Summary: Would create the California Youth Empowerment Act to address, among other issues, the growing need to engage youth directly with policymakers. The bill would establish the California Youth Empowerment Commission in state government consisting of 13 voting commissioners between 14 and 25 years of age and meeting specified requirements, with 11 members appointed by the Governor, one at-large member appointed by the Senate Committee on Rules, and one at-large member appointed by the Speaker of the Assembly, along with several ex officio, nonvoting members from various geographic regions of the state. The bill would establish the commission to be advisory in nature, for the main purpose of providing meaningful opportunities for civic engagement to improve the quality of life for California's disconnected and disadvantaged youth.

Summary: Current federal law prohibits a state from terminating Medi-Cal eligibility for an eligible juvenile if they are an inmate of a public institution, authorizes the suspension of Medicaid benefits to that eligible juvenile, and requires a state to conduct a redetermination of Medicaid eligibility or process an application for medical assistance under the Medicaid program for an eligible juvenile who is an inmate of a public institution. Under current state law, the suspension of Medi-Cal benefits to an inmate of a public institution who is a juvenile, as defined in federal law, ends when the individual is no longer an eligible juvenile pursuant to federal law or one year from the date the individual becomes an inmate of a public institution, whichever is later. This bill would instead require the suspension of Medi-Cal benefits to an inmate of a public institution who is not a juvenile to end on the date they are no longer an inmate of a public institution or 3 years from the date they become an inmate of a public institution, whichever is sooner.

Summary: Would reclassify children's crisis residential programs as children's crisis psychiatric

residential treatment facilities, and would transfer responsibility for licensing these facilities to the State Department of Health Care Services, contingent upon an appropriation in the annual Budget Act for these purposes. The bill would define "children's crisis psychiatric residential treatment facility" to mean a licensed residential facility operated by a public agency or private organization that provides the psychiatric services, as prescribed under the Medicaid regulations, to individuals under 21 years of age, in an inpatient setting.

Governor's Message: To the Members of the California State Assembly: I am returning Assembly Bill 226 without my signature. This bill would eliminate Children's Crisis Residential Programs (CCRPs) under the purview of the Department of Social Services and instead create Children's Crisis Psychiatric Residential Treatment Facilities (CCPRTFs) under the purview of the Department of Health Care Services, to provide intensive mental health care for children and youth, including those in foster care. It is important that all California youth receive the mental health services and supports they need. My Administration has made it a priority to transform California's children and youth behavioral health system into one in which all children and youth are routinely screened, supported, and served for emerging and existing behavioral health needs, and is working to implement transformative investments in the 2021-22 Budget that further this cause. AB 226 presents implementation challenges that cannot be overlooked or easily overcome. First, the bill would eliminate CCRPs, a Medicaid State Plan service the state is obligated to provide, creating a gap in the continuum of care for children and youth. Second, the bill does not appropriately identify the roles of the Department of Health Care Services, the county Mental Health Plans, and the California Department of Public Health in federally certifying the proposed CCPRTF program. Finally, should CCPRTFs be authorized as a treatment option, it is critical to develop adequate safeguards so children are not in CCPRTFs any longer than necessary. These safeguards are not included in this bill. My Administration looks forward to working with the Legislature and stakeholders before the Legislature reconvenes on a proposed solution that is in the best interest of all youth experiencing mental health crises. Sincerely, Gavin Newsom

Summary: Current law prohibits the state from seeking a criminal conviction or sentence on the basis of race, ethnicity, or national origin, as specified, and, in a case in which judgment has not been entered prior to January 1, 2021, allows a petition to be filed alleging a violation of that prohibition. Current law authorizes a court that finds a violation of that prohibition to impose specified remedies, including, among other things, vacating the conviction or sentence and ordering new proceedings. This bill would additionally authorize that petition to be filed for cases in which a judgment was entered as final prior to January 1, 2021, as specified, and in cases in which a juvenile disposition resulted in a commitment to the Division of Juvenile Justice, as specified. The bill would, if a motion under these provisions is based on the conduct or statements by the judge, require the judge to disqualify themselves from those proceedings.

