EQUAL OPPORTUNITY EMPLOYER

The State of California and the Board of State and Community Corrections (BSCC) is an equal opportunity employer to all, regardless of age, ancestry, color, disability (mental and physical), exercising the right to family care and medical leave, gender, gender expression, gender identity, genetic information, marital status, medical condition, military or veteran status, national origin, political affiliation, race, religious creed, sex (includes pregnancy, childbirth, breastfeeding and related medical conditions), and sexual orientation.

It is an objective of the State of California and the BSCC to achieve a drug-free work place. Any applicant for state employment will be expected to behave in accordance with this objective because the use of illegal drugs is inconsistent with the law of the State, the rules governing Civil Service, and the special trust placed in public servants.

DEPARTMENT INFORMATION

The BSCC is an independent statutory agency that provides leadership, coordination and technical assistance in support of local community corrections systems. The BSCC promulgates regulations for the operation of adult and juvenile detention facilities and conducts regular inspections of those facilities, develops standards for the selection and training of local corrections and probation officers, administers numerous public safety-related grant programs, and administers state lease revenue bonds for the construction of local adult and juvenile facilities.

SCOPE OF POSITION

Under administrative direction of the BSCC Executive Director, the Deputy Director of the County Facilities Construction (CFC) Division plans, organizes, directs and coordinates all activities to competitively award jail construction grants, manage the state lease revenue bond process, coordinate local and state partnerships, and provide oversight of the Title 24 components of the construction projects. The CFC Deputy Director is responsible for policy formation and decision making to ensure the effective operation of the Division, communicating with state and local policy makers, and coordinating the timely completion of major facility construction project milestones.

See attached duty statement for additional information.
