

OCTOBER CORE COORDINATOR REGIONAL MEETINGS

Please join Standards and Training for Corrections (STC) for the final Core Coordinator Regional Meeting (CCRM) of this calendar year. CCRMs are FREE and will include:

- STC updates and announcements.
- an informal roundtable discussion to seek input and information from other core coordinators and STC field representatives.
- four hours of STC certified training on how to develop a lesson plan .
- All core coordinators are encouraged to bring assigned staff or instructors who will be developing training.

All Core Course Coordinators are strongly encouraged to attend the CCRMs. The meetings provide a discussion forum with other core coordinators and are a crucial link for STC with the field for improving the services that STC provides.