Summary: Current law requires the Office of the State Foster Care Ombudsperson to be established in the State Department of Social Services with prescribed powers and duties relating to the management of foster children, including the dissemination of information on the rights of children and youth in foster care. Current law requires the Director of Social Services, in consultation with a committee of interested individuals chosen by the director, to appoint the ombudsperson for a term of 4 years. Under existing law, the office is required to keep information obtained by the office from a complaint confidential. This bill would define "foster care" for purposes of the ombudsperson's duties to include voluntary or governmental placements in certain residential facilities, with a resource family, or with a family pending approval as a resource family, or placement pursuant to a juvenile court order, as specified.

Summary: Current law makes it a crime, punishable as either a misdemeanor or a felony, to actively participate in a criminal street gang with knowledge that its members engage in, or have engaged in, a pattern of criminal gang activity and to actively promote, further, or assist in felonious criminal conduct by members of that gang. This bill would also require that the crimes committed to form a pattern of criminal gang activity have commonly benefited a criminal street gang and that the common benefit from the offenses be more than reputational, as specified. The bill would remove looting, felony vandalism, and specified personal identity fraud violations from the crimes that define a pattern of criminal gang activity. The bill would prohibit the use of the currently charged crime to prove the pattern of criminal gang activity.

Summary: Current law requires the State Department of Social Services to adopt standards pertaining to the home environment and permanency assessments of a resource family according to specified standards, including that the total number of children residing in the home of a resource family be no more than the total number of children the resource family can properly care for, regardless of status, and may not exceed 6 children, except as specified. Current law requires the court to suspend sibling interaction if it determines by clear and convincing evidence that sibling interaction is detrimental to the well-being of any of the siblings. This bill would prohibit the physical capacity of the home from being the sole reason to deny placement of a sibling group if each child in the home has an age-appropriate place to sleep and there are no other safety risks.

Summary: Current law, subject to an annual appropriation in the annual Budget Act, requires the Department of Housing and Community Development to provide funding to counties for allocation to child welfare services agencies to help young adults who are 18 to 24 years of age secure and maintain housing, with priority given to young adults formerly in the state's foster care or probation systems. Current law suspends this program on December 31, 2021, unless the Department of Finance makes a specified finding. This bill would delete the provisions conditionally suspending that program and subjecting the requirements of the program to an annual appropriation in the Budget Act.

The bill would require a community college district that wishes to participate in the Rising Scholars Network to apply to the board of governors for funding pursuant to these provisions, as provided, and would require the board of governors to adopt regulations for the Rising Scholars Network that fulfill certain goals and guidance. The bill would require the board of governors, on or before December 31, 2023, and every 2 years thereafter, to submit a report, as specified, describing its efforts to serve justice-involved students, and including recommendations on whether and how the Rising Scholars Network can be expanded to all community college districts and campuses.

Summary: Existing law, the Stop Tobacco Access to Kids Enforcement (STAKE) Act, prohibits a person from selling or otherwise furnishing tobacco products, as defined, to a person under 21 years of age. The STAKE Act requires a person engaged in the retail sale of tobacco products to check the identification of a tobacco purchaser to establish the purchaser's age if the purchaser reasonably appears to be under 21 years of age. Among other provisions, the act requires the State Department of Public Health to establish and develop a program to reduce the availability of tobacco products to persons under 21 years of age through various enforcement activities. The act also authorizes enforcing agencies, as defined, to assess specified civil penalties for the furnishing of tobacco products to a person under 21 years of age, but makes these penalties inapplicable if the person being furnished the product is active duty military personnel who is 18 years of age or older. This bill would expressly authorize a city, county, or city and county to adopt an ordinance prohibiting a person under 21 years of age from possessing any tobacco cigarette or other tobacco product. The penalty under the ordinance would be the issuance of an administrative citation requiring the person to participate in an antismoking educational program. The bill would additionally authorize the ordinance to require the confiscation of a tobacco product from a person under 18 years of age, as specified. The bill's prohibitions would not apply with respect to active duty military personnel who are 18 years of age or older.

