**Part I. Service Needs, Priorities & Strategy  
(Government Code Section 30061(b)(4)(A))**

**A. Assessment of Existing Services**

**Include here an assessment of existing law enforcement, probation, education, mental health, health, social services, drug and alcohol, and youth services resources that specifically target at-risk juveniles, juvenile offenders, and their families.**

Please refer to the 2018 Placer County Comprehensive Multi-Agency Juvenile Justice Plan for the assessment of existing services, as the Placer County Probation Department contracted with a consultant to devise an updated and comprehensive Juvenile Justice Plan. The updated plan provides an analysis which inventoried current programming and services, identified service gaps, prioritized current and future needs, and fully addressed the areas of prevention, intervention, and rehabilitation.

**Describe what approach will be used to facilitate collaboration among the organizations listed above and support the integration of services.**

The Placer County Probation Department's Juvenile Division is an essential component of the collaborative and child-centered Children's System of Care (CSOC). The Probation Department's Juvenile Division is one of several agencies co-located at CSOC to support children, youth, and families. Partner agencies include Placer County Office of Education (PCOE). CSOC includes: Mental Health (MH) and Substance Use Disorder (SUD) services, Child Welfare Services (CWS), and many allied partners and community treatment providers.

**B. Identifying and Prioritizing Focus Areas**

**Identify and prioritize the neighborhoods, schools, and other areas of the county that face the most significant public safety risk from juvenile crime.**

Please refer to the 2018 Placer County Comprehensive Multi-Agency Juvenile Justice Plan for the assessment of existing services, as the Placer County Probation Department contracted with a consultant to devise an updated and comprehensive Juvenile Justice Plan. The updated plan provides an analysis which inventoried current programming and services, identified service gaps, prioritized current and future needs, and fully addressed the areas of prevention, intervention, and rehabilitation. Any emerging trends will be noted as eliminated, enhanced, and/or added programs.

### **C. Juvenile Justice Action Strategy**

**Describe your county's juvenile justice action strategy. Include an explanation of your county's continuum of responses to juvenile crime and delinquency as well as a description of the approach used to ensure a collaborative and integrated approach for implementing a system of swift, certain, and graduated responses for at-risk youth and juvenile offenders.**

Please refer to the 2018 Placer County Comprehensive Multi-Agency Juvenile Justice Plan.

## **D. Comprehensive Plan Revisions Describe how your Plan has been updated for this year.**

Please refer to the 2018 Placer County Comprehensive Multi-Agency Juvenile Justice Plan. Placer County Probation Department continues to facilitate and enhance programs according to the timeline outlined in the Plan. The Plan is reviewed annually to ensure the department is on (or ahead) of schedule and changes will be made as necessary.

Below is a summary of the updates to our timelines to the Plan:

### Prevention Services

Identify At-Risk Children and Families- Ongoing- PCOE and probation continue to train staff to identify children and families with risk factors, referral process for services in the community and connecting children to services. SARB hearings continue in our county with all requested involvement of our community partners and probation staff to assist the youth in support services and parental responsibility. PSAL and RPAL continue to provide support for youth and families with our community partners.

### Early Intervention Services

Document CRC Utilization- Ongoing- Our partners have submitted quarterly and yearly reports regarding the CRC program. We are continuing to look at our outcomes.  
Develop a Youth Transition Center to serve Probation Youth and Families- Pending- We are currently developing what this process can look like with our programs in our JDF and CRC.

### Juvenile Court

Issue Court Orders for Family to participate in Services- Completed- Our Juvenile Court is now including both youth and parent/guardian court orders.  
Inform/educate the youth and family on juvenile court process- Completed- We have our youth and families participate in a Parent Orientation to provide information on the court process.

### Juvenile Detention Facility (JDF)

Support and Strengthen PBIS- Ongoing- The PBIS leadership team at the JDF conducts ongoing PBIS training to all staff. We have also implemented a "Response Grid" to the program.  
Individualized Learning Environment- Completed and ongoing for additional courses- Our PCOE partners assess academic skills for our youth in the JDF within the first week, appropriate schoolwork and allow for access to computers and online learning where appropriate. PCOE has added new laptops and Smartboards for the classrooms. In addition, PCOE has a dedicated staff who ensures there is communication with regular schools and credits are transferred when the youth is released back into their school. PCOE is offering the youth online courses to expand their class offerings. We do continue to expand and look for additional programming online to support our youth from our community partners. The YES workers are

coming into the JDF to support our youth with their voice.

Conduct Mental Health and Substance Use Screenings and Assessments for all Youth in the JDF- Completed- Our JDF Mental Health worker from CSOC conducts screenings for mental health and substance use assessments on youth and passes this information onto the appropriate coordinating service while at the JDF. She can also conduct a 5150 assessment if needed.

Improve Access to the Documentation of Mental Health and Substance Use Disorder Services in the JDF- Ongoing- The youth at the JDF can request to meet with the practitioner through their CSO or by filling out a mental health request slip and provide this to staff. This request is documented by the provider and inputted in our computer system. A team of providers for JDF youth (mental health, substance use, transition specialist, education, medical, probation) meet weekly as a Multidisciplinary Team (MDT) to discuss and document the needs, services and plans to ensure the youth are participating in the appropriate programming and have a transition plan once released.

Enhance Coordination of Mental Health and/or Substance Use Disorder (SUD) Services in the JDF with Community Services to Promote Successful Reunification- Ongoing- A team of providers for JDF youth (mental health, substance use, transition specialist, education, medical, probation) meet weekly as a Multidisciplinary Team (MDT) to discuss and document the needs, services and plans to ensure the youth are participating in the appropriate programming and services, and have a transition plan once released. This team will also include additional community partners (CASA, Juvenile Family Treatment team, Wraparound) as needed based on their service needs.

Expand Mental Health Services in the JDF- Pending- We continue to develop additional mental health services and therapy groups. We continue to provide journaling and 7 Challenges for youth. Local non-profits and service providers continue to come in and provide evidence-based programming.

Increase the flexibility of the Practitioner to increase Communication with Family Members- Pending- We continue to work on a process and ensure the best way that our practitioner is communicating and meeting with family members. We utilize facilitators (Wraparound) to work with our families in need while a youth is in the JDF.

Maintain Substance Use Disorder Services in the JDF- Completed- We offered groups, one on one and treatment to our youth for substance use that focuses on prevention, education, and intervention while they are at the JDF. These youth are then linked to substance use services in our community prior to their release.

#### iCARE Pathways

Reallocate resources toward early intervention efforts- Completed- probation no longer provides after school programming at iCARE Pathways.

**If your Plan has not been updated this year, explain why no changes to your plan are necessary.**
