

Residential Substance Abuse Treatment (RSAT) Grant Program

The Board of State and Community Corrections (BSCC) is seeking members for an Executive Steering Committee (ESC) for the Federal RSAT Grant program. This ESC will develop the competitive Request for Proposals (RFP), read and rate eligible proposals, and make award recommendations to the BSCC Board (Board). Members of the ESC will be appointed by the Board for a limited-term beginning in September 2017 and tentatively concluding in April 2018. The BSCC is accepting Statements of Interest for this ESC membership through September 15, 2017; ESC members are being sought who will represent California's population and its diverse racial, ethnic, geographic, gender and cultural perspectives and backgrounds. The BSCC seeks members who have professional expertise and life experiences related to substance use disorder treatment, program service delivery in jail-based settings and aftercare services. Government and community-based representatives with expertise in social services, healthcare, in-custody treatment programs including the use of medication assisted treatment and supportive services are needed. Individuals formerly involved in the criminal justice are encouraged to apply. Prior experience on an ESC is not required.

There are several significant requirements that you should consider before you decide if you would like to submit a Statement of Interest. Please click [here](#) and review the information about ESC Roles and Responsibilities carefully.
