

**Proposition 47 Grant Program  
Cohort II (August 2019 - May 2023)**

**Project Descriptions (in alphabetical order)**

**1. Alameda County Health Care Services Agency**

Project Title: ACPProp47  
Grant Award: \$6,000,000

The purpose of ACPProp47 is to support residents who are involved in the justice system and who also have a mental health (MH) issue and/or substance use disorder (SUD) that limits one or more of their life activities. The proposed project expands on the successful implementation of our Prop 47 Cohort I grant, which focused on providing intensive MH and SUD support to our highest need reentry population. As Cohort I Prop 47 funding enabled the County to draw down significant match in third party billing, the county has been able to institutionalize a large portion of the services supported by the initial grant through other funding sources. As a result, under our Cohort II application the county proposes to not only supplement existing intensive services, but also include additional prevention/early intervention diversion services to more comprehensively address the diverse needs of our justice-impacted County residents.

**2. Compton, City of**

Project Title: Project HOMES (Housing, Mental Health, Employment and Substance Abuse)  
Grant Award: \$3,000,000

The City of Compton will partner with three subcontractors to provide comprehensive reentry services for eligible clients, offering trauma-informed case management paired with wraparound services designed to address each individual's unique mental health, SUD, housing and support service needs. Upon referral, each participant will meet with a Case Manager for an assessment during which they will discuss the participant's needs, interests and strengths in the areas of education, employment, substance abuse, mental health, health, and housing and then work with the participant to develop an Individualized Services Plan that outlines goals related to their needs and specific steps to be taken to achieve these goals. Case Managers will use several evidence-based practices, including Motivational Interviewing and Trauma-Informed Care.

**3. Contra Costa Behavioral Health Services**

Project Title: Contra Costa Forensic Assertive Community Treatment (Coco FACT)  
Grant Award: \$5,936,088

Coco FACT is a program inclusive of housing support designed to provide comprehensive services to the large number of individuals that our county anticipates will be eligible for pretrial diversion under AB 1810, yet for whom anticipated funding under AB 1810 will be able to support only a small percentage of appropriate diversion candidates in our county. In addition to providing comprehensive wraparound mental health treatment, substance abuse treatment and housing support through FACT, the proposed intervention intends to address the multitude of factors contributing to involvement in the criminal justice

## **Proposition 47 Grant Program Cohort II (August 2019 - May 2023)**

system through vocational support, trauma treatment and restorative justice principles. It is anticipated that effective treatment of this target population via FACT will reduce time spent in detention, avoid psychiatric visits to emergency rooms, reduce admissions to local and state psychiatric hospitals, increase engagement with mental health and substance abuse treatment, and increase participants' ability to function effectively in the community.

#### **4. Corning, City of**

Project Title: Tehama County RESTORE Program  
Grant Award: \$3,535,485

The Tehama County RESTORE Program is an adolescent and young adult (ages 12 to 26) diversion program. RESTORE is a tripartite diversion program that links: a) Michigan State's Adolescent Diversion program (ADP); b) mental health treatment; and c) substance abuse treatment through coordinated case management services which links clients and their families to housing, education, and employment services. RESTORE leverages federal, state, regional, and local resources to target arrested, charged, and/or convicted adolescents with criminal offenses and a history of mental health issues and/or substance use disorders.

#### **5. Corona-Norco Unified School District**

Project Title: Corona-Norco Unified School District's Youth Diversion Program  
Grant Award: \$1,000,000

Our Youth Diversion Program (YDP) will support youth (aged 12 to 21) by providing mental health services, substance use disorder treatment, housing-related assistance, job skills and placement services, case management, mentoring, and legal consultations to our target population in the criminal justice system. Our Prop 47 grant program expands and enhances the existing diversion programs in our community (the Youth Diversion Team conducted by the Corona Police Department and the Youth Advisory Team conducted by the Riverside County Sheriff's Department) by hiring a Youth Resource Officer, contracting with community-based organizations, and providing evidence-based interventions to our target population. Funding for our Prop 47 grant program will reduce juvenile recidivism rates, divert juvenile offenders from juvenile correctional institutions, and improve performance in school and employment readiness.