Summary: Current law subjects a minor between 12 and 17 years of age, inclusive, who violates any federal, state, or local law or ordinance, who persistently or habitually refuses to obey the reasonable and proper orders or directions of the minor's parents, guardian, or custodian, or who is beyond the control of that person, who violates an ordinance establishing a curfew or is truant, and a minor under 12 years of age who is alleged to have committed specified serious offenses, to the jurisdiction of the juvenile court, which may adjudge the minor to be a ward of the court. When a minor is adjudged to be a ward of the court, as previously described, and is placed under the supervision of the probation officer or committed to the care, custody, and control of the probation officer, current law authorizes the court to make any and all reasonable orders for the conduct of the ward, and to impose and require any and all reasonable conditions that it may determine fitting and proper to the end that justice may be done and the reformation and rehabilitation of the ward enhanced. This bill would limit to 6 months the period of time a ward may remain on probation, except that a court may extend the probation period for a period not to exceed increments of 6 months after a noticed hearing and upon proof by a preponderance of the evidence that it is in the ward's best interest.

Governor's Message: To the Members of the California State Assembly: I am returning Assembly Bill 503 without my signature. This bill would limit the period of time in which a court may place a ward of the court on probation to six months and extend probation in six month increments upon proof that it is in the best interest of the ward. I support juvenile justice reform and rehabilitation, which is why, in 2020, I led the effort to realign juvenile justice in California. Realignment is an important reform that has impacted every step of the juvenile justice process, from placement decisions to discharge. County probation has had to work swiftly to adapt to providing care and programming to a new population. Realignment will not be final until the Division of Juvenile Justice closes in June of next year. As counties prepare for the full implementation of realignment, I am concerned that changes to the juvenile justice system, like those outlined in this legislation, create additional workload for the courts and probation during realignment. I am also concerned about costs driven by the increased number of hearings, the courts estimate that this increased workload will cost millions of dollars. For these reasons, I cannot sign this bill. Sincerely, Gavin Newsom

Summary: Current law requires, for youth who were found to be within the jurisdiction of the juvenile court prior to attaining 18 years of age and who were continuously detained, but who attained 18 years of age prior to the juvenile court holding a dispositional hearing, the court to hold a dispositional hearing if the youth provides informed consent. Current law requires, for certain youth subject to these provisions who choose not to remain in foster care, the court to set a hearing to terminate jurisdiction. This bill would make youth eligible for a dispositional hearing pursuant to these provisions if, instead of being continuously detained, the youth was continuously subject to a detention order.

Summary: The California Community Care Facilities Act requires the State Department of Social Services to license and regulate transitional housing placement providers pursuant to the act. Under current law, a transitional housing placement provider is an organization licensed by the department to provide transitional housing to foster children at least 16 years of age and to nonminor dependents to promote their transition to adulthood. Current law requires a transitional housing unit to meet certain housing and supervision requirements, which may include a host family certified by a transitional housing placement provider with whom a participant lives in an apartment, single-family dwelling, or condominium. This bill would require a transitional housing unit with a host family to include supervised transitional housing services provided by the licensed transitional housing placement provider. With respect to a transitional housing placement program serving nonminor dependents, the bill would additionally authorize certain entities, including a resource family approved by a foster family agency or a county, a licensed foster family home, a certified family home, an approved relative caregiver, or a nonrelative extended family member of a participant to operate as a host family.

Summary: Currnt law provides that any person who willfully disturbs any public school or any public school meeting is guilty of a misdemeanor and subject to a fine of not more than \$500. Under current law, whenever any employee of a school district or county superintendent of schools is attacked, assaulted, or physically threatened by any pupil, the employee and any person under whose direction or supervision the employee is employed who has knowledge of the incident are required to promptly report the incident to specified law enforcement authorities. Failure to make the report is an infraction punishable by a fine of not more than \$1,000. An act by specified persons to inhibit or impede the making of the report is an infraction punishable by a fine of not less than \$500 and not more than \$1,000. This bill would repeal those provisions.

