NOTICE OF FUNDING AVAILABILITY AND RELEASE OF REQUEST FOR PROPOSALS

DATE: February 9, 2018

TO: Local Units of Government Representing Adult Jail Detention Facilities

FROM: Kathleen T. Howard, Executive Director

SUBJECT: AVAILABILITY OF FUNDING FOR THE RESIDENTIAL SUBSTANCE ABUSE TREATMENT PROGRAM

The Board of State and Community Corrections (BSCC) is announcing the release of the BSCC Residential Substance Abuse Treatment (RSAT) Program Request for Proposals (RFP).

The BSCC is the Designated State Administrative agency for the RSAT Program, federally funded through the Bureau of Justice Assistance as identified via Catalog of Federal Domestic Assistance number 16.593. The RSAT Program assists states and local governments in developing and implementing substance use disorder treatment programs in state, local, and tribal correctional and detention facilities, and supports efforts to create and maintain community-based aftercare services for offenders. Historically, the California RSAT Program has funded local detention facilities to provide in-custody treatment services with an aftercare component requirement placed on the grantees. Awards are made in the federal fiscal year of the appropriation. A total of \$942,139 in federal funding is available statewide for the 2018 California RSAT program.

Eligible applicants for RSAT Program awards are local units of government representing adult jail detention facilities. Only one jail detention facility within a county may submit a proposal.

Proposals must be received by the BSCC by **5:00 p.m. on April 6, 2018**. A copy of the RFP is attached and is available on the BSCC [website](#).

The BSCC staff cannot assist the applicant or its partners with the actual preparation of the proposal. Any technical questions concerning the RFP, the proposal process, or programmatic issues must be submitted by email to: BSCCrsat_grants@bscc.ca.gov.