#### **6. Hayward, City of**

Project Title: Hayward Navigation Center Prop 47 Project  
Grant Award: \$999,881

The Hayward Navigation Center Prop 47 Project will provide comprehensive, evidence-based, trauma-informed diversion services through intensive case management/care coordination that wraparound qualified homeless, justice-impacted individuals who experience mental illness and/or substance use disorders. Centered on housing stability, the Hayward Police Department, in close partnership with the Hayward Prop 47 Local Advisory Committee, will establish a LEAD (Law Enforcement Assisted Diversion)

## **Proposition 47 Grant Program Cohort II (August 2019 - May 2023)**

program to divert offenders to the services, whereby the individual is “diverted” from standard prosecution and into specialized community-based programming to address their specific needs. Services will include treatment for behavioral health and substance use disorders, soft skills/job training, legal and housing services.

### **7. Los Angeles City Attorney's Office**

Project Title: LA DOOR (Diversion Outreach & Opportunities for Recovery)  
Grant Award: \$6,000,000

The Los Angeles City Attorney's Office seeks to expand its transformative LA DOOR (Diversion Outreach and Opportunities for Recovery) model to reach areas in Central and Downtown Los Angeles most in need of robust Proposition 47 services. LA DOOR expansion will provide the following services to a minimum of 750 participants during the grant cycle: 1) peer-led mobile social services consistently delivered to five hot spot locations with high numbers of individuals experiencing homelessness, substance dependence, and mental illness; 2) expansion of pre-booking diversion on Proposition 47 drug possession arrests to include Central, Rampart, and Newton LAPD divisions where these arrest numbers are highest; and 3) proactive removal of participant legal barriers through collaborative City Attorney and Public Defender partnerships. With LA DOOR expansion, the City Attorney's Office continues to demonstrate commitment to advancing opportunities for treating addiction and mental illness through community health approaches rather than relying solely on traditional prosecution methods.

### **8. Los Angeles County Department of Health Services, Office of Diversion & Reentry**

Project Title: Proposition 47 – Intensive Case Management Services, Employment Services, Interim Housing & Civic Engagement for People in the Criminal Justice System  
Grant Award: \$18,616,627

The Los Angeles County Department of Health Services, Office of Diversion and Reentry (ODR) will expand reentry-focused intensive case management, housing, and wraparound services as well as create sector-based employment services and promote civic engagement to improve health and employment outcomes and reduce recidivism among justice involved individuals with mild to moderate substance use and mental health disorders. In 2017, ODR launched the Reentry Intensive Case Management Services (R-ICMS) program. R-ICMS is a wraparound intensive case management and systems navigation program. Program goals include improving health outcomes, reducing recidivism, and creating lasting social safety nets. ODR contracts with CBOs who employ system-impacted Community Health Workers (CHWs) who can provide culturally competent and trauma-informed care to clients.

### **9. Los Angeles Mayor's Office of Economic Opportunity, Office of Reentry**

Project Title: Project imPACT & DJJ iHART  
Grant Award: \$5,999,304

Project imPACT is a year-long program that serves justice-affected individuals seeking employment. While enrolled in the program, program Fellows will receive a personalized

## **Proposition 47 Grant Program Cohort II (August 2019 - May 2023)**

risk/needs assessment, cohort-based cognitive-behavioral therapy curriculum, ongoing support provided by a peer mentor (“Peer Navigator”), access to legal services provided by a lawyer (“Attorney”), and ongoing behavioral therapy by a licensed therapist (“Counselor”). A client’s “PACTeam”, which consists of his/her Peer Navigator, Attorney, and Counselor, will work together to stabilize the participant, eliminate barriers, and increase his/her ability to obtain and retain employment. Project impACT will assess approximately 420 potential Fellows per year, of which 200 will be granted services.

### **10. Marin County Health and Human Services**

Project Title: Prop 27 Cohort 2

Grant Award: \$999,965

Marin County will add care coordination services for criminal justice-involved adults by hiring Recovery Coaches. Efforts will be made to engage underserved Spanish speakers and Transitional Age Youth. Grant funds will also be used for vocational training and housing for unemployed or homeless participants. Leveraged funding and in-kind resources will be provided by the county's system of care and by CBOs on contract with the county.

### **11. Monterey County Health Department, Behavioral Health Bureau**

Project Title: Continuing the Path to Healing and Transformation Through Collaborative Partnerships

Grant Award: \$6,000,000

Monterey County will dedicate Prop 47 funds to continue the substance use treatment services implemented under Cohort I. The county proposes to continue supportive services that include: employment support, legal support and reclassification filing. The county will add a Mental Health Diversion Court and housing-related services, sober living environments and an outreach specialist. With this funding, the County will continue to address and eliminate regional inequity and bolster the supportive network of services that will keep people struggling with mental illness and substance use disorders out of the criminal justice system.