Summary: Current law subjects a minor between 12 and 17 years of age, inclusive, who violates any federal, state, or local law or ordinance to, and a minor under 12 years of age who is alleged to have committed specified serious offenses to the jurisdiction of the juvenile court, which may adjudge the minor to be a ward of the court. Current law authorizes the district attorney to make a motion to transfer a minor from juvenile court to a court of criminal jurisdiction in a case in which a minor is alleged to have committed a felony when the minor was 16 years of age or older, or in a case in which a specified serious offense is alleged to have been committed by a minor when the minor was 14 or 15 years of age, but the minor was not apprehended prior to the end of juvenile court jurisdiction. This bill would make an order transferring a minor from a juvenile court to a court of criminal jurisdiction subject to appeal. This bill would require an order transferring a minor from the juvenile court to a court of criminal jurisdiction to be subject to immediate appellate review if a notice of appeal is filed within 30 days of the order transferring the minor.

Summary: Current law requires a petition for the establishment of a charter school to contain comprehensive descriptions of various matters and procedures, including procedures by which pupils can be suspended or expelled from the charter school for disciplinary reasons or otherwise involuntarily removed for any reason. Current law requires these procedures to contain a clear statement that no pupil shall be involuntarily removed by the charter school for any reason unless the parent or guardian of the pupil has been provided written notice of the intent to remove the pupil no less than 5 schooldays before the effective date of the action. Current law requires the written notice to inform the pupil, the pupil's parent or guardian, or the pupil's educational rights holder of the right to initiate a hearing adjudicated by a neutral officer before the pupil may be involuntarily removed by the charter school. This bill would require the written notice to be provided to and inform the foster child's educational rights holder, attorney, and county social worker and, if applicable, the Indian child's tribal social worker and, if applicable, county social worker of the right to initiate a hearing adjudicated by a neutral officer before the foster child or, if applicable, Indian child may be involuntarily removed by the charter school.

Summary: Current law provides for the implementation of the resource family approval process, which replaces the multiple processes for licensing foster family homes, certifying foster homes by foster family agencies, approving relatives and nonrelative extended family members as foster care providers, and approving guardians and adoptive families. Current law imposes various requirements on resource families, including training standards. This bill would require the State Department of Social Services to license specialized foster homes as residential facilities providing board, care, and supervision by a resource parent pursuant to standards developed in consultation with specified entities and persons. The bill would require specialized foster homes to meet prescribed standards, including training, that apply to resource families, and to complete training as a condition of obtaining and maintaining licensure. The bill would establish rates standards, including regional rate requirements, and, by January 1, 2023, would require the department to adopt regulations and determine appropriate provider rates.

Summary: Current law, added by Proposition 184, approved at the November 8, 1994, statewide general election, and amended by the Three Strikes Reform Act of 2012, approved as Proposition 36 at the November 6, 2012, statewide general election, commonly known as the Three Strikes Law, imposes additional years of imprisonment in state prison on a person who commits a serious or violent felony and has been convicted of, or who has a prior conviction for, a serious or violent felony. A prior juvenile adjudication constitutes a prior serious or violent felony conviction for purposes of this

sentence enhancement if the juvenile was 16 years of age at the time and other requirements are met. The Legislature may directly amend these initiatives by a statute passed in each house by a 2/3 vote, or by a statute that becomes effective only when approved by the voters. This bill would amend those initiative statutes by prohibiting a prior juvenile adjudication from being considered a prior serious or violent felony conviction for purposes of sentence enhancement.

Summary: Current law, as amended by the Public Safety and Rehabilitation Act of 2016, enacted by Proposition 57 at the November 8, 2016, statewide general election, authorizes the district attorney to make a motion to transfer a minor from juvenile court to a court of criminal jurisdiction in a case in

which a minor is alleged to have committed a felony when the minor was 16 years of age or older, or in a case in which a specified serious offense is alleged to have been committed by a minor when the minor was 14 or 15 years of age, but the minor was not apprehended prior to the end of juvenile court jurisdiction. The act requires the juvenile court to decide whether the minor should be transferred to a court of criminal jurisdiction following submission and consideration of a specified report from the probation officer, and of any other relevant evidence, and requires the court to consider certain criteria in making its decision, including whether the minor can be rehabilitated prior to the expiration of the juvenile court's jurisdiction and the success of previous attempts by the juvenile court to rehabilitate the minor. Current law requires the court to recite the basis for its decision to transfer jurisdiction in an order entered upon the minutes. This bill would require the court to find by clear and convincing evidence that the minor is not amenable to rehabilitation while under the jurisdiction of the juvenile court in order to find that the minor should be transferred to a court of criminal jurisdiction, and would require the order reciting the court's basis for its decision to transfer jurisdiction to include the reasons supporting the court's finding that the minor is not amenable to rehabilitation while under the jurisdiction of the juvenile court.

