Score

Principles of Effective Intervention

During the past two decades, there has been renewed interest in examining correctional research. These efforts have been led by researchers such as Gendreau, Andrews, Cullen, Lipsey and others.² Much evidence has been generated, leading to the conclusion that many rehabilitation programs have, in fact, produced significant reductions in recidivism. The next critical issue became the identification of those characteristics most commonly associated with effective programs. Through the work of numerous scholars (Andrews et al., 1990³; Cullen and Gendreau, 2000⁴; Lipsey 1999⁵), several “principles of effective intervention” have been identified. These principles can be briefly categorized as the following:

- Assess Actuarial Risk/Needs
- Enhance Intrinsic Motivation
- Target Interventions
 - Risk Principle
 - Need Principle
 - Responsivity Principle
 - Dosage
 - Treatment Principle
- Skill Train with Directed Practice
- Increase Positive Reinforcement
- Engage Ongoing Support in Natural Communities
- Measure Relevant Processes/Practices
- Provide Measurement Feedback

Goal versus Objective for Use in Developing the Sub- Proposal Work Plans

Goals and objectives are terms in common use, sometimes used interchangeably because both refer to the intended results of program activities. Goals are longer-term than objectives, more broadly stated and govern the specific objectives to which program activities are directed.

In proposals, goals are defined by broad statements of what the program intends to accomplish, representing the long-term intended outcome of the program⁶.

Examples of goal statements⁷:

- To reduce the number of youth who commit serious and chronic offenses.

⁷ *Id.* at p. 4.

- To divert people from state correctional institutions for non-violent offenses.
- To restore the losses suffered by the victims of crimes.

Objectives are defined by statements of specific, measurable aims of program activities⁸. Objectives detail the tasks that must be completed to achieve goals⁹. Descriptions of objectives in the proposals should include three elements¹⁰:

- 1) Direction – the expected change or accomplishment (e.g., improve, maintain);
- 2) Timeframe – when the objective will be achieved; and
- 3) Target Population– who is affected by the objective.

Examples of program objectives¹¹:

- By the end of the program, drug-addicted youth under the age of 17 will recognize the long-term consequences of drug use.
 - To place eligible youth in an intensive supervision program within two weeks of adjudication to ensure offender accountability and community safety.
- To ensure that youth who have harmed others, and have agreed to participate in the program, carry out all the terms of the mediation agreements they have worked out with their victims by program completion.

Harm Reduction

Harm reduction is a set of practical strategies that reduce negative consequences of drug use. It incorporates a spectrum of strategies that move through stages of safer use, managed use, and abstinence. Harm reduction strategies meet drug users “where they’re at,” addressing conditions of use with the use itself. It can also be used to address other behavioral health concerns.

Harm Reduction Principles:

- The individual has a voice in the process and identifies goals and a path to achieve them
- Workers raise awareness of risk and strategies to reduce harm
- The focus is on reducing harm, not consumption
- There are no pre-defined outcomes
- Abstinence may be a goal but alternatives to reduce risk are equally valued
- The Individual’s decisions to engage in risky behaviors is accepted
- Does not condone risk that can cause serious harm
- The individual is expected to take responsibility for his or her own behavior
- The individual is treated with dignity
- Recovery is a non-linear process
- Services are highly accessible: low barriers, informal atmosphere, extended hours¹²

General RFP Appendix H: Certification of Compliance with BSCC Policies Regarding Debarment, Fraud, Theft, and Embezzlement

It is the policy of the BSCC to protect grant funds from unreasonable risks of fraudulent, criminal, or other improper use. As such, the Board will not enter into contracts or provide reimbursement to applicants that have been:

1. debarred by any federal, state, or local government entities during the period of debarment; or
2. convicted of fraud, theft, or embezzlement of federal, state, or local government grant funds for a period of three years following conviction.

Furthermore, the BSCC requires grant recipients to provide an assurance that there has been no applicable debarment, disqualification, suspension, or removal from a federal, state, or local grant program on the part of the grantee at the time of application and that the grantee will immediately notify the BSCC should such debarment or conviction occur during the term of the Grant contract.

BSCC also requires that all grant recipients include, as a condition of award to a subgrantee or subcontractor, a requirement that the subgrantee or subcontractor will provide the same assurances to the grant recipient. If a grant recipient wishes to consider a subgrantee or subcontractor that has been debarred or convicted, the grant recipient must submit a written request for exception to the BSCC along with supporting documentation.

By checking the following boxes and signing below, applicant affirms that:

I/We are not currently debarred by any federal, state, or local entity from applying for or receiving federal, state, or local grant funds.

I/We have not been convicted of any crime involving theft, fraud, or embezzlement of federal, state, or local grant funds within the last three years. We will notify the BSCC should such debarment or conviction occur during the term of the Grant contract.

I/We will hold subgrantees and subcontractors to these same requirements.

A grantee may make a request in writing to the Executive Director of the BSCC for an exception to the debarment policy. Any determination made by the Executive Director shall be made in writing.
