PART I: GRANT INFORMATION

Grant Program Background

The Proud Parenting Grant Program, previously known as the “Young Men as Fathers Program,” was originally established in 1997 under the California Youth Authority. In 2005, the Corrections Standards Authority assumed grant administration responsibility for the program and in 2012, upon its establishment, the Board of State and Community Corrections (BSCC) assumed responsibility. This grant program funds parenting services to young parents and expectant parents between the ages of 14 and 25 (at time of project participation enrollment) who were involved in the criminal/juvenile justice systems and/or considered crossover youth within the child welfare system.

Funding for this grant program has historically been appropriated annually in the California State Budget Act at $835,000.

Contact Information

This Request for Proposals (RFP) provides the information necessary to prepare a proposal to the BSCC for grant funds available through the Proud Parenting Grant Program.

The BSCC staff cannot assist the applicant or its partners with the actual preparation of the proposal. Any technical questions concerning the RFP, the proposal process, or programmatic issues must be submitted by email to: helene.zentner@bscc.ca.gov.

The BSCC will accept and respond to questions about this RFP until March 30, 2018. Frequent questions and answers (FAQs) concerning the BSCC’s RFP process and the Proud Parenting Grant Program application for funding will be posted on the BSCC website and updated periodically through March 30, 2018.

Proposal Due Date and Submission Instructions

Applicants must submit one original signed Proposal and one electronic copy of the original signed Proposal.

The signed Proposal must be received by the BSCC by 5:00 p.m. on March 30, 2018.

1. Mail one original signed Proposal to the following address:

   Board of State and Community Corrections  
   Corrections Planning and Grant Programs Division  
   2590 Venture Oaks Way, Suite 200  
   Sacramento, CA 95833

**Grant Program Description**

The purpose of this grant program is to fund parenting services to young parents or expectant parents (who were involved in the criminal/juvenile justice systems and/or involved in the child welfare system) to break the intergenerational cycle of violence and delinquency. Funded grant programs will do so by increasing parenting knowledge, improving attitudes about responsible parenting, relationships between parents and their children, as well as providing necessary life-skills training and self-esteem to the youthful program participants.

**Eligibility**

Eligible applicants for Proud Parenting Grant Program awards are:

- County Probation Departments,
- County Offices of Education, and
- Non-Profit Community-based Organizations (CBOs) located in the State of California. Non-profit organizations are those that are recognized as exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code. Community-based organizations, whether as applicants or through grantee contracts, must be registered with 501(c)(3) status and meet the criteria listed below.

Each applicant may not submit more than one (1) proposal for funding. However, any applicant who applies as a direct grantee may be listed as a subgrantee or collaborating partner on a different application submittal. Applicants are also free to partner with other governmental or non-governmental entities (e.g. school districts, county departments, etc.) when collaborating for funding. However, a single entity from a collaborative application must be listed as the “lead” applicant.

**Criteria for All Community-based Organizations**

Any community-based organization (CBO) that receives Proud Parenting Grant Program funds (as either a direct grantee, subgrantee or subcontractor) must:
• Have been duly organized, in existence, and in good standing as of August 1, 2017;
• Be registered with the California Secretary of State’s Office, if applicable;
• Have a valid business license, Employer Identification Number (EIN), and/or Taxpayer ID (if sole proprietorship);
• Have any other state or local licenses or certifications necessary to provide the services requested (e.g., facility licensing by the Department of Health Care Services), if applicable; and
• Have a physical address.

All CBOs submitting an RFP must sign and submit Appendix A, Criteria for Community-Based Organizations Receiving Proud Parenting Grant Program Funds as part of the completed RFP package in order to establish eligibility for an award. This document does not count toward the 10-page maximum for the Attachment section of the RFP.

All county agency applicants must submit Appendix A, Criteria for Community-Based Organizations Receiving Proud Parenting Grant Program Funds as part of the completed RFP package to document the compliance of any CBOs identified as partners in the proposal. All county agency grantees must submit updated Appendix A throughout the life of the grant agreement for any additional CBOs that may be awarded Proud Parenting funds through subcontracts after awards are made. The BSCC will not reimburse for costs incurred by CBOs that do not meet the BSCC’s requirements.

Agencies currently receiving or who have received Proud Parenting Grant Program funding within the last five (5) years are eligible to apply for this round of grant funding; however, the proposed project must not be identical in the scope of work and the targeted geographical area as in the previously funded project.

Letter of Intent

Applicants interested in applying for the Proud Parenting Grant Program are asked, but not required, to submit a non-binding Letter of Intent. These letters will aid the BSCC in planning for the proposal review process.

There is no formal template for the letter, but it should be on letterhead of the applicant agency and include the following information:

• Name of the Applicant (County Probation Department, County Office of Education, or Community-Based Organization);
• A brief statement indicating the Applicant’s intent to submit a Proposal;
• Signature by an agency representative

---

1 CBOs that have recently reorganized or have merged with other qualified CBOs that were in existence prior to August 1, 2017 are also eligible, provided all necessary agreements have been executed and filed with the California Secretary of State prior to March 30, 2018.
Failure to submit a Letter of Intent is not grounds for disqualification. Further, prospective Applicants that submit a Letter of Intent and decide later not to apply will not be penalized.

Please submit your non-binding Letter of Intent by **March 9, 2018** via email or U.S. mail, using one of the following submission options:

**Email Responses:** helene.zentner@bscc.ca.gov
(Subject line: Letter of Intent)

**U.S. Mail Responses:** Board of State and Community Corrections
Corrections Planning and Grants Programs Division
2590 Venture Oaks Way, Suite 200
Sacramento, CA 95833
Attn: Proud Parenting Letter of Intent

**Project Funding Information**

**Grant Period**
Successful applicants will be funded for a three-year cycle\(^2\) with the first year of the grant cycle commencing on July 1, 2018 through June 30, 2019.