Summary: Current law requires the Division of Juvenile Justice to close on June 30, 2023, and provides for the transition of youth who are currently housed within a Division of Juvenile Justice facility to the care and custody of counties. Current law further requires that, beginning July 1, 2021, counties are generally responsible for all youth adjudged wards of the court. Current law requires the office to have an ombudsperson who has the authority to investigate complaints from youth, families, staff, and others about harmful conditions or practices, violations of laws and regulations governing facilities, and circumstances presenting an emergency situation, or to refer complaints to another body for investigation. Current law requires the ombudsperson to notify a complainant of the decision to investigate or refer the complaint. Current law requires the ombudsperson to publish and provide regular reports to the Legislature about complaints received and subsequent findings and actions taken. This bill would require the ombudsperson to notify the complainant in writing of the intention to investigate or refer the complaint for investigation. The bill would also require the ombudsperson to provide written notice of the final outcome of a complaint. The bill would require data published and provided to the Legislature by the ombudsperson to be disaggregated by gender, sexual orientation, race, and ethnicity of the complainants to the extent this information is available.

Summary: Would require the State Department of Social Services to update all regulations, all-county letters, and other instructions relating to the investigation of a minor who may be within the jurisdiction of the juvenile court to ensure that, when a social worker is investigating an alleged case of child abuse or neglect, a parent's or guardian's use or possession of cannabis is treated in the same manner as a parent's or guardian's use or possession of alcohol and legally prescribed medication.

Summary: Current law authorizes a probation officer to release a minor who has been taken into temporary custody because they have been alleged to have committed an offense back to the custody of their parent, legal guardian, or responsible relative on home supervision under the supervision of the probation officer, except as specified. Current law authorizes the use of electronic monitoring in criminal court under a home detention program for inmates held in a county jail or other correctional facility or granted probation, or inmates participating in a work furlough program, under certain conditions, in lieu of confinement. Current law also requires that for all felony and misdemeanor sentences, when the defendant has been in custody, that all days of custody of the defendant, including days served in home detention under electronic monitoring, are to be credited upon the defendant's term of imprisonment, or credited to any base fine, as specified. This bill would entitle a minor to have one day credited against the minor's maximum term of confinement for each day, or fraction thereof, that the minor serves on electronic monitoring. This bill would, if electronic monitoring is imposed for a period of greater than 30 days, require the court to hold a hearing every 30 days to ensure that the minor does not remain on electronic monitoring for an unreasonable length of time, as specified.

Summary: Current law generally authorizes a court to dismiss an action or to strike or dismiss an enhancement in the furtherance of justice. This bill would, except as specified, require a court to dismiss an enhancement if it is in the furtherance of justice to do so. The bill would require a court to consider and afford great weight to evidence offered by the defendant to prove that specified mitigating circumstances are present. The bill would provide that proof of the presence of one or more specified mitigating circumstances weighs greatly in favor of dismissing an enhancement, unless the court finds that dismissal would endanger public safety, as defined.

Summary: Current law authorizes, in certain circumstances, a child who has been removed from their parent or guardian to be placed with a relative or nonrelative extended family member if the relative or nonrelative extended family member is either an approved resource family or has been assessed by a county social worker or a county probation agency and, among other things, the relative or nonrelative extended family member has not been convicted of a crime for which a criminal record exemption cannot be granted, has been granted a criminal record exemption, or, in certain circumstances, a criminal record exemption is pending. This bill would, notwithstanding those provisions, authorize the court to order placement with a relative, regardless of the status of any criminal exemption or resource family approval, if the court finds that the placement does not pose a risk to the health and safety of the child.

