PART I: GRANT INFORMATION

Grant Program Background

The Juvenile Justice and Delinquency Prevention Act (JJDP) is the federal statute that establishes the Title II Grant Program. The U.S. Office of Juvenile Justice and Delinquency Prevention (OJJDP) administers the grant, in part, by awarding grants to states to support delinquency prevention and juvenile justice system improvement. The Board of State and Community Correction (BSCC) is the state agency that receives and administers California's Title II award. The BSCC must competitively award funds to units of local government, nonprofit, nongovernmental organizations (NGOs) (referred to as local private agencies in the JJDP), or Indian tribes consistent with the purpose and intent of the JJDP and California's Title II State Plan.

OJJDP requires states that receive Title II awards to establish a State Advisory Group to advise on Title II activities. In California, this State Advisory Group is the State Advisory Committee on Juvenile Justice and Delinquency Prevention (SACJJDP). The SACJJDP is a governor-appointed committee serving as a standing BSCC Executive Steering Committee (ESC) that works on behalf of the Governor to support policy and programs that improve outcomes for young people in the justice system. SACJJDP developed California's 2018-2020 State Plan, which was then approved by the Board and accepted by OJJDP. This grant program will fulfill the goals and objectives of this State Plan and JJDP requirements.

For more information about SACJJDP and the Title II State Plan click here: http://www.bscc.ca.gov/s_sacjdp.php

This Title II grant will fund:

1. Aftercare/Reentry
2. Alternatives to Detention
3. Community-Based Programs & Services
4. Diversion
5. Mental Health Services
6. Mentoring, Counseling & Training Programs

This grant will also target the reduction of the overrepresentation of youth of color in contact with the juvenile justice system.

In addition, funds from the Title II Grant program have been set aside for federally recognized tribal governments that serve tribal youth. That funding will be awarded through a separate RFP process.

This Title II Grant cycle will be funded from California's Federal Fiscal Year (FFY) 2018, 2019 and 2020 awards. The FFY 2018 amount available for this RFP is \$3,991,561. Amounts for FFY 2019 and FFY 2020 are not yet known. All grant awards are contingent upon California receiving its FFY 2018, 2019 and 2020 awards.

Contact Information

This Request for Proposals (RFP) provides the information necessary to prepare a proposal to SACJJDP and BSCC for grant funds available through the Title II Grant Program.

The BSCC staff cannot assist the applicant or its partners with the actual preparation of the proposal. Any technical questions concerning the RFP, the proposal process, or programmatic issues must be submitted by email to: jj_grants@bscc.ca.gov

The BSCC will accept and respond to questions about this RFP until August 9, 2019. Frequent questions and answers (FAQs) concerning this RFP process and the Title II application for funding will be posted on the BSCC website and updated periodically through August 9, 2019.

Proposal Due Date and Submission Instructions

Applicants must submit one original signed Proposal and one electronic copy of the original signed Proposal.

The signed Proposal must be received by the BSCC by **5:00 p.m. on August 9, 2019.**

Acceptable formats include Microsoft Word, Microsoft Word Open XML Format Document, Portable Document Format (PDF) or Google Docs.

Note: While the BSCC expects both the original hard copy and electronic version to be received by the date and time listed above, the application will not automatically be disqualified so long as either the hard copy or electronic version is received by the due date and as long as both are received in a reasonable time and are identical.

If the BSCC does not receive either the original hard copy or the electronic version until after the due date and time, the proposal will not be considered, regardless of postmark date.

Target Population

The target population for the Title II Grant Program are juveniles that are under the age of 26.

Title II 2018-2020 State Plan

This Title II Grant Program intends to provide alternatives to detention, promote youth safety and well-being while in custody and identify and support successful and emerging reentry models. It intends that in-custody programs focus on rehabilitation and building individual strengths instead of punishment for past mistakes and deficits. It intends that California's disproportionate representation of youth of color in the juvenile justice system be addressed. Funded programs should be:

- Consistent with the Title II 2018-2020 State Plan
- Promising, data-driven, and innovative
- Include individualized case plans that are family-based
- Culturally responsive
- Locally relevant, and
- Offer measurable outcomes.

Grant Program Description

Eligible applicants¹

Applicants for Title II Grant Program awards must be one of the following:

1. Units of local government (including individual agencies or departments within a City and County or a School District);
2. Private nonprofit agencies, organizations, or institutions; or
3. Federally recognized Indian tribes.

Definition of Lead Agency

Two or more applicants may partner to submit a joint proposal, but one must be designated as Lead Agency for contracting purposes. An applicant may not apply as Lead Agency for more than one proposal.

¹ See Appendix A.

Non-lead agencies (including NGOs) may serve as a partner on more than one proposal. All NGOs must meet the eligibility criteria in Appendix C, “Criteria for Non-Governmental Organizations Receiving Title II Grant Program Funds”.

Eligible Activities – Program Purpose Areas

Consistent with the 2018-2020 Title II State Plan, the Title II Grant Program funds must be used to support the following OJJDP Program Purpose Areas, as defined by OJJDP. Each application must identify at least one of the following six program purpose areas for the proposed program.

- Aftercare/Reentry
- Alternatives to Detention and Placement
- Community Based Programs
- Diversion
- Mental Health Services
- Mentoring, Counseling, and Training Programs

The Goals and Objectives for each program purpose area are provided as context for the specific proposal requirements.

Aftercare/Reentry

Community-based programs that prepare targeted youth to successfully return to their homes and communities after confinement in a training school, youth correctional facility, or other secure institution. These programs focus on preparing youth for release and providing a continuum of follow-up, post-placement services to promote successful reintegration into the community.

Goal: Ensure that youth, upon entering a secure detention facility, are informed about and engaged in developing a robust reentry plan. This should be part of a comprehensive case planning process that addresses the most critical needs of the individual and provides a broad array of services.

Objectives:

- Increase the number of youth in custodial settings with individual case plans in place that incorporate robust reentry models/plans;
- Identify and support successful and emerging aftercare/reentry models;
- Examine strategies to incentivize successful reentry programs that also address basic needs such as housing, employment and mental health care.
- Increase the number of case plans, including reentry components, that consider the youth’s environment and rely on collaboration with families and local support systems; and
- Educate the public about the importance of affording youth a second chance.

Alternatives to Detention and Placement

These are community- and home-based alternatives to incarceration and institutionalization, including for youth who need temporary placement such as crisis

intervention, shelter, and aftercare, and for youth who need residential placement such as a continuum of foster care or group home alternatives that provide access to a comprehensive array of services.

Goal: Reduce the number of youth arrested and held in secure juvenile facilities.

Objectives:

- Expand the use of and increase the options for holistic alternatives to arrest, detention and out of home placement;
- Increase awareness regarding the detrimental effect of arrest and incarceration on youth;
- Build strategic local partnerships that will serve to increase the awareness and use of effective alternatives to arrest, detention and placement; and
- Create a vehicle for community-based, self-esteem-building and healing-centered alternatives to arrest, detention and placement.

Community Based Programs

Designed to include Parents and other family members to strengthen families and to help keep youth in the home; programs support youth and their families during and after confinement to ensure the youth's safe return to the home and to strengthen the families; and can be designed for parents with limited English-speaking ability.

Goal: Increase the availability of, and access to, community-based and community-run programs and services that help youth, and their families, who are at risk of entering the juvenile justice system or have already entered the system.

Objectives:

- Increase access to community-based and community-run support programs and services for youth, parents and families;
- Promote community-defined success through effective, culturally relevant and gender responsive evaluation strategies and policies;
Expand cultural and linguistic services for youth, parents and families; and Foster collaboration between community-based and community-run providers and justice system agencies including law enforcement, probation, and the courts.

Diversion

Programs to divert youth from entering the juvenile justice system, including restorative justice programs such as youth or teen courts, victim-inmate mediation, and restorative circles.

Goal: Increase the number of youth diverted from the juvenile justice system.

Objectives:

- Increase the availability and use of diversion practices and programs;

- Use evidence-based assessments that increase objectivity and reduce implicit bias in decision making; and
- Expand awareness and resources for effective non-arrest alternatives, including restorative justice programs, that teach youth to accept responsibility for their actions.

Mental Health Services

Programs providing mental health services for youth in custody in need of such services, including but not limited to assessment, development of individualized treatment plans, and discharge plans.

Goal: Divert youth with mental health issues or concerns from arrest and from the juvenile justice system whenever possible. Employ a holistic approach to improving, increasing and leveraging the mental health services available to youth who are in the juvenile justice system.

Objectives:

- Increase early identification of youth with mental health concerns;
- Enhance access to appropriate mental health services especially youth transitioning from custody back to the community;
- Reduce the number of youth in the justice system with unmet mental health needs;
- Encourage mental health treatment that is sensitive to cultural, social, gender, and racial/disparity issues, that employs a holistic approach, and that reduces stigma.

Mentoring, Counseling, and Training Programs

Programs to develop and sustain a one-to-one supportive relationship between a responsible adult age 18 or older (a mentor) and an at-risk youth, a youth who has offended, or a youth who has contact with a parent or legal guardian who is or was incarcerated and contact is on a regular basis (a mentee). These programs may support academic tutoring, vocational and technical training, and drug and violence prevention counseling.

Goal: Promote culturally relevant mentoring, counseling and training programs that enhance resilience and empower youth.

Objectives:

- Increase mentor recruitment and development to foster more mentor-mentee matches;
- Expand opportunities for youth to participate in drug and violence prevention counseling; and
- Increase vocational and technical training opportunities.

Project Cycle and Funding Information

Grant Period

Successful applicants will be funded for a three-year grant cycle with the first year of the grant cycle anticipated to commence on December 1, 2019 and run through November 30, 2022.

Funding Availability

Successful applicants will be funded subject to California receiving federal Title II funding for the next (3) three years. In addition to this funding contingency, funding is contingent upon adherence to federal guidelines, Title II RFP and BSCC grant agreement requirements and applicable statutes, and the grantee's ability to demonstrate that progress is being made towards its proposal goals and objectives.

