The following link outlines a summary of benefits available to state employees: <https://www.calhr.ca.gov/Pages/California-State-Civil-Service-Employee-Benefits-Summary.aspx>

Applications will be screened and only the most qualified will be interviewed. Application must include "to" and "from" employment dates (m/d/y), hours per week, and prior employer contact information including contact number. Applications received without this information may not be considered for this position.

All types of appointments will be considered, including but not limited to, T&D Appointments.

The selected candidate considered for the advertised position will be required to undergo a fingerprint clearance and any offer of employment will be contingent upon live scan fingerprint results.

In accordance with the BSCC's Nepotism Policy, any personal relationships will be confirmed before a job offer is made.

Scope of Position:

Under the general supervision of an Information Technology Supervisor II, with lead direction from an Information Technology Specialist I, the incumbent is primarily responsible for providing direct IT service and support to the employees of the Board of State and Community Corrections. The incumbent will assist in providing direct training and tutoring to individual employees, serve as a member of a team of employees working in support of specific technology projects, and perform independent research and other related IT duties as required.

Duties and Responsibilities:

(Candidates must perform the following functions with or without reasonable accommodations.)

- **Customer Service and Support** - Under supervision, the incumbent provides single point of contact Service Desk customer support to BSCC employees on all IT equipment, desktop pc's, portable computing systems, communication equipment, printers, network connections and other related hardware and software. The IT Associate is responsible for timely troubleshooting, problem resolution and the documentation of all trouble-call activity in the Call Tracking system. The IT Associate will provide support and assistance to BSCC users on various software and applications including, but not limited to: Windows, Microsoft Office Suite, Office 365 applications, agency business applications, email, and other installed client-side applications. The incumbent may also be required to configure, rebuild and/or reimage desktop or portable computing devices, set up and configure mobile phones and related equipment.
- **Application Support** - Provide end-user desktop and portable computing system application support. Provision, license, deploy, configure, troubleshoot and support all BSCC sanctioned client-side applications. The incumbent will provide user support for all Microsoft related applications including SharePoint and One Drive as well as BSCC developed application. The IT Associate may

The State of California is an equal opportunity employer to all, regardless of age, ancestry, color, disability (mental and physical), exercising the right to family care and medical leave, gender, gender expression, gender identity, genetic information, marital status, medical condition, military or veteran status, national origin, political affiliation, hair style and texture, race, religious creed, sex (includes pregnancy, childbirth, breastfeeding and related medical conditions), and sexual orientation.