Continuation funding for the second year (July 1, 2019 - June 30, 2020) and the third year (July 1, 2020 - June 30, 2021) will be issued to awardees contingent on the amount and availability of state funding,\(^3\) and on compliance with the Proud Parenting Grant Program requirements.

**Funding Amount**
A total of $835,000 in state general funding is available statewide\(^4\). The maximum amount of funding for which any single applicant may apply is $104,375 (for the first year of a three [3] year grant cycle) with the possibility of two additional years; each subsequent year funded at the amount requested in the original application for funding (see Grant Period above). Applicants must build their proposal, objectives, activities, timelines, and budget information for the first 12 months of the grant cycle only.

Applicants are encouraged to request only the amount of funds needed to support their proposal and not base the request solely on the maximum allowed ($104,375).

Funding for the Proud Parenting Grant Program Grant is not a continual funding source for awarded projects. This funding is considered “seed” money or “seed” funding, awarded after the BSCC’s competitive RFP process to support projects in their first three (3) years of project implementation and operation.

---

\(^2\) Provided grant funding is appropriated in the 2018-19, 2019-20, and 2020-21 State Budget Acts.

\(^3\) Provided grant funding is appropriated in the 2019-20 and 2020-21 State Budget Acts, respectively.

\(^4\) Provided grant funding is appropriated in the 2018-19 State Budget Act.
**Match Requirement**

The Proud Parenting Grant Program Grant requires all applicants to contribute a 10 percent (10%) match for all grant funds awarded. This match shall be an in-kind contribution only.

In-kind match, also known as soft match, is the project’s contribution of non-cash outlay of materials or resources to support a percentage of Proud Parenting Grant Program award activities. It may include non-cash outlay contributed by other public agencies and institutions, private organizations, and/or individuals. Examples include leveraged or donated professional services, office supplies, equipment, and volunteer time. In-kind match is meant to further prioritize the collaboration between stakeholders and partnering agencies.

In general, the value of in-kind contributions is determined by fair market value or actual lever, which must be identified separately in the application budget. Projects must maintain documentation to support the claimed match on all invoices submitted to the BSCC.

Reporting of expenditures of in-kind match contributions need not be made in exact proportion to the expenditure of grant funds. However, the full match contribution must be expended by the end of each annual grant cycle to receive all funds allocated.

Applicants are encouraged to budget only for the required in-kind match. There is no priority given to an applicant for matching more than the required 10 percent (10%). An awardee who applies for a specific match percentage will be held to that figure by contract and therefore, will not be allowed to reduce their contractually obligated match amount, even if it exceeds 10 percent (10%).

**Supplanting**

Supplanting is the deliberate reduction in the amount of federal, state, or local funds being appropriated to an existing program or activity because grant funds have been awarded for the same purposes.

Supplanting is strictly prohibited for all BSCC grants. BSCC grant funds shall be used to support new program activities or to augment existing funds which expand current program activities. BSCC grant funds **shall not** be used to replace existing funds.

It is the responsibility of the Grantee to ensure that supplanting does not occur. The Grantee must keep clear and detailed financial records to show that grant funds are used only for allowable costs and activities.

---

**Project Evaluation Requirements**

In addition to quarterly progress reports, projects selected for funding will be required to submit to the BSCC: (1) a Local Evaluation Plan (three [3] months post-award) and, (2) a Local Evaluation Report (three [3] months after the conclusion of the grant). See Appendix B, Glossary of Terms, for key definitions related to project evaluation.
Local Evaluation Plan - The purpose of the Local Evaluation Plan (LEP) is to ensure that projects funded by the BSCC can be evaluated. Applicants will be expected to include a detailed description of how they plan to assess the effectiveness of the proposed program in relation to each of its goals and objectives identified in the proposal. The LEP should describe the evaluation design or model that will be used to evaluate the effectiveness of the project component(s), with the project goals and the objectives clearly stated. Applicants should include criteria for both process and outcome evaluations. Once submitted, any modifications to the LEP must be approved in advance by the BSCC. More detailed instructions on the LEP will be made available to successful applicants. See Appendix C for a sample of evaluation components.

Local Evaluation Report - Following project completion, grantees are required to complete a final Local Evaluation Report (LER) which must be in a format prescribed by the BSCC. The purpose of the final LER is to determine whether the overall project was effective in meeting the goals laid out in the LEP. To do this, the grantee must assess and document the effectiveness of the activities that were implemented. These activities should have been identified in the previously submitted LEP. More detailed instructions on the LER will be made available to successful applicants.

Applicants are strongly encouraged to identify research partners early on and include them in the development of the proposal, to better ensure that the goals and objectives listed in the proposal are realistic and measurable. Applicants are also strongly encouraged (but not required) to use outside evaluators to ensure objective and impartial evaluations. Specifically, applicants are encouraged to partner with state universities or community colleges for evaluations. Evaluation planning, oversight, and reporting activities may be funded by Proud Parenting Grant Program monies or leverage matching funds for this purpose. It is highly recommended these activities be projected within the proposed budget.

Bidder’s Conferences

Prospective applicants are invited – but not required – to attend a Bidders’ Conference. The purpose of a Bidders’ Conference is to answer technical questions from prospective bidders and provide clarity on RFP instructions. Details for the Bidders’ Conference are listed below:

Proud Parenting Grant Program Bidder’s Conference

Thursday, March 1, 2018
10:00 a.m.
Board of State and Community Corrections
1st Floor Board Room
2590 Venture Oaks Way
Sacramento, CA 95833

Note: The Proud Parenting Bidders’ Conference will be livestreamed at www.bscc.ca.gov.
BSCC Executive Steering Committee Process

Proud Parenting Grant Program Executive Steering Committee
To ensure successful program design and implementation, the BSCC uses Executive Steering Committees (ESCs) to inform decision making related to the Board's programs. BSCC's ESCs are typically composed of subject matter experts and stakeholders representing both the public and private sectors. The BSCC makes every attempt to include diverse representation on its ESCs - in breadth of experience, geography, and demographics. ESCs are convened and approved by the BSCC Board, as the need arises, to carry out specified tasks including the development of RFPs for grant funds. ESCs submit grant award recommendations to the BSCC Board and the Board then approves, rejects, or revises those recommendations. Members of ESCs are not paid for their time but are reimbursed for travel expenses incurred to attend meetings.