### **12. Nevada County Department of Behavioral Health**

Project Title: Prop 47 Homeless & Justice Involved Project

Grant Award: \$1,000,000

The Nevada County Behavioral Health Department and its dedicated community service partners will utilize Prop 47 funding to expand and enhance the existing Homeless Outreach and Medical Engagement (HOME) Team. The HOME Team will meet the needs of a traditionally service-resistant cohort of justice-involved, homeless individuals who present a myriad of untreated behavioral health and physical health needs. The overarching goal of the Project is to reduce recidivism and conserve community resources by diverting this population from jail into mental health and substance use disorder treatment, with targeted housing supports. Specific strategies the mobile Team will utilize include: homeless outreach, building rapport through Motivational Interviewing and other

## **Proposition 47 Grant Program Cohort II (August 2019 - May 2023)**

engagement strategies; connecting individuals to trauma informed mental health services; and providing screenings and access to substance use disorder assessments and treatment. In addition, this grant will fund new low-barrier and sober housing supports, as well as rental assistance which will allow the Team to quickly link individuals to stable living environments and legal support.

### **13. Orange County Health Care Agency**

Project Title: Community of Hope: Gateway to Successful Reentry

Grant Award: \$6,000,000

The program serves as a safety net and gateway to successful reentry in Orange County for individuals with substance use and/or mild to moderate mental health disorders who are high risk to recidivate. The program provides jail in-reach services, sanctuary for those being released from jail at night, and a spectrum of treatment, housing, and supportive services provided in the community by individuals with specialized knowledge and training in meeting the needs of the reentry population. The continuum of supportive housing options will be expanded for this reentry population. Trainings will be provided to existing and prospective service and housing providers on principles of trauma, recovery, and reentry needs, in order to build a system of integrated services that address the needs of formerly incarcerated individuals.

### **14. Pasadena Unified School District**

Project Title: Pasadena Intervention and Directional Alternative Program

Grant Award: \$999,528

Pasadena Unified School District (PUSD) has a significant need for funding for our Pasadena Intervention and Directional Alternatives (PIDA) Prop 47 grant program to expand capacity to effectively meet the needs of juveniles in the criminal justice system. PUSD will use grant funds to support mental health services; substance use disorder treatment; diversion programs that include mentoring, case management, and alternatives to adjudication through the juvenile court system; supportive services for foster and homeless youth, which include transitional housing; job skills training, certification and placement; and evidence-based curriculum Why Try? and Aggression Replacement Training.

### **15. Placer County Health and Human Services**

Project Title: ACTION Team: Promoting Community Health and Safety

Grant Award: \$6,000,000

The Placer County Proposition 47 Action Team (AT) Cohort II will expand and enhance the AT Cohort I program to serve all ages, including juveniles, and across all regions of the county. The expanded AT will include additional bilingual, bicultural staff to deliver culturally competent, strengths-based, individual and family-driven services. AT is an integrated and collaborative multidisciplinary team that combines Probation Officers, mental health and substance use disorder treatment, Peer, Family, and Transition Age Youth advocates, and housing and vocational coordinators to provide immediate, timely,

## **Proposition 47 Grant Program Cohort II (August 2019 - May 2023)**

individualized integrated case planning and ongoing services to meet the needs of each member and their family.

### **16. Plumas County District Attorney's Office**

Project Title: Plumas County Proposition 47 Project

Grant Award: \$1,000,000

The Plumas County Proposition 47 Project will address systems gaps identified and continue to sustain a Pretrial Diversion Program combined with mental health, substance use disorder treatment, housing and community-based supportive services (including life and job skills training and intensive case management) for participants in the Plumas County criminal justice system.

### **17. San Francisco Department of Public Health**

Project Title: Supporting Treatment & Reducing Recidivism (STARR)

Grant Award: \$6,000,000

The STARR program is designed to meet one of the most critical community care needs in San Francisco – providing additional residential treatment beds, outpatient case management, and wraparound support services for criminal justice-involved adults with co-occurring substance use disorder and mental health issues. The overall goal is to reduce incarceration and recidivism by bolstering city-wide initiatives focused on jail diversion, recovery, and community reentry.