\$3,991,561 is anticipated to be available statewide for the first year of the grant cycle. Funding and amounts for the second year (December 1, 2020 - November 30, 2021) and

the third year (December 1, 2021 – November 30, 2022) are contingent on OJJDP Title II awards and amounts not yet known.

The maximum amount of funding available per grant annually is \$350,000. Applicants must apply for the same amount of funding for all three years (e.g., first year: \$350,000, second year: \$350,000, and third year: \$350,000; totaling \$1,050,000 for a three-year period). Grantees may be able to carry unspent funds into the next calendar year, with prior BSCC approval, but it is extremely important that applicants plan and budget carefully and apply only for the amount of funding they can reasonably spend each year of the three-year grant period.

Applicants are required to request only the amount of funds needed to support their proposal and not base the request solely on the maximum allowed annually (\$350,000).

Funding Distribution & Funding Thresholds

Applicants must receive at least 66% of the total points available to be considered for funding. These eligible applicants will compete in one category. However, as described below, funding shall be prioritized so that (1) at least one “small population” proposal will be funded and (2) each of the six priority categories listed on page 1 of this RFP will be funded. These two funding priorities will be implemented as follows:

1. Highest Scoring “Small County Population” Proposal: The highest scoring proposal that meets the minimum scoring threshold submitted by an applicant entity located in a county with a population of less than 200,001 will be funded even if it scores lower than other proposals. Population shall be determined by using the 2018 population estimates published by the California Department of Finance (see Appendix D 2018 County Population Index). For an entity with more than one physical location, the address used on the applicant form shall be used to determine in which county the applicant is located.

2. Six Program Purpose Areas: Applicants will identify one or more Program Purpose Areas (PPAs) that their proposal will address on the Applicant Information Form. It is the intent of this grant to fund at least one proposal in each of the six PPAs. This means a proposal that funds a particular PPA may be funded even if the proposal scores lower than other proposals that fund different priority areas.

Match Requirement

The Title II Grant Program Grant does not require a match.

Pass-Through Requirement for Government Agencies and Tribes

Lead applicant government agencies or Indian Tribes are required to pass through a minimum of 70% of grant funding to at least one direct service provider. An Indian Tribe can satisfy the pass-through requirement if the Indian Tribe provides direct services. A direct service provider can be a non-governmental organization.

For purposes of the pass-through requirement, pass-through NGOs include: community-based organizations (CBOs), faith-based organizations (FBOs), non-profit organizations/501(c)(3)s, evaluators (except government institutions such as

universities), grant management companies and any other non-governmental agency or individual. Note: The criteria listed in Appendix C do not apply to government organizations (e.g. counties, cities, school districts, or federally recognized Indian tribes).

Supplanting

BSCC grant funds shall be used to support new program activities or to augment existing funds that expand current program activities. BSCC grant funds shall not be used to replace existing funds.

Supplanting is strictly prohibited for all BSCC grants. When using outside funds as match, applicants must be careful not to supplant. Supplanting is the deliberate reduction in the amount of federal, state, or local funds being appropriated to an existing program or activity because grant funds have been awarded for the same purposes.

It is the responsibility of the Grantee to ensure that supplanting does not occur. The Grantee must keep clear and detailed financial records to show that grant funds are used only for allowable costs and activities.

Project Evaluation Requirements

In addition to quarterly progress reports, projects selected for funding will be required to submit to the BSCC: (1) a Local Evaluation Plan (three [3] months post-award) and, (2) a Local Evaluation Report (three [3] months after the conclusion of the grant). See Appendix E Glossary of Terms, for key definitions related to project evaluation.

Local Evaluation Plan - The purpose of the Local Evaluation Plan (LEP) is to ensure that projects funded by the BSCC can be evaluated. Applicants will be expected to include a detailed description of how they plan to assess the effectiveness of the proposed program in relation to each of its goals and objectives identified in the proposal. The LEP should describe the evaluation design or model that will be used to evaluate the effectiveness of the project component(s), with the project goals and the objectives clearly stated. Applicants should include criteria for both process and outcome evaluations. Once submitted, any modifications to the LEP must be approved in advance by the BSCC. More detailed instructions on the LEP will be made available to successful applicants. See Appendix F for a sample of evaluation components.

To the extent the local evaluation plan involves research in which either: (1) data is obtained through intervention or interaction with an individual or (2) identifiable private information is obtained from program participants, the local evaluation plan must comply with the requirements of 28 C.F.R. Part 46. This includes compliance with all Office of Justice Programs policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent. For additional information on whether 28 C.F.R. Part 46 applies to your local evaluation plan, please see:

<https://ojp.gov/funding/Apply/Resources/ResearchDecisionTree.pdf>

Local Evaluation Report - Following project completion, grantees are required to complete a final Local Evaluation Report (LER) which must be in a format prescribed by the BSCC. The purpose of the final LER is to determine whether the overall project was effective in meeting the goals laid out in the LEP. To do this, the grantee must assess and document the effectiveness of the activities that were implemented. These activities should have been identified in the previously submitted LEP. More detailed instructions on the LER will be made available to successful applicants.

Applicants are strongly encouraged to identify research partners early on and include them in the development of the proposal, to better ensure that the goals and objectives listed in the proposal are realistic and measurable. Applicants are also strongly encouraged (but not required) to use outside evaluators to ensure objective and impartial evaluations. Specifically, applicants are encouraged to partner with state universities or community colleges for evaluations.

Evaluation planning, oversight, and reporting activities may be funded by up to 5% of the total Title II Grant Program award and can be included within the applicant's proposed budget.

Bidder's Conferences

Prospective applicants are invited – but not required – to attend a Bidders' Conference. The purpose of a Bidders' Conference is to answer technical questions from prospective bidders and provide clarity on RFP instructions. Details for the Bidders' Conference are listed below:

Title II Grant Program Bidder's Conference

Thursday, June 27, 2019

10:00 a.m.

Board of State and Community Corrections

1st Floor Board Room

2590 Venture Oaks Way

Sacramento, CA 95833

Note: The Title II Grant Program Bidders' Conference will be livestreamed at www.bscc.ca.gov.

BSCC Executive Steering Committee Process

Title II Grant Program Executive Steering Committee

To ensure successful program design and implementation, the BSCC uses Executive Steering Committees (ESCs) to inform decision making related to the Board's programs. ESCs are convened and approved by the BSCC Board, as the need arises, to carry out specified tasks including the development of RFPs for grant funds. ESCs submit grant award recommendations to the BSCC Board and the Board then approves, rejects, or revises those recommendations. BSCC's ESCs are typically composed of subject matter experts and stakeholders representing both the public and private sectors. The BSCC makes every attempt to include diverse representation on its ESCs - in breadth of experience, geography, and demographics. Members of ESCs are not paid for their time but are reimbursed for travel expenses incurred to attend meetings. SACJJDP serves as a standing ESC of the Board (see Appendix G)

SACJJDP established a Title II ESC for the purpose of this grant cycle. This Title II Grant Program ESC includes subject matter experts on community engagement, prevention and intervention programs, mental/behavioral health, social services, law enforcement, including individuals who have been impacted by the justice and/or child welfare systems. A list of ESC members can be found in Appendix H.

Conflicts of Interest

Existing law prohibits any grantee, subgrantee, partner or like party who participated on the Title II ESC or who is a member of SACJJDP from receiving funds awarded under this RFP. Applicants who are awarded grants under this RFP are responsible for reviewing the SACJJDP and Title II ESC membership rosters and ensuring that no grant dollars are passed through to any entity represented by any member of the SACJJDP or Title II ESC.

See Appendix G for the State Advisory Committee for Juvenile Justice and Delinquency Prevention Membership Roster and Appendix H for the Title II Grant ESC Roster or visit the website at: http://www.bscc.ca.gov/s_titleiigrant

Overview of the RFP Process

Confirmation of Receipt of Proposal

Upon submission of a proposal, applicants will receive a confirmation email from the BSCC stating the proposal has been received. The email will be sent to the individual who signed the application and the person listed as the Project Director.

Disqualification

The following will result in an automatic disqualification:

- The original hard copy or electronic version of the Proposal are not received by 5:00 p.m. on August 9, 2019.

- The applicant is not one of the following: (1) a government agency, which includes individual agencies or departments within a County, City, School District, (2) a Nonprofit Nongovernmental Organization, or (3) a Federally recognized Indian Tribe (See Appendix B for list of eligible Indian Tribes).

“Disqualification” means the proposal will not be scored and therefore, will not be considered for Title II Grant Program funding.

Technical Compliance Review

It is the BSCC’s intent to avoid having otherwise worthy proposals eliminated from consideration due to relatively minor and easily corrected errors or omissions. Therefore, during the week immediately following the proposal due date, BSCC staff will conduct a Technical Compliance Review - a review to determine whether a proposal is in compliance with all technical requirements. Applicants will have a limited opportunity to respond to deficiencies identified during the technical review process by making non-substantive changes that bring the proposal into technical compliance.

Rating Process

Once a proposal passes the Technical Compliance Review, it will advance to the Proposal Rating Process. The ESC will then read and rate each proposal in accordance with the prescribed rating factors listed in the table below. During the ESC rating period, the SACJJDP will also have a 30-day review period of each eligible application.

The ESC members will base their scores on how well an applicant addresses the items listed under each rating factor within the Proposal Narrative and Budget Sections. Following the Proposal Rating Process, the ESC will convene for a Final Rater Review meeting where they will develop funding recommendations for consideration by the BSCC Board.

At the conclusion of this process, applicants will be notified of the ESC’s funding recommendations. It is anticipated that SACJJDP will act on those recommendations at its October 23, 2019 meeting and the BSCC Board will act on those recommendations at its November 14, 2019 meeting. Applicant agencies and partners are not to contact members of the ESC, SACJJDP or the BSCC Board to discuss proposals.