The Proud Parenting ESC includes subject matter experts on community engagement, prevention and intervention programs, mental/behavioral health, social services, law enforcement, including individuals who have been impacted by the justice and/or child welfare systems. A list of ESC members can be found in Appendix D.

Conflicts of Interest
Existing law prohibits any grantee, subgrantee, partner or like party who participated on the above referenced Proud Parenting Grant Program ESC from receiving funds from the Proud Parenting Grants awarded under this RFP. Applicants who are awarded grants under this RFP are responsible for reviewing the Proud Parenting Grant Program ESC membership roster and ensuring that no grant dollars are passed through to any entity represented by any member of the Proud Parenting Grant Program ESC.

Overview of the RFP Process

Confirmation of Receipt of Proposal
Upon submission of a proposal, applicants will receive a confirmation email from the BSCC stating the proposal has been received. The email will be sent to the individual who signed the application and the person listed as the Project Director.

Disqualification
The following will result in an automatic disqualification:
- The original hard copy and electronic version of the Proposal are not received by 5:00 p.m. on March 30, 2018.
- The applicant is not a County Probation Department, County Office of Education, or non-profit community-based organization located in California.

“Disqualification” means the proposal will not be scored and therefore, will not be considered for Proud Parenting Grant Program funding.
Technical Compliance Review
It is the BSCC’s intent to avoid having otherwise worthy proposals eliminated from consideration due to relatively minor and easily corrected errors or omissions. Therefore, during the week immediately following the proposal due date, BSCC staff will conduct a Technical Compliance Review (TCR) - a review to determine whether a proposal is in compliance with all technical requirements. Applicants will have a limited opportunity to respond to deficiencies identified during the technical review process by making non-substantive changes that bring the proposal into technical compliance.

Rating Process
Once a proposal passes the TCR, it will advance to the Proposal Rating Process. The ESC will then read and rate each proposal in accordance with the prescribed rating factors listed in the table below.

The ESC members will base their scores on how well an applicant addresses the items listed under each rating factor within the Proposal Narrative and Budget Sections. Following the Proposal Rating Process, the ESC will convene for a Final Rater Review meeting where they will develop funding recommendations for consideration by the BSCC Board.

At the conclusion of this process, applicants will be notified of the ESC’s funding recommendations. It is anticipated the BSCC Board will act on the recommendations at its meeting on June 7, 2018. Applicant agencies and partners are not to contact members of the ESC nor the BSCC Board to discuss proposals.

Rating Factors
The Rating Factors to be used and the maximum points assigned to each factor are shown in the table below. Applicants will be asked to address each of these factors as a part of their proposal. The Proud Parenting Grant Program ESC assigned a percent value to each of the Rating Factors, correlating to its importance (see Percent of Total Value column).

### General BSCC Grant Requirements

#### Grant Agreement

Applicants approved for funding by the BSCC are required to enter into a Grant Agreement with the BSCC. Grantees must agree to comply with all terms and conditions of the Grant Agreement. See Appendix E for a sample contract (State of California: Contract and General Terms and Conditions).

The Grant Agreement start date is expected to be July 1, 2018. Grant Agreements are considered fully executed only after they are signed by both the Grantee and the BSCC. Work, services, and encumbrances cannot begin prior to the Grant Agreement start date. Work, services, and encumbrances which occur after the start date but prior to grant agreement execution have the potentiality of not being reimbursed. Grantees are responsible for maintaining their Grant Agreement, all invoices, records, and relevant documentation for at least three (3) years after the final payment under the contract.
Board Resolution
Applicants must submit a resolution from their governing board addressing specified requirements as included in the sample Governing Board Resolution, which can be found in Appendix F. Grant recipients must have a resolution on file before a fully executed grant agreement can be completed. A signed resolution is not required at the time of proposal submission, but applicants are advised that no financial invoices will be processed for reimbursement until the appropriate documentation has been received by the BSCC.

Audit Requirements
The BSCC reserves the right to call for a program or financial audit at any time between the execution of the contract and three (3) years following the end of the grant period.

The Department of General Services, the Bureau of State Audits, or their designated representative shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this grant.

Grantee Orientation Process
Following the start of the grant period, BSCC staff will conduct a Grantee Orientation in Sacramento (at a date to be determined later). The purpose of this mandatory session is to review the program requirements, invoicing and budget modification processes, data collection and reporting requirements, as well as other grant management and monitoring activities. Typically, the Project Director, Financial Officer, Day-to-Day Contact, and the Evaluator must attend. Grant recipients may use Proud Parenting Grant Program funds for travel-related expenditures such as airfare, mileage, meals, lodging, and other per diem costs. Applicants should include anticipated costs in the budget section of the proposal under the “Other” category.

Quarterly Invoices
Disbursement of grant funds occurs on a reimbursement basis for costs incurred during a reporting period. The State Controller’s Office (SCO) will issue the warrant (check) to the individual designated on the application form as the Financial Officer for the grant. Grantees must submit invoices to the BSCC on a quarterly basis through the online process no later than 45 days following the end of each quarter. Grantees must maintain adequate supporting documentation for all costs claimed on invoices. BSCC staff will conduct on-site monitoring visits that will include a review of documentation maintained as substantiation for project expenditures.

Quarterly Progress Reports
Grant award recipients are required to submit quarterly progress reports to the BSCC. Progress reports are a critical element in BSCC’s monitoring and oversight process. Grantees who are unable to demonstrate that they are making sufficient progress toward project goals and objectives and that funds are being spent down in accordance with the Grant Award Agreement could be subject to the withholding of funds. Once grants are awarded, BSCC will work with grantees to create custom progress reports. Applicable forms and instructions will be available to grantees on the BSCC’s website. See Appendix G for a sample progress report.
Travel
Travel is usually warranted when personal contact by project staff is the most appropriate method of conducting project-related business. Travel to and from training conferences may also be allowed. The most economical method of transportation, in terms of direct expenses to the project and the employee’s time away from the project, must be used. Projects are required to include sufficient per diem and travel allocations for project-related personnel, as outlined in the Grant Award, to attend any mandated BSCC training conferences or workshops outlined in the terms of the program.

