**Medium County Total Request:** \$373,285,000

# SB 1022 Adult Criminal Justice Facilities

Proposals Received by October 24, 2013

STATE FUNDS  
REQUESTED

---

## **Large County Proposals** (10 Total)

### **Contra Costa** \$80,000,000

Construct a new Type II standalone multi-story 480-bed maximum security facility with program space, medical/dental/mental health, visitation/interview rooms, administration and storage.

### **Fresno** \$79,194,000

Replace existing South Annex with new Type II standalone multi-story 300-bed facility consisting of pod style housing, program space, medical/mental health services, video visitation and stand-alone laundry and storage building.

### **Los Angeles** \$80,000,000

Construct 236 new Reentry beds and program space at the proposed Mira Loma Correctional Reentry Facility (CRF). Programming space to include a structured post-incarceration program designed to shift inmates from a custody environment back into the community.

### **Orange** \$80,000,000

Construct a new standalone Type II facility with 384 beds, programming space, including a warehouse and maintenance structures adjacent to the AB 900 Phase II project at the JAMF site.

### **Riverside** \$80,000,000

Expansion of the existing Larry D. Smith Correctional Facility, a Type II facility, with 582 new beds and programing space. Program space to include a Construction and Landscape Technology Building and Print Shop.

### **Sacramento** \$80,000,000

Construct a Type II 26-bed medical and mental health treatment building, a kitchen, laundry, pharmacy and three new vocational/educational program buildings at the Rio Consumes Correctional Center.

### **San Bernardino** \$80,000,000

Construct a new Type II standalone 512-bed step-down facility consisting of two 192-bed housing units and one 128-bed housing unit with program space, central control building and a new visitation building.

### **San Francisco** \$80,000,000

Replace existing Jails 3 and 4 with new Type II stand-alone multistory 640-bed jail facility consisting of podular housing, program space, medical/mental health services, video visitation, kitchen and laundry facilities.

### **San Mateo** \$24,374,000

Renovation of the existing Maguire Correctional Facility, a Type II facility, with 46 special use beds, a mental health treatment center, mental health wellness pod, recreation yard, vocational training space and seismic upgrades.

### **Ventura** \$41,115,000

Construct a new standalone Type II facility and medical clinic with 64 medical and mental health beds adjacent to the existing Todd Road Jail Facility.