Rating Factors

The Rating Factors to be used and the maximum points assigned to each factor are shown in the table below. Applicants will be asked to address each of these factors as a part of their proposal. The Title II Grant Program ESC assigned a percent value to each of the Rating Factors, correlating to its importance (see Percent of Total Value column).

Title II Grant Program Rating Factors and Scoring System

Rating Factors	Point Range	Percentage	Possible Maximum Weighted Score
Program Need	1 - 5	25%	37.5
Program Description	1 - 5	30%	45
Program Goals and Objectives	1 - 5	30%	45
Program Evaluation	1 - 5	5%	7.5
Program Budget	1 - 5	10%	15
Total Possible Weighted Score		100%	150

*****PLEASE NOTE: TO BE CONSIDERED FOR FUNDING, A PROPOSAL MUST MEET A MINIMUM WEIGHTED SCORE OF 99 (66% OF THE 150 TOTAL POSSIBLE WEIGHTED SCORE)*****

Raters will score an applicant's response in each of the Rating Factor categories on a scale of 1-5, according to the Five-Point Rating Scale shown below. Each rating factor score is then weighted according to the "Percentage" column (determined by the ESC) associated with each Rating Factor to arrive at the final Weighted Score for each Rating Factor and then added together for a final overall proposal score.

Five-Point Rating Scale

Poor 1	Fair 2	Satisfactory 3	Good 4	Excellent 5
The response addresses the criteria in a very inadequate way.	The response addresses the criteria in a non-specific or unsatisfactory way.	The response addresses the criteria in an adequate way.	The response addresses the criteria in a substantial way.	The response addresses the criteria in an outstanding way.

General BSCC Grant Requirements

Grant Agreement

Applicants approved for funding by the BSCC are required to enter into a Grant Agreement with the BSCC. Grantees must agree to comply with all terms and conditions of the Grant Agreement. See Appendix I for a Sample Grant Agreement.

The Grant Agreement start date is expected to be December 1, 2019. Grant Agreements are considered fully executed only after they are signed by both the Grantee and the

BSCC. Work, services, and encumbrances cannot begin prior to the Grant Agreement start date. Work, services, and encumbrances which occur after the start date but prior to grant agreement execution have the potentiality of being disallowed or not being reimbursed. Grantees are responsible for maintaining their Grant Agreement, all invoices, records, and relevant documentation for at least three (3) years after the final payment under the contract.

Governing Board/Tribal Council Resolution

Applicants must submit a resolution from their governing board or tribal council addressing specified requirements as included in the sample Governing Board or Tribal Council Resolution, which can be found in Appendix J. Grant recipients must have a resolution on file before a fully executed grant agreement can be completed. A signed resolution is not required at the time of proposal submission, but applicants are advised that no disbursements or reimbursements will be made until the appropriate documentation has been received by the BSCC. Grantee resolutions must address all of the items as the sample in Appendix J but may be in a different format.

Audit Requirements

All grantees are required to complete an audit annually for each fiscal year/audit period, or fraction thereof, for the entire three-year grant cycle. Audit reports must be submitted to the BSCC within 30 days of the Grantee's receipt of the report or within nine months following the end of the audit period, whichever is earlier. A grantee that willfully fails to submit an audit as required may be deemed ineligible for future BSCC grant funds pending compliance with the audit requirements of this grant.

The Grantee must provide to the BSCC copies of reports generated from either:

- Annual City/County Single Audit (as submitted to the State Controller's Office), or
- Program-specific audit.

The audit reports must cover the entire grant period.

The BSCC reserves the right to call for a program or financial audit at any time between the execution of the contract and three years following the end of the grant period.

Grantee Orientation Process

Following the start of the grant period, BSCC staff will conduct a Grantee Orientation in Sacramento (at a date to be determined later). The purpose of this mandatory session is to review the program requirements, invoicing and budget modification processes, data collection and reporting requirements, as well as other grant management and monitoring activities. Typically, the Project Director, Financial Officer, Day-to-Day Contact, and the Evaluator must attend. Grant recipients may use Title II Grant Program funds for travel-related expenditures such as airfare, mileage, meals, lodging, and other per diem costs. Applicants should include anticipated costs in the budget section of the proposal under the "Other" category.

Disbursements

Disbursement of grant funds occurs on a reimbursement basis for costs incurred during a reporting period. The State Controller's Office (SCO) will issue the warrant (check) to the individual designated on the application form as the Financial Officer for the grant. Grantees must submit invoices to the BSCC on a quarterly basis through the online process no later than 45 days following the end of each quarter. Grantees must maintain adequate supporting documentation for all costs claimed on invoices. BSCC staff will conduct on-site monitoring visits that will include a review of documentation maintained as substantiation for project expenditures.

Quarterly Progress Reports

Grant award recipients are required to submit quarterly progress reports to the BSCC. Progress reports are a critical element in BSCC's monitoring and oversight process. Grantees who are unable to demonstrate that they are making sufficient progress toward project goals and objectives and that funds are being spent down in accordance with the Grant Award Agreement could be subject to the withholding of funds. Once grants are awarded, BSCC will work with grantees to create custom progress reports. Applicable forms and instructions will be available to grantees on the BSCC's website. See Appendix K for a sample progress report.

Travel

Travel is usually warranted when personal contact by project staff is the most appropriate method of conducting project-related business. Travel to and from training conferences may also be allowed. The most economical method of transportation, in terms of direct expenses to the project and the employee's time away from the project, must be used. Projects are required to include sufficient per diem and travel allocations for project-related personnel, as outlined in the Grant Award, to attend any mandated BSCC training conferences or workshops outlined in the terms of the program.

Tribes

Tribes must use the California State travel and per diem policy, unless the Grantee's written travel policy is more restrictive than the State's, in which case it must be used. Reimbursement is allowed for the cost of commercial carrier fares, parking, bridge, and road tolls, as well as necessary taxi, bus, and streetcar fares.

Units of Government

Units of government may follow either their own written travel and per diem policy or the State's policy. Units of government that plan to use cars from a state, county, city, district car pool, or garage may budget either the mileage rate established by the car pool or garage, or the state mileage rate, not to exceed the loaning agency rate.

Non-Governmental Organizations (NGOs)

An NGO receiving BSCC funds as a direct grantee or subgrantee must use the California State travel and per diem policy, unless the Grantee's written travel policy is more restrictive than the State's, in which case it must be used. Reimbursement is allowed for the cost of commercial carrier fares, parking, bridge, and road tolls, as well as necessary taxi, bus, and streetcar fares.

Out-of-State Travel

Out-of-state travel is restricted and only allowed in exceptional situations. Grantees must receive written BSCC approval prior to incurring expenses for out-of-state travel. Even if previously authorized in the Grant Award, Grantees must submit to the BSCC a separate formal request (on Grantee letterhead) for approval. Out-of-state travel requests must include a detailed justification and budget information.

In addition, California prohibits travel, except under specified circumstances, to states that have been found by the California Attorney General to have discriminatory laws. The BSCC will not reimburse for travel to these states unless the travel meets a specific exception under Government Code section 11139.8, subdivision (c). For additional information, please see: <https://oag.ca.gov/ab1887>.

Debarment, Fraud, Theft, or Embezzlement

It is the policy of the BSCC to protect grant funds from unreasonable risks of fraudulent, criminal, or other improper use. As such, the Board will not enter into contracts or provide reimbursement to applicants that have been:

1. debarred by any federal, state, or local government entities during the period of debarment; or
2. convicted of fraud, theft, or embezzlement of federal, state, or local government grant funds for a period of three (3) years following conviction.

Furthermore, the BSCC requires grant recipients to provide an assurance that there has been no applicable debarment, disqualification, suspension, or removal from a federal, state or local grant program on the part of the grantee at the time of application and that the grantee will immediately notify the BSCC should such debarment or conviction occur during the term of the grant contract.

The BSCC also requires that all grant recipients include, as a condition of award to a subgrantee or subcontractor, a requirement that the subgrantee or subcontractor will provide the same assurances to the grant recipient. If a grant recipient wishes to consider a subgrantee or subcontractor that has been debarred or convicted, the grant recipient must submit a written request for exception to the BSCC along with supporting documentation.

All applicants must complete Appendix L certifying they are in compliance with the BSCC's policies on debarment, fraud, theft, and embezzlement.

Compliance Monitoring Visits

BSCC staff will conduct periodic monitoring of each project to assess whether the project is in compliance with grant requirements and making progress toward grant objectives, and provide technical assistance as needed regarding fiscal, programmatic, evaluative, and administrative requirements. For your reference, a Sample Monitoring Visit Checklist is contained in Appendix M.

Federal Requirements

If selected for funding, in addition to implementing the funded project consistent with the approved application, the grantees must comply with all grant award requirements, which include all applicable federal statutes, regulations, policies, guidelines and requirements, including all Title II Award Federal Conditions.

Refer to Exhibit E of the Sample Grant Agreement (Appendix I) to review the 2018 Title II Award Federal Conditions. Please note that federal award conditions are subject to change in subsequent funding years and grantees will be required to comply with any future changes to remain eligible for federal funding

Notice Regarding Enjoined Immigration Enforcement Conditions: For FY 2018 Title II funding, OJJDP sought to impose conditions related to the enforcement of 8 U.S.C. § 1373 on Title II funding. In related federal grants litigation, a United States District Court for the Northern District of California entered an order enjoining the enforcement of 8 U.S.C. § 1373's statutory obligations against any California state entity or political subdivision. Please see:

<http://www.bscc.ca.gov/downloads/ECFNo.54-AmendedJudgmentandOrder.pdf>.

As such, grantees are **not** required to implement or agree to these conditions while the injunction remains in place. The BSCC will continue to provide updates on the status of this litigation and any changes to the applicability of the challenged grant conditions. These conditions can be found in Exhibit F of Appendix I.