Units of Government
Units of government may follow either their own written travel and per diem policy or the State’s policy. Units of government that plan to use cars from a state, county, city, district car pool, or garage may budget either the mileage rate established by the car pool or garage, or the state mileage rate, not to exceed the loaning agency rate.

Community-Based Organizations (CBOs)
A CBO receiving BSCC funds as a direct grantee or subgrantee must use the California State travel and per diem policy, unless the Grantee’s written travel policy is more restrictive than the State’s, in which case it must be used. Reimbursement is allowed for the cost of commercial carrier fares, parking, bridge, and road tolls, as well as necessary taxi, bus, and streetcar fares.

Out-of-State Travel
Out-of-state travel is restricted and only allowed in exceptional situations. Grantees must receive written BSCC approval prior to incurring expenses for out-of-state travel. Even if previously authorized in the Grant Award, Grantees must submit to the BSCC a separate formal request (on Grantee letterhead) for approval. Out-of-state travel requests must include a detailed justification and budget information.

In addition, California prohibits travel, except under specified circumstances, to states that have been found by the California Attorney General to have discriminatory laws. The BSCC will not reimburse for travel to these states unless the travel meets a specific exception under Government Code section 11139.8, subdivision (c). For additional information, please see: https://oag.ca.gov/ab1887.

Debarment, Fraud, Theft, or Embezzlement
It is the policy of the BSCC to protect grant funds from unreasonable risks of fraudulent, criminal, or other improper use. As such, the Board will not enter into contracts or provide reimbursement to applicants that have been:

1. debarred by any federal, state, or local government entities during the period of debarment; or
2. convicted of fraud, theft, or embezzlement of federal, state, or local government grant funds for a period of three (3) years following conviction.

Furthermore, the BSCC requires grant recipients to provide an assurance that there has been no applicable debarment, disqualification, suspension, or removal from a federal, state or local grant program on the part of the grantee at the time of application and that
the grantee will immediately notify the BSCC should such debarment or conviction occur during the term of the grant contract.

The BSCC also requires that all grant recipients include, as a condition of award to a subgrantee or subcontractor, a requirement that the subgrantee or subcontractor will provide the same assurances to the grant recipient. If a grant recipient wishes to consider a subgrantee or subcontractor that has been debarred or convicted, the grant recipient must submit a written request for exception to the BSCC along with supporting documentation.

All applicants must complete Appendix H certifying they are in compliance with the BSCC’s policies on debarment, fraud, theft, and embezzlement.

**Compliance Monitoring Visits**

BSCC staff will conduct periodic monitoring of each project to assess whether the project is in compliance with grant requirements and making progress toward grant objectives, and provide technical assistance as needed regarding fiscal, programmatic, evaluative, and administrative requirements. For your reference, a Sample Monitoring Visit Checklist is contained in Appendix I.

**Use of Effective Programs and Data-Driven Approaches**

The BSCC is committed to supporting programs, practices, and strategies that are rooted in evidence and supported by data to produce better outcomes for the criminal and juvenile justice systems, and for the individuals who are involved in those systems.

Applicants seeking funding through this grant process will be required to demonstrate that services are directly linked to the implementation of evidence-based and promising practices and strategies. The following information is offered to help applicants in understanding the BSCC’s broad view of evidence-based and promising practices that are supported by data and research:

The concept of evidence-based practices was developed outside of the criminal justice arena and is commonly used in other applied fields such as medicine, nursing and social work. In criminal justice, this term emphasizes measurable outcomes, and ensuring services and resources are effective in promoting rehabilitation and reducing recidivism. On a basic level, evidence-based practices include the following elements:

1. Evidence the intervention is likely to work (i.e., produce a desired benefit);
2. Evidence the intervention is being carried out as intended; and
3. Evidence allowing an evaluation of whether the intervention worked.

Evidence-based practices involves using research and scientific studies to identify interventions that reliably produce significant reductions in recidivism when correctly

applied to target populations through the use of the following four (4) principles of effective intervention:

- **Risk Principle** – focuses attention on the crucial question of WHO is being served and calls for targeting higher risk individuals.
- **Need Principle** – requires that priority be given to addressing criminogenic risk/need factors with a clear focus on WHAT programs are delivered.
- **Treatment Principle** – conveys the importance of using behavioral treatment approaches to achieve the best possible outcomes and requires attention to the question of HOW programs are delivered.
- **Fidelity Principle** – draws attention to HOW WELL programs are delivered and reiterates the necessity that programs be implemented as designed.

Successful implementation of evidence-based practices also includes but is not limited to:

- Organizational development to create and sustain a culture accepting of best practices and evidence-based approaches that includes cultural and linguistic competencies;
- A commitment to initial and ongoing professional development and training;
- Use of validated risk/needs/responsivity assessment tools;
- Data collection and analysis;
- Use of case management strategies;
- Use of programs known to produce positive criminal justice outcomes;
- Quality assurance activities to ensure program fidelity;
- Performance management to improve programs, service delivery, and policies;
- A “systems change approach” to develop collaborations so tasks, functions and sub-units work effectively together and not at cross-purposes; and
- A focus on sustainability.

In discussions of evidence-based practices in criminal justice, it is common to distinguish between programs, strategies, and promising practices/approaches.

Programs are designed to change the behavior of individuals in the criminal justice system and are measured by individual-level outcomes. For example, programs aiming to reduce substance use and antisocial behavior include Cognitive Behavioral Therapy, Behavioral Programs and Social Skills Training.

