

Juvenile Justice Crime Prevention Act - Youthful Offender Block Grant 2019 Expenditure and Data Report Due Date: October 1, 2019

On or before October 1, 2019, each county is required to submit to the Board of State & Community Corrections (BSCC) a report on its Juvenile Justice Crime Prevention Act (JJCPA) and Youthful Offender Block Grant (YOBG) programs during the preceding year. For JJCPA this requirement can be found at Government Code (GC) Section 30061(b)(4)(C) and for YOBG it can be found at Welfare & Institutions Code Section (WIC) 1961(c). These code sections both call for a consolidated report format that includes a description of the programs and other activities supported by JJCPA and/or YOBG funds, an accounting of all JJCPA and YOBG expenditures during the prior fiscal year, and countywide juvenile justice trend data.

Prior to submitting this report save the file using the following naming convention: "(County Name) 2019 JJCPA-YOBG Report." For example, Yuba County would name its file "Yuba 2019 JJCPA-YOBG Report".

Once the report is complete, attach the file to an email and send it to: **JJCPA-YOBG@bscc.ca.gov**. All reports will be posted to the BSCC website. We encourage you to review your report for accuracy before sending it to the BSCC. Please do **NOT** change the report form to a PDF document.

Government Code Section 30061(b)(4)(C)(iv) & WIC Section 1961(c)(3)

Provide a summary description or analysis, based on available information, of how the programs, placements, services, strategies or system enhancements funded by JJCPA-YOBG have, or may have, contributed to, or influenced, the juvenile justice data trends identified in this report.

In the past, YOBG funds were used primarily for the Juvenile Hall Youth. JJCPA funds were used to help fund programs for Alternative education and a Community Based Organization, Healthly Communities, for after school activities. In 2008, Inyo County, began developing and using Evidence Based Practices (EBP) for our Juvenile Hall Programs using YOBG funds. Since that time we began to see less recidivism with youth returning to our Juvenile Hall. Due to decreasing numbers of Youth being arrested, detained, and committed to our Juvenile Hall, a decision was made to convert our Full Service Juvenile Hall into a 96 hours Special Purpose Juvenile Hall, using it mainly for weekend comittments. We changed to titles of our highly trained Group Counselors, to Rehabilition Specialists, with the intent to use them to provide services to out of custody Youth and adults. Beginning on September 22, 2016, our Rehabilitation Specialists began serving a broader population of youth in Inyo County. We began using YOBG funds to serve, out of custody, high/at risk Youth with EBP Early Intervention programing in three local High Schools to help distance these Youth from the criminal justice system. Due to the success, what began as a Pilot Program has evolved into serving 8 schools in Inyo County with Early Intervention Services for high/at risk Youth with the use of YOBG and JJCPA funds.

Use the template(s) below to report the programs, placements, services, strategies, and/or system enhancements you funded in the preceding fiscal year. Use a separate template for each program, placement, service, strategy, or system enhancement that was supported with JJCPA and/or YOBG funds. If you need more templates than provided, click on the "Add'I EXPENDITURE DETAIL Forms" tab.

Start by indicating the name of the first program, placement, service, strategy, or system enhancement that was funded with JJCPA and/or YOBG funds last year. Next indicate the expenditure category using the drop down list provided in the Expenditure Category portion on each of the templates.

For each program, placement, service, strategy, or system enhancement, record actual expenditure details for the preceding fiscal year. Expenditures will be categorized as coming from one or more of three funding sources - JJCPA funds, YOBG funds, and other funding sources (local, federal, other state, private, etc.). Be sure to report all JJCPA and YOBG expenditures for the preceding fiscal year irrespective of the fiscal year during which the funds were allocated. Definitions of the budget line items are provided on the next page.

ACCOUNTING OF JJCPA-YOBG EXPENDITURES for:

Inyo

Salaries and Benefits includes all expenditures related to paying the salaries and benefits of county probation (or other county department) employees who were directly involved in grant-related activities.

Services and Supplies includes expenditures for services and supplies necessary for the operation of the project (e.g., lease payments for vehicles and/or office space, office supplies) and/or services provided to participants and/or family members as part of the project's design (e.g., basic necessities such as food, clothing, transportation, and shelter/housing; and related costs).

Professional Services includes all services provided by individuals and agencies with whom the County contracts. The county is responsible for reimbursing every contracted individual/agency.

Community-Based Organizations (CBO) includes all expenditures for services received from CBO's. **NOTE**: If you use JJCPA and/or YOBG funds to contract with a CBO, report that expenditure on this line item rather than on the Professional Services line item.

Fixed Assets/Equipment includes items such as vehicles and equipment needed to implement and/or operate the program, placement, service, etc. (e.g., computer and other office equipment including furniture).

Administrative Overhead includes all costs associated with administration of the program, placement, service, strategy, and/or system enhancement being supported by JJCPA and/or YOBG funds.

Use the space below the budget detail to provide a narrative description for each program, placement, service, strategy, and/or system enhancement that was funded last year. To do so, double click on the response box provided for this purpose.

Repeat this process as many times as needed to fully account for all programs, placements, services, strategies, and systems enhancements that were funded with JJCPA and/or YOBG during the last fiscal year. Keep in mind that this full report will be posted on the BSCC website in accordance with state law.

And, as previously stated, we strongly suggest you use Spell Check before returning to the BSCC.