Promising, Data-Driven, and Innovative Approaches

Whenever possible, BSCC encourages grantees to employ the core principles of evidence-based practice (EBP), which places an emphasis on achieving measurable outcomes, and making sure the services provided and the resources utilized are effective.

While grantees are encouraged to develop projects that incorporate the principles of evidence-based practice, BSCC also recognizes that services must be tailored to fit the needs of the communities they serve. Innovation and creativity are permitted but should be founded upon existing data and research on best practices in this field.

Applicants seeking funding through this grant process are required to demonstrate that they will adhere to the basic principles of evidence-based practice (e.g., using data and research to drive decision-making) in the development, implementation and evaluation of their overall projects.

The concept of evidence-based practice was developed outside of criminal justice and is commonly used in other applied fields such as medicine, nursing and social work. In criminal justice, this term marks a significant shift by emphasizing measurable outcomes and ensuring that services and resources are effective in achieving the desired outcomes.

The BSCC is committed to supporting this focus on better outcomes for the entire criminal justice system and for those involved in it. For this RFP, applicants should focus on the following three basic principles:

- 1. Is there evidence or data to suggest that the intervention or strategy is likely to work, i.e., produce a desired benefit?** For example, was the intervention or strategy selected used by another jurisdiction with documented positive results? Is there published research on the intervention chosen to implement showing its effectiveness? Is the intervention or strategy being used by another jurisdiction with a similar problem and similar target population?
- 2. Once an intervention or strategy is selected, will you be able to demonstrate that it is being carried out as intended?** For example, does this intervention or strategy provide for a way to monitor quality control or continuous quality improvement? If this intervention or strategy was implemented in another jurisdiction, are there procedures in place to ensure that the model is followed closely?
- 3. Is there a plan to collect evidence or data that will allow for an evaluation of whether the intervention or strategy worked?** For example, will the intervention or strategy selected allow for the collection of data or other evidence so that outcomes can be measured at the conclusion of the project? Are there processes in place to identify, collect and analyze that data/evidence?

Applicants are encouraged to develop an overall project that incorporates these principles. Plans to measure the effectiveness of a project should include the use of both qualitative and quantitative research. While quantitative research is based on numbers and mathematical calculations, qualitative research is based on written or spoken narratives. The purpose of quantitative research is to explain, predict and/or control events through focused collection of numerical data, while the purpose of qualitative research is to explain and gain insight and understanding of events through intensive collection of narrative data.

Applicants can find information on evidence-based treatment practices in the Substance Abuse and Mental Health Services Administration's (SAMHSA) Guide to Evidence-Based Practices available at www.samhsa.gov/ebwebguide as well as in Appendix N of this RFP.

Reducing Racial and Ethnic Disparity

Research² shows that youth and adults of color are significantly overrepresented in the criminal justice system in California. BSCC supports efforts to reduce racial and ethnic disparities and encourages others to do the same. The BSCC has undertaken a number of activities to ensure that California addresses this concern including trainings.

² There are multiple studies confirming the disparities in the criminal and juvenile justice systems. BSCC has done extensive work with The W. Haywood Burns Institute (<http://www.burnsinstitute.org/>) on this issue as well as working with the National Council on Crime and Delinquency (NCCD) and the Center for Juvenile Justice Reform, Georgetown University (<http://cjjr.georgetown.edu/certprogs/racialdisparities/racialdisparities.html>)
Created Equal: Racial and Ethnic Disparities in the US Criminal Justice System (NCCD: Hartney/Vuong March 2009)

The applicant must consider how reducing racial and ethnic disparity (R.E.D.) information may influence grant activities in the development of the Title II Grant Program proposal.

Title II Grant Program funding recipients may be included in training opportunities and will be invited to attend R.E.D. training by the BSCC if it is available during the project period. Grantees will be advised of the dates and locations after the start of the grant period. Additional information about R.E.D. can be found at: http://www.bscc.ca.gov/s_cppgrantfundedprograms/ or applicants may contact the R.E.D. Coordinator, Field Representative Timothy Polasik, by telephone at (916) 350-0879 or by email Timothy.Polasik@bscc.ca.gov

(ii) while awaiting transfer to a juvenile facility; or

(iii) in which period such juveniles make a court appearance;

and only if such juveniles do not have contact with adult inmates and only if there is in effect in the State a policy that requires individuals who work with both such juveniles and adult inmates in collocated facilities have been trained and certified to work with juveniles;

(B) juveniles who are accused of nonstatus offenses, who are awaiting an initial court appearance that will occur within 48 hours after being taken into custody (excluding Saturdays, Sundays, and legal holidays), and who are detained in a jail or lockup--

(i) in which--

(I) such juveniles do not have contact with adult inmates; and

(II) there is in effect in the State a policy that requires individuals who work with both such juveniles and adults inmates in collocated facilities have been trained and certified to work with juveniles; and

(ii) that--

(I) is located outside a metropolitan statistical area (as defined by the Office of Management and Budget) and has no existing acceptable alternative placement available;

(II) is located where conditions of distance to be traveled or the lack of highway, road, or transportation do not allow for court appearances within 48 hours (excluding Saturdays, Sundays, and legal holidays) so that a brief (not to exceed an additional 48 hours) delay is excusable; or

(III) is located where conditions of safety exist (such as severe adverse, life-threatening weather conditions that do not allow for reasonably safe travel), in which case the time for an appearance may be delayed until 24 hours after the time that such conditions allow for reasonable safe travel;

(14) provide for an adequate system of monitoring jails, detention facilities, correctional facilities, and non-secure facilities to insure that the requirements of paragraphs (11), (12), and (13) are met, and for annual reporting of the results of such monitoring to the Administrator, except that such reporting requirements shall not apply in the case of a State which is in compliance with the other requirements of this paragraph, which is in compliance with the requirements in paragraphs (11) and (12), and which has enacted legislation which conforms to such requirements and which contains, in the opinion of the Administrator, sufficient enforcement mechanisms to ensure that such legislation will be administered effectively;

(15) provide assurance that youth in the juvenile justice system are treated equitably on the basis of gender, race, family income, and disability;

(16) provide assurance that consideration will be given to and that assistance will be available for approaches designed to strengthen the families of delinquent and other youth to prevent juvenile delinquency (which approaches should include the involvement of grandparents or other extended family members when possible and appropriate and the provision of family counseling during the incarceration of juvenile family members and coordination of family services when appropriate and feasible);

(17) provide for procedures to be established for protecting the rights of recipients of services and for assuring appropriate privacy with regard to records relating to such services provided to any individual under the State plan;

(18) provide assurances that--

(A) any assistance provided under this chapter will not cause the displacement (including a partial displacement, such as a reduction in the hours of nonovertime work, wages, or employment benefits) of any currently employed employee;

(B) activities assisted under this chapter will not impair an existing collective bargaining relationship, contract for services, or collective bargaining agreement; and

(C) no such activity that would be inconsistent with the terms of a collective bargaining agreement shall be undertaken without the written concurrence of the labor organization involved;

(19) provide for such fiscal control and fund accounting procedures necessary to assure prudent use, proper disbursement, and accurate accounting of funds received under this subchapter;

(20) provide reasonable assurance that Federal funds made available under this part for any period will be so used as to supplement and increase (but not supplant) the level of the State, local, and other non-Federal funds that would in the absence of such Federal funds be made available for the programs described in this part, and will in no event replace such State, local, and other non-Federal funds;

(21) provide that the State agency designated under paragraph (1) will--

(A) to the extent practicable give priority in funding to programs and activities that are based on rigorous, systematic, and objective research that is scientifically based;

(B) from time to time, but not less than annually, review its plan and submit to the Administrator an analysis and evaluation of the effectiveness of the programs and activities carried out under the plan, and any modifications in the plan, including the survey of State and local needs, that it considers necessary; and

(C) not expend funds to carry out a program if the recipient of funds who carried out such program during the preceding 2-year period fails to demonstrate, before the expiration of such 2-year period, that such program achieved substantial success in achieving the goals specified in the application submitted by such recipient to the State agency;

(22) address juvenile delinquency prevention efforts and system improvement efforts designed to reduce, without establishing or requiring numerical standards or quotas, the disproportionate number of juvenile members of minority groups, who come into contact with the juvenile justice system;

(23) provide that if a juvenile is taken into custody for violating a valid court order issued for committing a status offense--

(A) an appropriate public agency shall be promptly notified that such juvenile is held in custody for violating such order;

(B) not later than 24 hours during which such juvenile is so held, an authorized representative of such agency shall interview, in person, such juvenile; and

(C) not later than 48 hours during which such juvenile is so held--

(i) such representative shall submit an assessment to the court that issued such order, regarding the immediate needs of such juvenile; and

(ii) such court shall conduct a hearing to determine--

(I) whether there is reasonable cause to believe that such juvenile violated such order; and

(II) the appropriate placement of such juvenile pending disposition of the violation alleged;

(24) provide an assurance that if the State receives under section 11132 of this title for any fiscal year an amount that exceeds 105 percent of the amount the State received under such section for fiscal year 2000, all of such excess shall be expended through or for programs that are part of a comprehensive and coordinated community system of services;

(25) specify a percentage (if any), not to exceed 5 percent, of funds received by the State under section 11132 of this title (other than funds made available to the State

advisory group under section 11132(d) of this title) that the State will reserve for expenditure by the State to provide incentive grants to units of general local government that reduce the caseload of probation officers within such units;

(26) provide that the State, to the maximum extent practicable, will implement a system to ensure that if a juvenile is before a court in the juvenile justice system, public child welfare records (including child protective services records) relating to such juvenile that are on file in the geographical area under the jurisdiction of such court will be made known to such court;

(27) establish policies and systems to incorporate relevant child protective services records into juvenile justice records for purposes of establishing and implementing treatment plans for juvenile offenders; and

(28) provide assurances that juvenile offenders whose placement is funded through section 672 of Title 42 receive the protections specified in section 671 of Title 42, including a case plan and case plan review as defined in section 675 of Title 42.

