Compliance Process

- Ensures compliance with STC training standards
- Occurs annually for ALL participating departments
- Includes a random sample of training files
- Any individual identified by agency as a compliance issue is added to the random sample
- Records monitored for program eligibility, valid certification, and training hours received
- Findings are used to determine departmental compliance.

Mitigating Circumstances

1. Unanticipated leave at the end of the year;
2. Absent from work for six months or more;
3. Personnel problem involving an employee;
4. Innocent human error;
5. Non-compliance issues are insignificant compared to the agency's total training obligation