Summary: Current law authorizes a probation officer, in certain circumstances, to delineate a specific program of supervision for a minor who is alleged to have committed a crime. Current law makes a minor ineligible for that program of supervision for specified reasons, including if the minor is alleged to have sold or possessed for sale a controlled substance or is alleged to have committed an offense in which the restitution owed to the victim exceeds \$1,000, except in those unusual cases in which the interest of justice would best be served. The Gang Violence and Juvenile Crime Prevention Act of 1998, approved as Proposition 21 at the March 7, 2000, statewide primary election, also makes a minor ineligible for this program of supervision if the minor is alleged to have committed a felony offense when the minor was at least 14 years of age, except in unusual cases in which the court determines that the interest of justice would best be served by placement of the minor in the program of supervision. The Legislature may directly amend Proposition 21 by a statute passed in each house by a 2/3 vote, or by a statute that becomes effective only when approved by the voters. This bill would delete the prohibitions on including in that program of supervision minors alleged to have sold or possessed for sale a controlled substance, minors alleged to have committed certain offenses related to controlled substances while on school grounds, and minors alleged to have committed a felony offense when the minor was at least 14 years of age.

Summary: Current law requires a county social worker to investigate the circumstances of each child taken into temporary custody by a peace officer who has reasonable cause to believe the child is the victim of abuse or neglect. Current law similarly requires a probation officer to investigate the circumstances of a minor who has been taken into temporary custody due to the commission of a crime or truancy. Current law requires the social worker, and the probation officer if the probation officer has reason to believe that the minor is at risk of entering a foster care placement, to conduct an investigation to identify and locate adult relatives of the child, as specified, and to provide them with a notification that the child has been removed from the custody of the child's parents, guardians, or Indian custodian, and an explanation of the various options to participate in the care and placement of the child. This bill would require county welfare departments and probation departments to notify the State Department of Social Services, on or before January 1, 2024, as to whether it has adopted certain suggested practices for family finding and whether the practice has been implemented. If a county welfare department or probation department has not adopted one of the suggested practices for family finding, the bill would require the county department to provide a copy to the State Department of Social Services of its existing family finding policies and practices in existence prior to January 1, 2022.

Summary: Current law establishes the Social Innovation Financing Program, administered by the Board of State and Community Corrections, to award grants to 3 counties selected by the board, for the purpose of entering into a social innovation financing contract, pursuant to which private investors agree to provide financing to service providers to achieve social outcomes agreed upon in advance and the government agency that is a party to the contractual agreement agrees to pay a return on the investment to the investors if successful programmatic outcomes are achieved by the service provider. Current law requires the board and each county receiving an award to report annually to the Governor and Legislature, as specified. Current law repeals the program on January 1, 2022. This bill would, commencing July 1, 2022, authorize the board, upon an appropriation by the Legislature to the Social Innovation Fund created by this bill, to award a new round of grants to 5 counties selected by the board, as specified.

Summary: Current law establishes the jurisdiction of the juvenile court, which may adjudge a child to be a dependent or ward of the court under certain circumstances. Current law authorizes only a juvenile court judicial offer, when a child is adjudged a dependent child of the court and has been removed from the physical custody of the parent or placed in foster care, to make orders regarding the administration of psychotropic medications for that child or minor. Upon approval or denial by the juvenile court judicial officer of a request for authorization for the administration of psychotropic medication, existing law requires the person or entity that submitted the request to provide a copy of the court order approving or denying the request to the caregiver. This bill would specify that the court order approving a request shall include the last 2 pages of form JV-220(A) or JV-220(B), and all medication information sheets attached thereto, and require these documents also be provided to the caregiver.

Summary: Current federal law provides that students who are enrolled in college or other institutions of higher education at least half-time are not eligible for SNAP benefits unless they meet one of several specified exemptions, including participating in specified employment and training programs. Current state law requires, for the purposes of determining eligibility for CalFresh, certain educational programs, as determined by the State Department of Social Services, to be considered employment and training programs, thereby qualifying a student participating in one of those programs for an exemption, unless prohibited by federal law. Current law requires the department to maintain and regularly update a list of programs that meet the employment and training exemption set forth in federal regulations. Current law also requires the department to issue and maintain instructions for county human services agencies to verify exemptions to the CalFresh student eligibility rule for specified students. This bill would also require the department to post on its internet website that program list and those instructions to counties, and would require the instructions to include specific guidance for processing applications, reporting, and recertification for additional students who are exempt from the CalFresh student eligibility rule.