(b) Approval by State agency

The State agency designated under subsection (a)(1), after receiving and considering the advice and recommendations of the advisory group referred to in subsection (a), shall approve the State plan and any modification thereof prior to submission to the Administrator.

(c) Compliance with statutory requirements

If a State fails to comply with any of the applicable requirements of paragraphs (11), (12), (13), and (22) of subsection (a) in any fiscal year beginning after September 30, 2001, then--

(1) subject to paragraph (2), the amount allocated to such State under section 11132 of this title for the subsequent fiscal year shall be reduced by not less than 20 percent for each such paragraph with respect to which the failure occurs, and

(2) the State shall be ineligible to receive any allocation under such section for such fiscal year unless--

(A) the State agrees to expend 50 percent of the amount allocated to the State for such fiscal year to achieve compliance with any such paragraph with respect to which the State is in noncompliance; or

(B) the Administrator determines that the State--

(i) has achieved substantial compliance with such applicable requirements with respect to which the State was not in compliance; and

(ii) has made, through appropriate executive or legislative action, an unequivocal commitment to achieving full compliance with such applicable requirements within

a reasonable time.

(d) Nonsubmission or nonqualification of plan; expenditure of allotted funds; availability of reallocated funds

In the event that any State chooses not to submit a plan, fails to submit a plan, or submits a plan or any modification thereof, which the Administrator, after reasonable notice and opportunity for hearing, in accordance with sections 10222 and 10223 of this title and 3785 of Title 42, determines does not meet the requirements of this section, the Administrator shall endeavor to make that State's allocation under the provisions of section 11132(a) of this title, excluding funds the Administrator shall make available to satisfy the requirement specified in section 11132(d) of this title, available to local public and private nonprofit agencies within such State for use in carrying out activities of the kinds described in paragraphs (11), (12), (13), and (22) of subsection (a). The Administrator shall make funds which remain available after disbursements are made by the Administrator under the preceding sentence, and any other unobligated funds, available on an equitable basis and to those States that have achieved full compliance with the requirements under paragraphs (11), (12), (13), and (22) of subsection (a).

(e) Administrative and supervisory board membership requirements

Notwithstanding any other provision of law, the Administrator shall establish appropriate administrative and supervisory board membership requirements for a State agency designated under subsection (a)(1) and permit the State advisory group appointed under subsection (a)(3) to operate as the supervisory board for such agency, at the discretion of the chief executive officer of the State.

(f) Technical assistance

(1) In general

The Administrator shall provide technical and financial assistance to an eligible organization composed of member representatives of the State advisory groups appointed under subsection (a)(3) to assist such organization to carry out the functions specified in paragraph (2).

(2) Assistance

To be eligible to receive such assistance, such organization shall agree to carry out activities that include--

- (A)** conducting an annual conference of such member representatives for purposes relating to the activities of such State advisory groups;
- (B)** disseminating information, data, standards, advanced techniques, and program models;
- (C)** reviewing Federal policies regarding juvenile justice and delinquency prevention;

(D) advising the Administrator with respect to particular functions or aspects of the work of the Office; and

(E) advising the President and Congress with regard to State perspectives on the operation of the Office and Federal legislation pertaining to juvenile justice and delinquency prevention.

Appendix C: Criteria for Non-Governmental Organizations Receiving Title II Grant Program Funds

(Page 1 of 2)

The 2019 Title II Grant Program Request for Proposals (RFP) includes requirements that apply to non-governmental, community-based organizations. Grantees are responsible for ensuring that all contracted third parties continually meet these requirements as a condition of receiving any Title II Grant Program funds. The RFP describes these requirements as follows:

A non-governmental organization (as either a direct grantee or subgrantee or subcontractor) must meet the following criteria:

- Be duly organized, in existence, and in good standing as an applicant as of December 14, 2018, and as a subrecipient of a BSCC grantee, at least six months before entering into a fiscal agreement with a BSCC grantee;
 - Non-governmental organizations (NGO) that have recently reorganized or have merged with other qualified non-governmental entities that were in existence prior to the six-month date are also eligible, provided all necessary agreements have been executed and filed with the California Secretary of State prior to the effective date of the BSCC grantee and NGO fiscal agreement.
- Be registered with the California Secretary of State's Office, if applicable;
- Have a valid business license, if required by the applicable local jurisdiction;
- Have a valid Employer Identification Number (EIN) or Taxpayer ID (if sole proprietorship);
- Have any other state or local licenses or certifications necessary to provide the services requested (e.g., facility licensing by the Department of Health Care Services), if applicable; and
- Have a physical address (an exception can be made for an Indian Tribe).

Non-Governmental Organizations (NGOs) include: community-based organizations (CBOs), faith-based organizations (FBOs), non-profit organizations/501(c)(3)s, evaluators (except government institutions such as universities), grant management companies and any other non-governmental agency or individual. Note: These criteria do not apply to government organizations (e.g. counties, cities, school districts, or Federally recognized Indian Tribes).

In the table below, provide the name of the Grantee and list all contracted parties.

Grantee:

Name of Contracted Party	Address	Email / Phone	Meets All Requirements
			Yes <input type="checkbox"/> No <input type="checkbox"/>
			Yes <input type="checkbox"/> No <input type="checkbox"/>
			Yes <input type="checkbox"/> No <input type="checkbox"/>
			Yes <input type="checkbox"/> No <input type="checkbox"/>

Grantees are required to update this list and submit it to BSCC any time a new third-party contract is executed after the initial assurance date. Grantees shall retain (on-site) applicable source documentation for each contracted party that verifies compliance with the requirements listed in the Title II Grant Program RFP. These records will be subject to the records and retention language found in the Grant Agreement.

The BSCC will not reimburse for costs incurred by any third party that does not meet the requirements listed above and for which the BSCC does not have a signed grantee assurance on file.

A signature below is an assurance that all requirements listed above have been met.

Appendix E: Glossary of Terms

Community Defined Practice

Community Defined Practice is a set of practices that communities have used and found to yield positive results as determined by community consensus over time, these practices may or may not have been measured empirically but have reached a level of acceptance by the community. The central goal is to develop an evidence-base using cultural and/or community indicators that identify community-defined and community-based practices that work for and matter to these communities.

Cultural Competence

Cultural competence³ is a set of congruent behaviors, attitudes, and policies that come together in a system, agency or among professionals and enable that system, agency or those professions to work effectively in cross-cultural situations.

The word **culture** is used because it implies the integrated pattern of human behavior that includes thoughts, communications, actions, customs, beliefs, values and institutions of a racial, ethnic, religious or social group. The word **competence** is used because it implies having the capacity to function effectively. Five essential elements contribute to a system's institution's, or agency's ability to become more culturally competent which include:

1. Valuing diversity
2. Having the capacity for cultural self-assessment
3. Being conscious of the dynamics inherent when cultures interact
4. Having institutionalized culture knowledge
5. Having developed adaptations to service delivery reflecting an understanding of cultural diversity

These five elements should be manifested at every level of an organization including policy making, administrative, and practice. Further these elements should be reflected in the attitudes, structures, policies and services of the organization.

Evaluation: Process Evaluation versus Outcome Evaluation Process Evaluation⁴

The purpose of the process evaluation is to assess how program activities are being carried out in accordance with goals and objectives. Process measures are designed to answer the question: "What is the program actually doing and is this what we planned it to do?" Examples of process measures could include:

- Project staff have been recruited, hired and trained according to the proposal.
- Activities/strategies have been implemented on time according to the proposal.
- Number of interagency agreements entered into by the program compared to the number planned.

- Number of trainings conducted.
- Number of neighborhood meetings conducted.

Outcome Evaluation⁵

The purpose of the outcome evaluation is to identify whether the program “worked” in terms of achieving its goals and objectives. Outcome measures are designed to answer the question: “What results did the program produce?” Examples of outcome measures include:

- Results of pre/post surveys (e.g., changes in the reported confidence/trust in law enforcement among community members).
- Implementation of regular, ongoing community forums where law enforcement/community dialogue takes place.
- Changes in policies at the Lead Agency level to reflect procedural justice principles.

In an evidence-based practice approach, outcome evaluations must include not only the measures but also analysis of the extent to which the measured results can be attributed to the program rather than to coincidence or alternative explanations.

Goal versus Objective

Goals and objectives are terms in common use, sometimes used interchangeably because both refer to the intended results of program activities. Goals are longer-term than objectives, more broadly stated and govern the specific objectives to which program activities are directed.

In proposals, goals are defined by broad statements of what the program intends to accomplish, representing the long-term intended outcome of the program⁶.

Examples of goal statements⁷:

- To reduce the number of serious and chronic juvenile offenders.
- To divert nonviolent juvenile offenders from state juvenile correctional institutions.
- To restore the losses suffered by the victims of crimes.

⁷ *Id.* at p. 4.

Objectives are defined by statements of specific, measurable aims of program activities⁸. Objectives detail the tasks that must be completed to achieve goals⁹. Descriptions of objectives in the proposals should include three elements¹⁰:

- 1) Direction – the expected change or accomplishment (e.g., improve, maintain);
- 2) Timeframe – when the objective will be achieved; and
- 3) Target Population– who is affected by the objective.

Trauma-Informed Care

Trauma-informed care is a strengths-based service delivery approach “that is grounded in an understanding of and responsiveness to the impact of trauma, that emphasizes physical, psychological, and emotional safety for both providers and survivors, and that creates opportunities for survivors to rebuild a sense of control and empowerment” (Hopper, Bassuk, & Olivet, 2010, p. 82). It also involves vigilance in anticipating and avoiding institutional processes and individual practices that are likely to retraumatize individuals who already have histories of trauma, and it upholds the importance of consumer participation in the development, delivery, and evaluation of services.