Strategies may include programs to change individual behavior; however, this term is often used to describe a general intervention approach that supports larger community or organizational level policy objectives. For example, case management is applied to improve the overall effectiveness and efficiency of criminal and juvenile justice agencies, while pretrial assessment is designed to enable informed decisions about which arrested defendants can be released pretrial without putting public safety at risk. Strategies can also refer to the application of effective practices that are correlated with a reduction in recidivism, such as the use of assessment tools, quality assurance protocols, and delivery of interventions by qualified and trained staff.
Promising practices and/or approaches, for purposes of this grant work, can be broadly construed to include programs or strategies that have been implemented elsewhere with evidence of success, but with evidence not yet strong enough to conclude the success was due to the program or that it is highly likely to work if carried out in the applicant’s circumstances. The difference between evidence-based and promising practices and/or approaches is a difference in degree on the number of situations in which a program or strategy has been tested and the rigor of the evaluation methods used.

It is encouraged that applicants seeking to implement promising programs, approaches, or strategies must describe the documentation, data, and evidence available to support the approach and why it is best suited to the needs and objectives described in the application for funding.

Applicants can find information on evidence-based treatment practices in the Substance Abuse and Mental Health Services Administration’s (SAMHSA) Guide to Evidence-Based Practices available at www.samhsa.gov/ebpwebguide as well as in Appendix J of this RFP.

Reducing Racial and Ethnic Disparity

Research\(^6\) shows that youth and adults of color are significantly overrepresented in the criminal justice system in California. BSCC supports efforts to reduce racial and ethnic disparities and encourages others to do the same. The BSCC has undertaken a number of activities to ensure that California addresses this concern including trainings.

The applicant should consider how reducing racial and ethnic disparity (R.E.D.) information may influence grant activities in the development of the Proud Parenting Grant Program proposal.

Proud Parenting Grant Program funding recipients may be included in training opportunities and will be invited to attend R.E.D. training by the BSCC if it is available during the project period. Grantees will be advised of the dates and locations after the start of the grant period. Additional information about R.E.D. can be found at: http://www.bssc.ca.gov/scppgrantfundedprograms.php or applicants may contact the R.E.D. Coordinator, Field Representative Timothy Polasik, by telephone at (916) 350-0879 or by email Timothy.Polasik@bscc.ca.gov

Summary of Key Dates

\(^6\) There are multiple studies confirming the disparities in the criminal and juvenile justice systems. BSCC has done extensive work with The W. Haywood Burns Institute (http://www.burnsinstitute.org/) on this issue as well as working with the National Council on Crime and Delinquency (NCCD) and the Center for Juvenile Justice Reform, Georgetown University (http://cijr.georgetown.edu/certprogs/racialdisparities/racialdisparities.html)

Proposal Abstract

Instructions: Provide a brief summary of the proposed project. The Proposal Abstract must be submitted in Arial 12-point font with one-inch margins on all four sides. Narrative must be 1.5-line spaced and cannot exceed 1 page in length. This section will not be included in the rating of the Proposal.

Proposal Narrative

Instructions: The Proposal Narrative section must be submitted in Arial 12-point font with one-inch margins on all four sides. The narrative must be 1.5-line spaced and cannot exceed 14 numbered pages in length. For the Proposal Narrative, address each of the five (5) sections below. Each section should be titled according to its section header as provided (e.g., Project Need, Project Description and Work Plan, Project Collaboration, Evidence-based Practices and Strategies, and Project Evaluation). Within each section, address the bulleted items in a cohesive, comprehensive narrative format. Do not include website links.

The 14-page limitation for this section does not include the mandatory Cover Sheet, Proposal Checklist, Applicant Information Form, Project Abstract, Budget Table, Budget Narrative, or other required attachments (see Proposal Checklist).

It is up to the applicant to determine how to best use the total 14-page limit in addressing each section; however, as a guide, the percent of total point value for each section is listed within each header.

1. Project Need (Percent of Total Value: 10%)

Address the following in narrative form:

- Detail the local need(s) related to parenting services addressed by this project for youth who have been involved in the justice system and/or considered crossover youth within the child welfare system who are parents or expectant parents.

- Describe the proposed project area and target population related to the need and supporting local data documentation.
- Identify existing resources, services, and activities available within the proposed project area available for the target population and what gaps in services will be addressed by this funding.
Provide the nexus between the need for the proposed project and the goals of the Proud Parenting Grant Program as identified in the RFP.

### 6. Project Budget (Percent of Total Value: 10%)

The following Budget Table and Budget Narrative sections do not count toward the 14 pages allowed for the Program Narrative sections. The rating criteria for the Project Budget can be found at the end of this section (page 25). The Budget sections must be filled out completely and accurately to pass the Technical Compliance Review process. Carefully check the math within the Budget Table prior to submitting as fields do not auto-calculate, as well as figures calculated within the Budget Narrative section.

Complete the Proud Parenting Grant Program Budget Table on the following page to show the grant funds being requested (Column A) and the in-kind match funds being committed (Column B).

While some agencies or organizations may use different line items as a part of their budget processes, these are the line items that must be used when invoicing the BSCC for reimbursement of expenditures.

Note:
- Report amounts in whole dollars only. Please double-check all math calculations.
- Applicants are not required to request funds for every line item. If you are not requesting funds for a certain line item, simply list $0.
- All applicants must contribute a 10 percent (10%) in-kind match. It is not necessary to align grant dollars with match dollars in the same line item, as long as the total of Column C equals 10 percent (10%) of the total of Column A.
- All funds must be used consistent with the requirements of the BSCC Grant Administration Guide, located on the BSCC website. Applicants should reference this Guide for definitions and other guidance in preparing a budget.

**TOTALS** $0 $0 $0

**What to include in each Budget Line Item:**

1. **Salaries and Benefits:** Include salaries and benefits for staff of the Applicant ONLY. Salaries and benefits associated with partner agencies, subgrantees or subcontractors should be included in the applicable line item (e.g. Professional Services, CBO Contracts, etc.). Include any in-kind match from the Applicant, if applicable.

