

## SUMMARY TABLE OF PLANNED YOBG EXPENDITURES

Listed below are 52 Expenditure Categories organized into three general types - Placement Expenditures, Direct Services Expenditures and Capacity Building/Maintenance Activities Expenditures. In the table below the list, use the drop down menu to enter the numerical code of each Expenditure Category for which you plan to spend YOBG funds in the 2016-2017 fiscal year. For each Expenditure Category you select, use the drop down menus to indicate whether you also plan to spend JJCPA funds and/or Other funds on the Expenditure Category.

### Selecting the Appropriate Expenditure Categories

**Placement Expenditure Categories** (Categories 1 through 7) - Restrict Use of these Categories to instances where YOBG funds will be used for routine placement services (e.g., housing and standard services in the juvenile hall).

**Direct Services Expenditures** (Categories 8 through 44) - These categories refer to types of programs. Use these categories in those instances where you plan to use YOBG funds to support direct services and interventions. For a YOBG-funded direct service or intervention that does not fall within any of these expenditure categories, enter either numerical code 43 or numerical code 44.

**Capacity Building/Maintenance Activities Expenditures** (Categories 45 through 52) - Use these categories to report all additional planned YOBG expenditures that are not accounted for by expenditure categories 1 through 44. In general, these categories should be used to report planned YOBG expenditures dedicated to improving or maintaining the capacity of the organization (staff training and development [not associated with the other expenditure categories]); capital improvements [not associated with the other expenditure categories], etc.). Use these categories only to account for planned YOBG expenditures that are not accounted for elsewhere.

### Accounting for Multiple Programs/Activities Within an Expenditure Category

If you plan to spend YOBG funds on more than one program within an Expenditure Category, enter the Expenditure Category only once in the below table, and combine the planned expenditures for all the programs within the category for purposes of reporting detailed expenditures for this category in the template provided for this purpose in the subsequent worksheet labeled "EXPENDITURE DETAILS."

If one of the programs/activities you plan to fund with YOBG monies bridges more than one Expenditure Category, enter the Expenditure Category once and include all planned expenditures for the Expenditure Category you selected. For example, if you will have an Alcohol and Drug Program that includes Mentoring, you most likely will enter Alcohol and Drug Program in the below table, and report all planned expenditures for the program (including the Mentoring component) when you report the detailed planned expenditures for this category in the "EXPENDITURES DETAIL" worksheet.

For each Expenditure Category you identify for planned expenditures of YOBG funds during the 2016-2017 fiscal year you must complete a separate template in the next worksheet. It is therefore critical that you review the below list and enter all appropriate Expenditure Categories and other required information in the SUMMARY TABLE OF YOBG EXPENDITURES before proceeding to the next worksheet.