Examples of program objectives¹¹:

- By the end of the program, young, drug-addicted juveniles will recognize the long-term consequences of drug use.
 - To place eligible juveniles in an intensive supervision program within two weeks of adjudication to ensure offender accountability and community safety.
- To ensure that juvenile offenders carry out all of the terms of the mediation agreements they have worked out with their victims by program completion.

Principles of Effective Intervention

During the past two decades, there has been renewed interest in examining correctional research. These efforts have been led by researchers such as Gendreau, Andrews, Cullen, Lipsey and others.¹² Much evidence has been generated, leading to the conclusion that many rehabilitation programs have, in fact, produced significant reductions in recidivism. The next critical issue became the identification of those characteristics most commonly associated with effective programs. Through the work of

- Assess Actuarial Risk/Needs
- Enhance Intrinsic Motivation
- Target Interventions
 - Risk Principle
 - Need Principle
 - Responsivity Principle
 - Dosage
 - Treatment Principle
- Skill Train with Directed Practice
- Increase Positive Reinforcement
- Engage Ongoing Support in Natural Communities
- Measure Relevant Processes/Practices
- Provide Measurement Feedback

Source documentation includes copies of all awards, applications, approved modifications, financial records, and narrative reports.
- C. Personnel and payroll records shall include the time and attendance reports for all individuals reimbursed under the grant, whether they are employed full-time or part-time. Time and effort reports are also required for all subcontractors and consultants.
- D. The grantee shall maintain documentation of donated goods and/or services, including the basis for valuation.

7. CONFLICT OF INTEREST

- A. Existing law prohibits any grantee, subgrantee, partner, or like party who participated on the Title II Grant Program Executive Steering Committee (see Contract Appendix A) from receiving funds from the Title II Grant Program awarded under this RFP. EXHIBIT B: BUDGET DETAIL AND PAYMENT PROVISIONS

- B. Under no circumstance will a budget item change be authorized that would cause the project to exceed the amount of the grant award identified in this Grant Agreement.

3. BUDGET CONTINGENCY CLAUSE

- A. This grant agreement is valid through Title II Grant Program funding generated from the General Fund. The Grantee agrees that the BSCC's obligation to pay any sum to the grantee under any provision of this agreement is contingent upon the availability of sufficient funding granted through the passage of Assembly Bill 97 (Statutes of 2017, Chapter 14), also known as the California Budget Act of 2017. It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Grant Agreement does not appropriate sufficient funds for the program, this Grant Agreement shall be of no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement.
- B. If Title II Grant Program funding is reduced or falls below estimates contained within the Title II Grant Program Request for Proposals, the BSCC shall have the option to either cancel this Grant Agreement with no liability occurring to the BSCC or offer an amendment to this agreement to the Grantee to reflect a reduced amount.
- C. If BSCC cancels the agreement pursuant to Paragraph 3(B) or Grantee does not agree to an amendment in accordance with the option provided by Paragraph 3(B), it is mutually agreed that the Grant Agreement shall have no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement except that Grantee shall be required to maintain all project records required by Paragraph 6 of Exhibit A for a period of three (3) years following the termination of this agreement.

4. PROJECT COSTS

- A. Grantee is responsible for ensuring that actual expenditures are for eligible project costs. "Eligible" and "ineligible" project costs are set forth in the July 2016 BSCC Grant Administration Guide, which can be found under Quick Links here: http://www.bscc.ca.gov/s_correctionsplanningandprograms.php

The provisions of the BSCC Grant Administration Guide are incorporated by reference into this agreement and Grantee shall be responsible for adhering to the requirements set forth therein. To the extent any of the provisions of the BSCC Grant Administration Guide and this agreement conflict, the language in this agreement shall prevail.
- B. Grantee is responsible for ensuring that invoices submitted to the BSCC claim actual expenditures for eligible project costs.

EXHIBIT B: BUDGET DETAIL AND PAYMENT PROVISIONS

- C. Grantee shall, upon demand, remit to the BSCC any grant funds not expended for eligible project costs or an amount equal to any grant funds expended by the Grantee in violation of the terms, provisions, conditions or commitments of this Grant Agreement.
- D. Grant funds must be used to support new program activities or to augment existing funds that expand current program activities. Grant funds shall not replace (supplant) any federal, state and/or local funds that have been appropriated for the same purpose. Violations can result in recoupment of monies provided under this grantor suspension of future program funding through BSCC grants.

5. PROMPT PAYMENT CLAUSE

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

6. WITHHOLDING OF GRANT DISBURSEMENTS

- A. The BSCC may withhold all or any portion of the grant funds provided by this Grant Agreement in the event the Grantee has materially and substantially breached the terms and conditions of this Grant Agreement.
- B. At such time as the balance of state funds allocated to the Grantee reaches five percent (5%), the BSCC may withhold that amount as security, to be released to the Grantee upon compliance with all grant provisions, including:
 - 1) submittal and approval of the final invoice;
 - 2) submittal and approval of the final progress report; and
 - 3) submittal and approval of any additional required reports.
- C. The BSCC will not reimburse Grantee for costs identified as ineligible for grant funding. If grant funds have been provided for costs subsequently deemed ineligible, the BSCC may either withhold an equal amount from future payments to the Grantee or require repayment of an equal amount to the State by the Grantee.
- D. In the event that grant funds are withheld from the Grantee, the BSCC's Executive Director or designee shall notify the Grantee of the reasons for withholding and advise the Grantee of the time within which the Grantee may remedy the failure or violation leading to the withholding.

Further, Contractor agrees to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this Agreement. (Gov. Code §8546.7, Pub. Contract Code §10115 et seq., CCR Title 2, Section 1896).
5. **INDEMNIFICATION:** Contractor agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all claims and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, and any other person, firm or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by Contractor in the performance of this Agreement.
6. **DISPUTES:** Contractor shall continue with the responsibilities under this Agreement during any dispute.
7. **TERMINATION FOR CAUSE:** The State may terminate this Agreement and be relieved of any payments should the Contractor fail to perform the requirements of this Agreement at the time and in the manner herein provided. In the event of such termination the State may proceed with the work in any manner deemed proper by the State. All costs to the State shall be deducted from any sum due the Contractor under this Agreement and the balance, if any, shall be paid to the Contractor upon demand.

EXHIBIT C: GENERAL TERMS AND CONDITIONS (04/2017)

- 8. INDEPENDENT CONTRACTOR:** Contractor, and the agents and employees of Contractor, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the State.
- 9. RECYCLING CERTIFICATION:** The Contractor shall certify in writing under penalty of perjury, the minimum, if not exact, percentage of post-consumer material as defined in the Public Contract Code Section 12200, in products, materials, goods, or supplies offered or sold to the State regardless of whether the product meets the requirements of Public Contract Code Section 12209. With respect to printer or duplication cartridges that comply with the requirements of Section 12156(e), the certification required by this subdivision shall specify that the cartridges so comply (Pub. Contract Code §12205).

Contractor shall insure that the evaluation and treatment of employees and applicants for employment are free of such discrimination. Contractor and subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Gov. Code §12900 et seq.), the regulations promulgated thereunder (Cal. Code Regs., tit. 2, §11000 et seq.), the provisions of Article 9.5, Chapter 1, Part 1, Division 3, Title 2 of the Government Code (Gov. - B. Grantee is responsible for the performance of all project activities identified in Attachment 1: Title II Grant Program Request for Proposals and Attachment 2: 2019 Title II Application for Funding.
- C. Grantee shall immediately advise the BSCC of any significant problems or changes that arise during the course of the project.

2. GRANTEE ASSURANCES AND COMMITMENTS

The Grantee hereby assures and certifies compliance with all applicable federal statutes, regulations, policies, guidelines and requirements, including all Title II Federal Award Conditions. The 2017 Title II Federal Award Conditions are included in this Grant Agreement as Exhibit E. 3. POTENTIAL SUBCONTRACTORS

- A. In accordance with the provisions of this Grant Agreement, the Grantee may subcontract for services needed to implement and/or support program activities. Grantee agrees that in the event of any inconsistency between this Grant Agreement and Grantee's agreement with a subcontractor, the language of this Grant Agreement will prevail.

EXHIBIT D: SPECIAL TERMS AND CONDITIONS

- B. Nothing contained in this Grant Agreement or otherwise, shall create any contractual relation between the BSCC and any subcontractors, and no subcontract shall relieve the Grantee of his responsibilities and obligations hereunder. The Grantee agrees to be as fully responsible to the BSCC for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Grantee. The Grantee's obligation to pay its subcontractors is an independent obligation from the BSCC's obligation to make payments to the Grantee. As a result, the BSCC shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.
- C. Grantee shall ensure that all subcontractors comply with the eligibility requirements stated in the Title II Grant Program RFP and described in Appendix A.

Adequate supporting documentation shall be maintained in such detail so as to permit tracing transactions from the invoices, to the accounting records, to the supporting documentation. These records shall be maintained for a minimum of three (3) years after the acceptance of the final grant project audit under the Grant Agreement and shall be subject to examination and/or audit by the BSCC or designees, state government auditors or designees, or by federal government auditors or designees.
 - 2) Access to Books and Records
Make such books, records, supporting documentations, and other evidence available to the BSCC or designee, the State Controller's Office, the Department of General Services, the Department of Finance, California State Auditor, and their designated representatives during the course of the project and for a minimum of three (3) years after acceptance of the final grant project audit. The Subcontractor shall provide suitable facilities for access, monitoring, inspection, and copying of books and records related to the grant-funded project.

4. PROJECT ACCESS

Grantee shall ensure that the BSCC, or any authorized representative, will have suitable access to project activities, sites, staff and documents at all reasonable times during the grant period including those maintained by subcontractors. Access to program records will be made available by both the grantee and the subcontractors for a period of three (3) years following the end of the grant period.