2. **Services and Supplies:** Include grant funds or in-kind match associated with services and supplies purchased or donated by the Applicant. Services and supplies purchased by partner agencies, subgrantees or subcontractors should be included in the applicable line item (e.g. Professional Services, CBO Contracts, etc.).

3. **Professional Services:** Include grant funds or in-kind match associated with public agency subcontracts or professional consultant subcontracts.

4. **Community-Based Organization (CBO) Subcontracts:** Include grant funds or in-kind match associated with CBO subcontracts.
5. Indirect Costs: For this grant, an Applicant may not claim more than five (5) percent (5%) in this line item. Indirect costs are shared costs that cannot be directly assigned to a particular activity but are necessary to the operation of the organization and the performance of the project. Indirect costs must be based on either the applicant’s approved Indirect Cost Rate Plan or on a Cost Allocation Plan. Indirect cost guidelines can be found in the BSCC Grant Administration Guide, located on the BSCC website.

6. Equipment and Fixed Assets: Include grant funds or in-kind match associated with equipment and fixed assets purchased or donated by the Applicant. Equipment and fixed assets are defined as nonexpendable personal property having a useful life of more than one year and an acquisition cost of $5,000 or more per unit. Items that do not meet this threshold should be included in the Services and Supplies category. Equipment and fixed assets purchased by partner agencies, subgrantees or subcontractors should be included in the applicable line item (e.g. Professional Services, CBO Contracts, etc.). Equipment and fixed assets over $5,000 included in the proposed budget does not guarantee automatic approval; such purchases still require separate prior approval by BSCC.

7. Data Collection/Enhancement: Include all grant funds or in-kind match associated with the project’s data collection efforts and/or necessary enhancements to an existing data collection mechanism to capture the data required for the Proud Parenting Grant Program.

8. Project Evaluation: Include all grant funds or in-kind match associated with evaluation efforts, even if they would otherwise fall into one of the other line items (e.g., Salaries & Benefits or Professional Services).

9. Sustainability Planning: Include all grant funds or in-kind match associated with planning efforts necessary to sustain the project after grant funding and corresponding contract has ceased (June 30, 2021).

10. Other (Travel, Training, Etc.): Include only training, travel or other costs set aside for such purposes by the Applicant. Training, travel or other costs allocated by partner agencies, subgrantees or subcontractors should be included in the applicable line item (e.g. CBO Subcontracts, etc.). Note: Out-of-state travel using grant funding is permissible in rare cases. The use of state funds for out-of-state travel is monitored very closely. Justification for out-of-state travel (OST) undergoes a high level of review and scrutiny and approval is granted only in limited cases. Out-of-state travel included in the proposed budget does not guarantee automatic approval; out-of-state travel request still require separate prior approval by BSCC.

6B. Budget Narrative

Instructions: The purpose of the Budget Narrative is to provide support and explanation for the amounts requested (and match funds committed) in the Budget Table.
The Budget Narrative must be submitted in Arial 12-point font with one-inch margins on all four sides. The narrative must be 1.5-line spaced and submitted in the format provided.

Provide the information listed under each line item below with narrative to explain how the requested grant funds and match will be used to achieve project goals. If you are not requesting funds in a particular category, list $0 on the Grant Funds Requested line and “N/A” on the Narrative Detail line.

**Letter(s) of Commitment**

A Letter of Commitment must be a statement of active participation by a collaborative partner(s) with the project. The Letter should specify any resources the entity will commit to the project and should identify what role/responsibility it will play in a successful project outcome.

There is no required format for the Letter(s) of Commitment; however, each Letter must be on the collaborating partner’s organization letterhead. Each Letter must be crafted to address a specific partner collaboration and should address, at a minimum:

- What the collaborator will contribute to the project,
- Information that the partner has the capacity to fulfill its roles/responsibilities, and
- Is committed to achieving the overall success of the Proud Parenting Grant Program project.
The 2017-18 Proud Parenting Grant Program Request for Proposals (RFP) includes requirements that apply to non-governmental, community-based organizations. Grantees are responsible for ensuring that all contracted third parties continually meet these requirements as a condition of receiving any Proud Parenting Grant Program funds. The RFP describes these requirements as follows:

Any Community-based Organization which receives Proud Parenting Grant Program funds must:

- Have been duly organized, in existence, and in good standing as of August 1, 2018;
- Be registered with the California Secretary of State’s Office, if applicable;
- Have a valid business license, Employer Identification Number (EIN), and/or Taxpayer ID (if sole proprietorship);
- Have any other state or local licenses or certifications necessary to provide the services requested (e.g., facility licensing by the Department of Health Care Services), if applicable.
- Have a physical address.
- Be exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code.

In the table below, provide the name of the Grantee and list all contracted parties.

Grantees are required to update this list and submit it to BSCC any time a new third-party contract is executed after the initial assurance date. Grantees shall retain (on-site) applicable source documentation for each contracted party that verifies compliance with the requirements listed in the Proud Parenting Grant Program RFP. These records will be subject to the records and retention language found in Appendices A and C of the Standard Agreement.
The BSCC will not reimburse for costs incurred by any third party that does not meet the requirements listed above and for which the BSCC does not have a signed grantee assurance on file.

Cultural Competence

Cultural competence is a set of congruent behaviors, attitudes, and policies that come together in a system, agency or among professionals and enable that system, agency or those professions to work effectively in cross-cultural situations.

The word culture is used because it implies the integrated pattern of human behavior that includes thoughts, communications, actions, customs, beliefs, values and institutions of a racial, ethnic, religious or social group. The word competence is used because it implies having the capacity to function effectively. Five essential elements contribute to a system’s institution’s, or agency’s ability to become more culturally competent which include:

1. Valuing diversity
2. Having the capacity for cultural self-assessment
3. Being conscious of the dynamics inherent when cultures interact
4. Having institutionalized culture knowledge
5. Having developed adaptations to service delivery reflecting an understanding of cultural diversity

These five elements should be manifested at every level of an organization including policy making, administrative, and practice. Further these elements should be reflected in the attitudes, structures, policies and services of the organization.

