## Prop 64 PH&S Grant Cohort 2

The second round of Proposition 64 Public Health and Safety Grant Projects (Cohort 2) began May 1, 2021 and will provided services and grant activities by the state through April 30, 2024. These projects address an array of local topics including juvenile development and prevention and intervention activities; educational media campaigns for public health risks on the use of cannabis; and compliance and enforcement work. All project components and activities must be linked to local issues due to the implementation of the Control, Regulate and Tax Adult Use of Marijuana Act (i.e., the legalization of adult recreational use cannabis in California).

## Prop 64 PH&S Grant Cohort 1

Round 1 of Proposition 64 Public Health and Safety Grant Projects (Cohort 1) began on October 1, 2020 and will continue to provide services and grant activities funded by the state through September 30, 2023. These projects address an array of local topics including juvenile development, and prevention and intervention activities; educational campaigns for public health risks on the use of cannabis; compliance and enforcement work; and environmental management. All project components and activities must be linked to local issues due to the implementation of the Control, Regulate and Tax Adult Use of Marijuana Act (i.e., the legalization of adult recreational use cannabis in California).

## 2022 Proud Parenting Grant Program

The intent of the Proud Parenting Grant Program is to support young parents who are or were involved in the juvenile systems and/or who are considered crossover youth within the child welfare system. This grant program assists participants and their children by supporting approaches that increase parenting knowledge, supports positive parent-child interactions, and improves co-parenting relationships. In addition, the grant helps to provide community linkages and encourages family centered activities to strengthen generational bonding.