EXHIBIT D: SPECIAL TERMS AND CONDITIONS

5. ACCOUNTING AND AUDIT REQUIREMENTS

- A. All funds received by the Grantee shall be deposited into separate fund accounts which identify the funds and clearly show the manner of their disposition. Grantee agrees that accounting procedures for grant funds received pursuant to this Grant Agreement shall be in accordance with generally accepted government accounting principles and practices, and adequate supporting documentation shall be maintained in such detail as to provide an audit trail, which will permit the tracing of transactions from such documents to relevant accounting records, financial reports and invoices.
- B. The BSCC reserves the right to call for a program or financial audit at any time between the execution of this Grant Agreement and three years following the end of the grant period. At any time, the BSCC may disallow all or part of the cost of the activity or action determined to not be in compliance with the terms and conditions of this Grant Agreement or take other remedies legally available.

6. MODIFICATIONS

No change or modification in the project will be permitted without prior written approval from the BSCC. Changes may include modification to project scope, changes to performance measures, compliance with collection of data elements, and other significant changes in the budget or program components contained in the Application for Funding. Changes shall not be implemented by the project until authorized by the BSCC.

7. TERMINATION

- A. This Grant Agreement may be terminated by the BSCC at any time after grant award and prior to completion of project upon action or inaction by the Grantee that constitutes a material and substantial breach of this Grant Agreement. Such action or inaction includes but is not limited to:
 - 1) substantial alteration of the scope of the grant project without prior written approval of the BSCC;
 - 2) refusal or inability to complete the grant project in a manner consistent with Attachment 1: Title II Grant Program Request for Proposal and Attachment 2: 2019 Title II Application for Funding, or approved modifications;

decision in accordance with the instructions listed in Exhibit D: Special Terms and Conditions, Number 8. Settlement of Disputes.

8. SETTLEMENT OF DISPUTES

- A. The parties shall deal in good faith and attempt to resolve potential disputes informally. If the dispute persists, the Grantee shall submit to the BSCC Corrections Planning and Grant Programs Division Deputy Director a written demand for a final decision regarding the disposition of any dispute between the parties arising under, related to, or involving this Grant Agreement. Grantee's written demand shall be fully supported by factual information. The BSCC Corrections Planning and Grant Programs Division Deputy Director shall have 30 days after receipt of Grantee's written demand invoking this Section "Disputes" to render a written decision. If a written decision is not rendered within 30 days after receipt of the Grantee's demand, it shall be deemed a decision adverse to the Grantee's contention. If the Grantee is not satisfied with the decision of the BSCC Corrections Planning and Grant Programs Division Deputy Director, the Grantee may appeal the decision, in writing, within 15 days of its issuance (or the expiration of the 30-day period in the event no decision is rendered), to the BSCC Executive Director, who shall have 45 days to render a final decision. If the Grantee does not appeal the decision of the BSCC Corrections Planning and Grant Programs Division Deputy Director, the decision shall be conclusive and binding regarding the dispute and the Contractor shall be barred from commencing an action in court, or with the Victims Compensation Government Claims Board, for failure to exhaust Grantee's administrative remedies.
- B. Pending the final resolution of any dispute arising under, related to or involving this Grant Agreement, Grantee agrees to diligently proceed with the performance of this Grant Agreement, including the providing of services in accordance with the Grant Agreement. Grantee's failure to diligently proceed in accordance with the State's instructions regarding this Grant Agreement shall be considered a material breach of this Grant Agreement.
- C. Any final decision of the State shall be expressly identified as such, shall be in writing, and shall be signed by the Executive Director, if an appeal was made. If the Executive Director fails to render a final decision within 45 days after receipt of the Grantee's appeal for a final decision, it shall be deemed a final decision adverse to the Grantee's contentions. The State's final decision shall be conclusive and binding regarding the dispute unless the Grantee commences an action in a court of competent jurisdiction to contest such decision within 90 days following the date of the final decision or one (1) year following the accrual of the cause of action, whichever is later.
- D. The dates of decision and appeal in this section may be modified by mutual consent, as applicable, excepting the time to commence an action in a court of competent jurisdiction.

EXHIBIT D: SPECIAL TERMS AND CONDITIONS

9. WAIVER

The parties hereto may waive any of their rights under this Grant Agreement unless such waiver is contrary to law, provided that any such waiver shall be in writing and signed by the party making such waiver.

EXHIBIT E: 2018 TITLE II AWARD FEDERAL CONDITIONS

1. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period may result in the Office of Justice Programs ("OJP") taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. The Department of Justice ("DOJ"), including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 42 U.S.C. 3795a), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2018 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this 2017 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded in 2014 or earlier years), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2018 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at: <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

EXHIBIT E: 2018 TITLE II AWARD FEDERAL CONDITIONS

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

3. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide, available at https://ojp.gov/financialguide/DOJ/pdfs/DOJ_FinancialGuide.pdf) including any updated version that may be posted during the period of performance. The Grantee agrees to comply with the Department of Justice Grants Financial Guide

4. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

5. Requirement to report potentially duplicative funding

If the Grantee currently has other active awards of federal funds or receives any other award of federal funds during the period of performance for this award, the Grantee promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the Grantee must promptly notify the BSCC in writing of the potential duplication.

6. Requirements related to System for Award Management and Unique Entity Identifiers

The Grantee acknowledges and agrees to comply with any request related to the BSCC's requirement to comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/SAM/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The Grantee also acknowledges and agrees to comply with any request related to the BSCC's requirement to comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

EXHIBIT E: 2018 TITLE II AWARD FEDERAL CONDITIONS

The details of the BSCC's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements) and are incorporated by reference here.

7. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient, (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient)-- 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "personally identifiable information (PII)" (2 CFR 200.79) within the scope of an OJP grant-funded program or activity, or 2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

8. All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: Award Condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

9. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$150,000

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$150,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$150,000)), and are incorporated by reference here.

10. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award)

EXHIBIT E: 2018 TITLE II AWARD FEDERAL CONDITIONS

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

11. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Post award Requirements" in the "DOJ Grants Financial Guide" accessible at: https://ojp.gov/financialguide/DOJ/pdfs/DOJ_FinancialGuide.pdf)

12. Requirement for data on performance and effectiveness under the award

The Grantee must collect and maintain data that measure the performance and effectiveness of activities under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act, and other applicable laws.

13. OJP Training Guiding Principles

Any training or training materials that the Grantee -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at: <https://ojp.gov/funding/Implement/TrainingPrinciplesForGrantees-Subgrantees.htm>.

14. Effect of failure to address audit issues

The Grantee understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements on the recipient, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part

EXHIBIT E: 2018 TITLE II AWARD FEDERAL CONDITIONS

200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

15. Potential imposition of additional requirements

The Grantee agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "high risk" for purposes of the DOJ high-risk grantee list.

16. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

17. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination – 28 C.F.R. Part 54

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the bases of sex in certain "education programs."

18. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38, specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries. Part 38 of 28 C.F.R., a DOJ regulation, was amended effective May 4, 2016.

Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to Grantee and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of the regulation, now entitled "Partnerships with Faith-Based and Other Neighborhood Organizations," is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

19. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification or adoption of any law, regulation, or policy, at any level of government. Se 18 U.S.C. 1913 (There may be exception if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

EXHIBIT E: 2018 TITLE II AWARD FEDERAL CONDITIONS

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as reviewing, extending or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of Federal funds by a recipient (or subrecipient) would or might fall within the scope of this prohibition, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

20. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2018)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2017, are incorporated by reference and are set out at <https://ojp.gov/funding/Explore/FY18AppropriationsRestrictions.htm>.

Should a question arise as to whether a particular use of federal funds by a Grantee (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the Grantee is to contact BSCC for guidance, and may not proceed without approval.

21. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

The Grantee and any subrecipients ("subgrantees") must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award -- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by-- (1) mail directed to: Office of the Inspector General, U.S. Department of Justice, Investigations Division, 950 Pennsylvania Avenue, N.W. Room 4706, Washington, DC 20530; (2) e-mail to: oig.hotline@usdoj.gov; and/or (3) the DOJ OIG hotline: (contact information in English and Spanish) at (800) 869-4499 (phone) or (202) 616-9881 (fax).

Additional information is available from the DOJ OIG website at: <http://www.usdoj.gov/oig>.

22. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in

EXHIBIT E: 2018 TITLE II AWARD FEDERAL CONDITIONS

accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient --
 - a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.
2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--
 - a. it represents that--
 - (1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - (2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and
 - b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

EXHIBIT E: 2018 TITLE II AWARD FEDERAL CONDITIONS

23. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The Grantee must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The Grantee also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

24. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages Grantees and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

25. Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency outside of DOJ

If the recipient is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OJP by email at OJP.ComplianceReporting@ojp.usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

26. The recipient agrees to comply with all Formula Grants Program requirements as outlined in the Juvenile Justice and Delinquency Prevention Act of 2002, the applicable guidelines, the Certified Assurances; and the most recent OJJDP Formula Grants Consolidated Regulation (28 CFR Part 31), to the extent that those regulations are not in conflict with the above.

27. FFATA reporting: Subawards and executive compensation

The Grantee acknowledges and agrees to comply with any request related to the BSCC's requirement to comply with applicable requirements to report first-tier subawards ("subgrants") of \$25,000 or more and, in certain circumstances, to report the names and

EXHIBIT E: 2018 TITLE II AWARD FEDERAL CONDITIONS

total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients (first-tier “subgrantees”) of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation) and are incorporated by reference here.

This condition, and its reporting requirement, does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

- 28.** “Methods of Administration” – monitoring compliance with civil rights laws and nondiscrimination provisions.