Evaluation: Process Evaluation versus Outcome Evaluation

Process Evaluation

The purpose of the process evaluation is to assess how program activities are being carried out in accordance with goals and objectives. Process measures are designed to answer the question: “What is the program actually doing and is this what we planned it to do?” Examples of process measures could include:

- Project staff have been recruited, hired and trained according to the proposal.
- Activities/strategies have been implemented on time according to the proposal.
- Number of interagency agreements entered into by the program compared to the number planned.
- Number of trainings conducted.
- Number of neighborhood meetings conducted.

Outcome Evaluation

The purpose of the outcome evaluation is to identify whether the program "worked" in terms of achieving its goals and objectives. Outcome measures are designed to answer the question: “What results did the program produce?” Examples of outcome measures include:

---

9 Id at pp. 7-8.
• Results of pre/post surveys (e.g., changes in the reported confidence/trust in law enforcement among community members).
• Implementation of regular, ongoing community forums where law enforcement/community dialogue takes place.
• Changes in policies at the Lead Agency level to reflect procedural justice principles.

In an evidence-based practice approach, outcome evaluations must include not only the measures but also analysis of the extent to which the measured results can be attributed to the program rather than to coincidence or alternative explanations.

**Goal versus Objective**
Goals and objectives are terms in common use, sometimes used interchangeably because both refer to the intended results of program activities. Goals are longer-term than objectives, more broadly stated and govern the specific objectives to which program activities are directed.

In proposals, goals are defined by broad statements of what the program intends to accomplish, representing the long-term intended outcome of the program\(^{10}\).

Examples of goal statements\(^{11}\):

- To reduce the number of serious and chronic juvenile offenders.
- To divert nonviolent juvenile offenders from state juvenile correctional institutions.
- To restore the losses suffered by the victims of crimes.

Objectives are defined by statements of specific, measurable aims of program activities\(^{12}\). Objectives detail the tasks that must be completed to achieve goals\(^{13}\). Descriptions of objectives in the proposals should include three elements\(^{14}\):

1. **Direction** – the expected change or accomplishment (e.g., improve, maintain);
2. **Timeframe** – when the objective will be achieved; and
3. **Target Population** – who is affected by the objective.

---

\(^{11}\) Id. at p. 4.

\(^{13}\) Id.; see *supra* fn 1.

Examples of program objectives$^{15}$:

- By the end of the program, young, drug-addicted juveniles will recognize the long-term consequences of drug use.
  - To place eligible juveniles in an intensive supervision program within two weeks of adjudication to ensure offender accountability and community safety.
- To ensure that juvenile offenders carry out all of the terms of the mediation agreements they have worked out with their victims by program completion.

**Principles of Effective Intervention**

During the past two decades, there has been renewed interest in examining correctional research. These efforts have been led by researchers such as Gendreau, Andrews, Cullen, Lipsey and others.$^{16}$ Much evidence has been generated, leading to the conclusion that many rehabilitation programs have, in fact, produced significant reductions in recidivism. The next critical issue became the identification of those characteristics most commonly associated with effective programs. Through the work of numerous scholars (Andrews et al., 1990$^{17}$; Cullen and Gendreau, 2000$^{18}$; Lipsey 1999$^{19}$), several “principles of effective intervention” have been identified. These principles can be briefly categorized as the following:

- Assess Actuarial Risk/Needs
- Enhance Intrinsic Motivation
- Target Interventions
  - Risk Principle
  - Need Principle
  - Responsivity Principle
  - Dosage
  - Treatment Principle
- Skill Train with Directed Practice
- Increase Positive Reinforcement
- Engage Ongoing Support in Natural Communities
- Measure Relevant Processes/Practices
- Provide Measurement Feedback

## SAMPLE: Local Evaluation Plan Components

A Local Evaluation Plan (LEP) should, at a minimum, address the following:

1. **Project Goals:**

B. An invoice is due to the BSCC even if grant funds are not expended or requested during the reporting period. Supporting documentation must be submitted for expenditures upon BSCC’s request. All supporting documentation must be maintained by the grantee on site and be readily available for review during BSCC site visits.

2. GRANT AMOUNT AND LIMITATION
A. In no event shall the BSCC be obligated to pay any amount in excess of the grant award. Grantee waives any and all claims against the BSCC and the State of California on account of project costs that may exceed the sum of the grant award.

B. Under no circumstance will a budget item change be authorized that would cause the project to exceed the amount of the grant award identified in this Grant Agreement.

3. BUDGET CONTINGENCY CLAUSE
A. This grant agreement is valid through Proud Parenting Grant Program funding generated from the General Fund. The Grantee agrees that the BSCC’s obligation to pay any sum to the grantee under any provision of this agreement is contingent upon the availability of sufficient funding granted through the passage of Assembly Bill 97 (Statutes of 2017, Chapter 14), also known as the California Budget Act of 2017. It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Grant Agreement does not appropriate sufficient funds for the program, this Grant Agreement shall be of no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement.
B. If Proud Parenting Grant Program funding is reduced or falls below estimates contained within the Proud Parenting Grant Program Request for Proposals, the BSCC shall have the option to either cancel this Grant Agreement with no liability occurring to the BSCC or offer an amendment to this agreement to the Grantee to reflect a reduced amount.

C. If BSCC cancels the agreement pursuant to Paragraph 3(B) or Grantee does not agree to an amendment in accordance with the option provided by Paragraph 3(B), it is mutually agreed that the Grant Agreement shall have no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement except that Grantee shall be required to maintain all project records required by Paragraph 6 of Exhibit A for a period of three (3) years following the termination of this agreement.

4. PROJECT COSTS

A. Grantee is responsible for ensuring that actual expenditures are for eligible project costs. “Eligible” and “ineligible” project costs are set forth in the July 2016 BSCC Grant Administration Guide, which can be found under Quick Links here: http://www.bscc.ca.gov/s_correctionsplanningandprograms.php

The provisions of the BSCC Grant Administration Guide are incorporated by reference into this agreement and Grantee shall be responsible for adhering to the requirements set forth therein. To the extent any of the provisions of the BSCC Grant Administration Guide and this agreement conflict, the language in this agreement shall prevail.