### **18. Santa Ana Unified School District**

Project Title: Conexiones (translates to Connections)

Grant Award: \$2,756,857

Through Conexiones, the Santa Ana Unified School District and its partners will establish a comprehensive, wraparound program that includes mental health, SUD treatment, and diversion services at eight target school sites in the City of Santa Ana. In addition, Conexiones will offer supplemental supports including housing assistance in the form of enrollment fees for SUD housing placements for students (i.e. detox, residential treatment, emergency shelters); rental or utility payment assistance for families; and other housing related costs

### **19. Santa Barbara County Office of the Public Defender**

Project Title: Crisis Intervention, Diversion and Support (CIDS) Program

Grant Award: \$5,998,511

The CIDS Program aims to reduce criminal justice system involvement for the target population by providing crisis intervention directed to individuals at three main points of entry: field law enforcement contact (arrest); jail booking; and prior to arraignment. CIDS will intervene with individuals in a mental health crisis, divert these individuals to trauma-informed, community-based wraparound services as an alternative to arrest and/or jail, and provide comprehensive behavioral health and case management support, including

## **Proposition 47 Grant Program Cohort II (August 2019 - May 2023)**

housing assistance, to those within and exiting the criminal justice system in order to reduce recidivism and assist with successful reentry.

### **20. Santa Clara County Behavioral Health Services Department**

Project Title: Santa Clara County Prop 47

Grant Award: \$5,999,171

The Santa Clara County Proposition 47 Project (SCCP47) will fill gaps in substance use treatment and mental health treatment for justice-involved individuals with moderate to severe or persistent mental illness and co-occurring disorders. Specifically, SCCP47 will: 1) increase slots for outpatient co-occurring treatment; 2) increase slots for outpatient substance use treatment; and 3) expand transitional housing units (THU) for individuals participating in one of the above outpatient treatment programs. In addition, SCCP47 will fund housing case managers who will provide housing assessment, navigation, and case management. Treatment programs will facilitate referrals to other community-based services as appropriate, including job readiness and transitional employment services using leveraged funds from the Office of Reentry Services.

### **21. Santa Cruz County Probation Department**

Project Title: Coordinated Access for Empowering Success (CAFES)

Grant Award: \$5,998,164

The CAFES project – guided by core values of dignity, integrity and trust – proposes a trauma-informed, evidenced-based, multi-agency continuum of care model to expand and enhance services for underserved populations, focusing on first-time offenders, those who have been ruled out of mental health treatment services and those who do not receive funding through AB109. The CAFES project will target a significant gap in Santa Cruz County's services, providing diversion opportunities and/or access to mental health and substance use treatment, case management, and housing support to justice-involved individuals. Integral to this project is the collaboration of multiple community-based organizations, probation, court partners, and county mental health.

### **22. Shasta County Probation Department**

Project Title: Misdemeanor Community Engagement

Grant Award: \$1,000,000

This Misdemeanor Community Engagement Program will focus on engaging offenders who have been charged with misdemeanor charges and have substance abuse and or mental health disorders. A Probation Assistant and a local Community-Based Organization will work together with other criminal justice partners to identify offenders who need additional engagement, case management, and treatment services. This project aims to impact the County failure to appear rate, increase engagement, prevent further criminal behavior and arrests, and increase access to rehabilitative and treatment services for individuals who have been arrested for misdemeanor crimes. If successful, the project will have long term system impact and decrease the number of individuals cycling through the criminal justice system. In addition, by providing support, treatment,

## **Proposition 47 Grant Program Cohort II (August 2019 - May 2023)**

and services to a population of individuals who currently are not supervised within the community, we will be aiding in their success as well as reducing trauma and Adverse Childhood Experiences (ACE) scores of the individual's family members.

### **23. Siskiyou County Health & Human Services Agency**

Project Title: Siskiyou Revive Program

Grant Award: \$875,897

The Siskiyou Revive Program will provide temporary supported housing for criminally-involved adults who are homeless and have a mental illness and/or substance use disorder. Revive will use evidence-based practices to provide housing, intensive case management, mental health and substance use treatment, diversion support, job readiness training, basic life skills development, and as appropriate, any other services to foster wellness and reduce recidivism. To ensure that participants are supported in their housing and recovery, the Revive team will integrate components of the Assertive Community Treatment (ACT) model into their services. This includes utilizing a team approach, personalized care, flexible and continuous care, comprehensive attention to services, and providing services where they are needed, such as in public areas or in the home.