The Grantee acknowledges and agrees to comply with any request related to the BSCC’s requirement to monitor its subrecipients’ compliance with applicable federal civil rights laws. The BSCC has submitted written Methods of Administration (MOA) for ensuring subrecipients’ compliance to the OJP’s Office for Civil Rights at: CivilRightsMOA@usdoj.gov. The required elements of the MOA are set forth at http://www.ojp.usdoj.gov/funding/other_requirements.htm, under the heading, “Civil Rights Compliance Specific to State Administering Agencies.”

- 29.** Recipient integrity and performance matters: Requirement to report information on certain civil, criminal, and administrative proceedings to SAM and FAPIIS

The Grantee acknowledges and agrees to comply with any request related to the BSCC’s requirement to comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OJP award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management (known as “SAM”), to the designated federal integrity and performance system (currently, “FAPIIS”).

The details of the recipient’s obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, “FAPIIS”) within SAM are posted on the OJP web site at <https://ojp.gov/funding/FAPIIS.htm> (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here

EXHIBIT E: FEDERAL CONDITIONS ENJOINED BY COURT ORDER

Notice Regarding Enjoined Immigration Enforcement Conditions: For FY 2018 Title II funding, OJJDP sought to impose conditions related to the enforcement of 8 U.S.C. § 1373 on Title II funding. In related federal grants litigation, a United States District Court for the Northern District of California entered an order enjoining the enforcement of 8 U.S.C. § 1373's statutory obligations against any California state entity or political subdivision.
(Please see: <http://www.bscc.ca.gov/downloads/ECFNo.54-AmendedJudgmentandOrder.pdf>.)

As such, grantees are **not** required to implement or agree to these conditions while the injunction remains in place. The BSCC will continue to provide updates on the status of this litigation and any changes to the applicability of the challenged grant conditions.

1. Noninterference (within the funded "program or activity") with federal law enforcement: 8 U.S.C. 1373; ongoing compliance
 1. With respect to the "program or activity" funded in whole or part under this award (including any such program or activity of any subrecipient at any tier), throughout the period of performance, no State or local government entity, - agency, or -official may prohibit or in any way restrict-- (1) any government entity or -official from sending or receiving information regarding citizenship or immigration status as described in 8 U.S.C. 1373(a); or (2) a government entity or -agency from sending, requesting or receiving, maintaining, or exchanging information regarding immigration status as described in 8 U.S.C. 1373(b). Any prohibition (or restriction) that violates this condition is an "information communication restriction" under this award.
 2. Certifications from subrecipients. The recipient may not make a subaward to a State, a local government, or a "public" institution of higher education, unless it first obtains a certification of compliance with 8 U.S.C. 1373, properly executed by the chief legal officer of the government or educational institution that would receive the subaward, using the appropriate form available at <https://ojp.gov/funding/Explore/SampleCertifications-8USC1373.htm>. Also, the recipient must require that no subrecipient (at any tier) may make a further subaward to a State, a local government, or a public institution of higher education, unless it first obtains a certification of compliance with 8 U.S.C. 1373, properly executed by the chief legal officer of the government or institution that would receive the further subaward, using the appropriate OJP form.
 3. The recipient's monitoring responsibilities include monitoring of subrecipient compliance with the requirements of this condition.
 4. Allowable costs. Compliance with these requirements is an authorized and priority purpose of this award. To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) that the recipient, or any subrecipient at any tier that is a State, a local government, or a public institution of higher education, incurs to implement this condition.
 5. Rules of Construction
 - A. For purposes of this condition:

EXHIBIT E: FEDERAL CONDITIONS ENJOINED BY COURT ORDER

(1) "State" and "local government" include any agency or other entity thereof, but not any institution of higher education or any Indian tribe.

(2) A "public" institution of higher education is defined as one that is owned, controlled, or directly funded (in whole or in substantial part) by a State or local government. (Such a public institution is considered to be a "government entity," and its officials to be "government officials.")

(3) "Program or activity" means what it means under title VI of the Civil Rights Act of 1964 (see 42 U.S.C. 2000d-4a).

(4) "Immigration status" means what it means under 8 U.S.C. 1373; and terms defined in 8 U.S.C. 1101 mean what they mean under that section 1101, except that "State" also includes American Samoa (cf. 34 U.S.C. 10251(a)(2)).

(5) Pursuant to the provisions set out at (or referenced in) 8 U.S.C. 1551 note ("Abolition ... and Transfer of Functions"), references to the "Immigration and Naturalization Service" in 8 U.S.C. 1373 are to be read as references to particular components of the Department of Homeland Security (DHS).

B. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, any State or local government, any public institution of higher education, or any other entity (or individual) to violate any federal law, including any applicable civil rights or nondiscrimination law.

IMPORTANT NOTE: Any questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

2. Authority to obligate award funds contingent on noninterference (within the funded "program or activity") with federal law enforcement (8 U.S.C. 1373); unallowable costs; notification

1. If the recipient is a "State," a local government, or a "public" institution of higher education:

A. The recipient may not obligate award funds if, at the time of the obligation, the "program or activity" of the recipient (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that is funded in whole or in part with award funds is subject to any "information-communication restriction."

B. Any drawdown of award funds by the recipient shall be considered, for all purposes, to be a material representation by the recipient to OJP that, as of the date the recipient requests the drawdown, the recipient and each subrecipient (regardless of tier) that is a State, local government, or public institution of higher education, is in compliance with the award condition entitled "Noninterference (within the funded 'program or activity') with federal law enforcement: 8 U.S.C. 1373 and ongoing compliance."

C. The recipient must promptly notify OJP (in writing) if the recipient, from its requisite monitoring of compliance with award conditions or otherwise, has credible evidence that indicates that the funded program or activity of the recipient, or of any subrecipient at any tier that is either a State or a local government or a public institution of higher education, may be subject to any information-communication restriction. In addition, any subaward (at any tier) to a subrecipient that is a State, a local government, or a public institution of higher education

EXHIBIT E: FEDERAL CONDITIONS ENJOINED BY COURT ORDER

must require prompt notification to the entity that made the subaward, should the subrecipient have such credible evidence regarding an

information-communication restriction.

2. Any subaward (at any tier) to a subrecipient that is a State, a local government, or a public institution of higher education must provide that the subrecipient may not obligate award funds if, at the time of the obligation, the program or activity of the subrecipient (or of any further such subrecipient at any tier) that is funded in whole or in part with award funds is subject to any information-communication restriction.

3. Absent an express written determination by DOJ to the contrary, based upon a finding by DOJ of compelling circumstances (e.g., a small amount of award funds obligated by the recipient at the time of a subrecipient's minor and transitory non-compliance, which was unknown to the recipient despite diligent monitoring), any obligations of award funds that, under this condition, may not be made shall be unallowable costs for purposes of this award. In making any such determination, DOJ will give great weight to evidence submitted by the recipient that demonstrates diligent

monitoring of subrecipient compliance with the requirements set out in the "Noninterference ... 8 U.S.C. 1373 and ongoing compliance" award condition.

4. Rules of Construction

A. For purposes of this condition "information-communication restriction" has the meaning set out in the "Noninterference ... 8 U.S.C. 1373 and ongoing compliance" award condition.

B. Both the "Rules of Construction" and the "Important Note" set out in the "Noninterference ... 8 U.S.C. 1373 and ongoing compliance" award condition are incorporated by reference as though set forth here in full.

Appendix J: Sample Governing Board or Tribal Council Resolution

SECTION 4: (SAMPLE) Data Collection

The Federal Government and the BSCC are dedicated to assessing the impact of local projects on the youth directly served by the OJJDP Title II Formula Grant funding. Request for Proposal (RFP) applicants will need to have the capacity, and be prepared, to collect and provide specific outcome measures by race/ethnicity and gender on a quarterly basis via BSCC Progress Reports, if awarded grant dollars.

Data measures will be collected on a short term (measured quarterly- prior to the time youth leave or complete the project) and long term (measured within 6-12 months after a youth leaves or completes the project). The following list contains sample data measures for the six Title II Program Purpose Areas:

Project Youth Demographics:

- Gender (male; female)
- Offender Status (at-risk population- no prior offense; first-time offenders; repeat offenders; sex offenders; status offenders; violent offenders)
- Age (Under 11; 12-13; 14-15; 16-17; 18 and over)

- Project cost per youth

Project Assessment:

If applicable, data measures may also be collected that are mandated by the Office of Juvenile Justice and Delinquency Prevention under the Native American/Tribal program purpose area.

Appendix L: Certification of Compliance with BSCC Policies Regarding Debarment, Fraud, Theft, and Embezzlement

It is the policy of the BSCC to protect grant funds from unreasonable risks of fraudulent, criminal, or other improper use. As such, the Board will not enter into contracts or provide reimbursement to applicants that have been:

1. debarred by any federal, state, or local government entities during the period of debarment; or
2. convicted of fraud, theft, or embezzlement of federal, state, or local government grant funds for a period of three years following conviction.

Furthermore, the BSCC requires grant recipients to provide an assurance that there has been no applicable debarment, disqualification, suspension, or removal from a federal, state or local grant program on the part of the grantee at the time of application and that the grantee will immediately notify the BSCC should such debarment or conviction occur during the term of the Grant contract.

BSCC also requires that all grant recipients include, as a condition of award to a subgrantee or subcontractor, a requirement that the subgrantee or subcontractor will provide the same assurances to the grant recipient. If a grant recipient wishes to consider a subgrantee or subcontractor that has been debarred or convicted, the grant recipient must submit a written request for exception to the BSCC along with supporting documentation.

By checking the following boxes and signing below, applicant affirms that:

I/We are not currently debarred by any federal, state, or local entity from applying for or receiving federal, state, or local grant funds.

I/We have not been convicted of any crime involving theft, fraud, or embezzlement of federal, state, or local grant funds within the last three years. We will notify the BSCC should such debarment or conviction occur during the term of the Grant contract.

I/We will hold subgrantees and subcontractors to these same requirements.

A grantee may make a request in writing to the Executive Director of the BSCC for an exception to the debarment policy. Any determination made by the Executive Director shall be made in writing.