B. Grantee is responsible for ensuring that invoices submitted to the BSCC claim actual expenditures for eligible project costs.

C. Grantee shall, upon demand, remit to the BSCC any grant funds not expended for eligible project costs or an amount equal to any grant funds expended by the Grantee in violation of the terms, provisions, conditions or commitments of this Grant Agreement.

D. Grant funds must be used to support new program activities or to augment existing funds that expand current program activities. Grant funds shall not replace (supplant) any federal, state and/or local funds that have been appropriated for the same purpose. Violations can result in recoupment of monies provided under this grantor suspension of future program funding through BSCC grants.
EXHIBIT B

5. PROMPT PAYMENT CLAUSE

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

6. WITHHOLDING OF GRANT DISBURSEMENTS

A. The BSCC may withhold all or any portion of the grant funds provided by this Grant Agreement in the event the Grantee has materially and substantially breached the terms and conditions of this Grant Agreement.

B. At such time as the balance of state funds allocated to the Grantee reaches five percent (5%), the BSCC may withhold that amount as security, to be released to the Grantee upon compliance with all grant provisions, including:

1) submittal and approval of the final invoice;
2) submittal and approval of the final progress report; and
3) submittal and approval of any additional required reports.

C. The BSCC will not reimburse Grantee for costs identified as ineligible for grant funding. If grant funds have been provided for costs subsequently deemed ineligible, the BSCC may either withhold an equal amount from future payments to the Grantee or require repayment of an equal amount to the State by the Grantee.

D. In the event that grant funds are withheld from the Grantee, the BSCC’s Executive Director or designee shall notify the Grantee of the reasons for withholding and advise the Grantee of the time within which the Grantee may remedy the failure or violation leading to the withholding.

Contractor shall permit access by representatives of the Department of Fair Employment and Housing and the awarding state agency upon reasonable notice at any time during the normal business hours, but in no case less than 24 hours’ notice, to such of its books, records, accounts, and all other sources of information and its facilities as said Department or Agency shall require to ascertain compliance with this clause. Contractor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. (See Cal. Code Regs., tit. 2, §11105.)

Contractor shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the Agreement.

Grantee’s written demand shall be fully supported by factual information. The BSCC Corrections Planning and Grant Programs Division Deputy Director shall have 30 days after receipt of Grantee’s written demand invoking this Section “Disputes” to render a written decision. demand, it shall be deemed a decision adverse to the Grantee’s contention. If the Grantee is not satisfied with the decision of the BSCC Corrections Planning and Grant Programs Division Deputy Director, the Grantee may appeal the decision, in writing, within 15 days of its issuance (or the expiration of the 30-day period in the event no decision is rendered), to the BSCC Executive Director, who shall have 45 days to render a final decision. If the Grantee does not appeal the decision of the BSCC Corrections Planning and Grant Programs Division Deputy Director, the decision shall be conclusive and binding regarding the dispute and the Contractor shall be barred from commencing an action in court, or with the Victims Compensation Government Claims Board, for failure to exhaust Grantee’s administrative remedies.

B. Pending the final resolution of any dispute arising under, related to or involving this Grant Agreement, Grantee agrees to diligently proceed with the performance of this Grant Agreement, including the providing of services in accordance with the Grant Agreement. Grantee’s failure to diligently proceed in accordance with the State’s instructions regarding this Grant Agreement shall be considered a material breach of this Grant Agreement.

C. Any final decision of the State shall be expressly identified as such, shall be in writing, and shall be signed by the Executive Director, if an appeal was made. If the Executive Director fails to render a final decision within 45 days after receipt of the Grantee’s appeal for a final decision, it shall be deemed a final decision adverse to the Grantee’s contentions. The State’s final decision shall be conclusive and binding regarding the dispute unless the Grantee commences an action in a court of competent jurisdiction to contest such decision within 90 days following the date of the final decision or one (1) year following the accrual of the cause of action, whichever is later.

D. The dates of decision and appeal in this section may be modified by mutual consent, as applicable, excepting the time to commence an action in a court of competent jurisdiction.

from State funds has been sought for these costs, and that Grantee shall provide those records to the Attorney General upon request.

It is the policy of the BSCC to protect grant funds from unreasonable risks of fraudulent, criminal, or other improper use. As such, the Board will not enter into contracts or provide reimbursement to applicants that have been:

1. debarred by any federal, state, or local government entities during the period of debarment; or
2. convicted of fraud, theft, or embezzlement of federal, state, or local government grant funds for a period of three years following conviction.

Furthermore, the BSCC requires grant recipients to provide an assurance that there has been no applicable debarment, disqualification, suspension, or removal from a federal, state or local grant program on the part of the grantee at the time of application and that the grantee will immediately notify the BSCC should such debarment or conviction occur during the term of the Grant contract.

BSCC also requires that all grant recipients include, as a condition of award to a subgrantee or subcontractor, a requirement that the subgrantee or subcontractor will provide the same assurances to the grant recipient. If a grant recipient wishes to consider a subgrantee or subcontractor that has been debarred or convicted, the grant recipient must submit a written request for exception to the BSCC along with supporting documentation.

By checking the following boxes and signing below, applicant affirms that:

[ ] I/We are not currently debarred by any federal, state, or local entity from applying for or receiving federal, state, or local grant funds.

[ ] I/We have not been convicted of any crime involving theft, fraud, or embezzlement of federal, state, or local grant funds within the last three years. We will notify the BSCC should such debarment or conviction occur during the term of the Grant contract.

[ ] I/We will hold subgrantees and subcontractors to these same requirements.

A grantee may make a request in writing to the Executive Director of the BSCC for an exception to the debarment policy. Any determination made by the Executive Director shall be made in writing.
