This bill would require the items in the store be offered at the cost paid to the vendor supplying the article, would rename the inmate welfare fund the incarcerated peoples' welfare fund and would require money in the fund to be expended solely for the benefit, education, and welfare of inmates. The bill would require articles offered for sale at the store to only be available for purchase by incarcerated people and not staff of the jail. Existing law imposes specified procedural and substantive content requirements on contracts entered into by local agencies, including cities and counties. This bill would require any contract entered into or renewed on or after January 1, 2020, to provide communications or information services to any person detained or sentenced to a jail or juvenile facility to be negotiated and awarded to an entity that meets the jail or juvenile facility's technical, functional, and security requirements for services, and that provides the lowest cost of service to any person who pays for the communications service. The bill would prohibit any commission or other payment, as defined, to the entity operating the jail or juvenile facility. The bill would further require that telephone rates and other service rates affected by these provisions be reduced in response to the elimination of commission fees. 			<p>Construction Act, regulates contracting by counties and cities, among others, and requires a prospective bidder for a contract to submit specified information. This bill would require a county sheriff to negotiate and award contracts that provide county jails with communications, information, or commissary services based on providing the best price to the consumer in accordance with specified procedures and requirements. The bill would require a bid for these contracts to include the cost to the consumer. The bill would require a contract for communications, information, or commissary services to include specified provisions, including a provision prohibiting specified fees, a provision relating to renegotiation of the contract by the county sheriff, and provisions relating to consumer refunds. The bill would provide that a contract negotiated under these provisions is not valid until it is found by the county board of supervisors as being in compliance with these requirements. The bill would prohibit the bundling of contracts and would require a separate contract for each distinct good or service provided. The bill would require the sheriff to perform specified testing of the goods and services provided under the contract, and the county board of supervisors to provide a certified copy of each contract to the county controller.</p>

This bill would provide that the juvenile court may maintain jurisdiction over a person until the person attains 24 years of age. This bill would require detention, if necessary, take place in the minor's or youth's home, unless detention in juvenile hall is necessary for specified reasons, including for the protection of others. This bill would, among other things, limit probation to only those behaviors that are necessary for public safety and specifically related to individual risk factors and would require minors to receive individualized family-centered, strength-based case plans when adjudged probation. The county shall apply to the BSCC for approval of a county institution established for the purpose of housing juveniles as a suitable place for confinement before the institution is used for the detention or commitment of an individual under the jurisdiction of the juvenile court who is 19 years of age or older but under 21 years of age where the detained person will come into or remain in contact with persons under 18 years of age who are detained in the institution. The authority board shall review and approve or deny the application of the county within 30 days of receiving notice of this proposed use.
