Applications will be screened and only the most qualified will be interviewed. Application must include "to" and "from" employment dates (m/d/y), hours per week, and prior employer contact information including contact number. Applications received without this information may not be considered for this position.

The selected candidate considered for the advertised position will be required to undergo a fingerprint clearance and any offer of employment will be contingent upon live scan fingerprint results.

To be considered for the position you must complete and submit a Statement of Qualifications (SOQ) Form in addition to your Examination/Employment Application Std 678. Cover letters and resumes do not take the place of the SOQ.

The SOQ serves as documentation of your ability to present information clearly and concisely in writing. It will be evaluated based on the content and written communication skills demonstrated in each of your answers. Each question must be addressed one at a time and must be typed. The SOQ should not exceed 2 pages.

The questions to be addressed are the following:

1. This position requires the successful applicant to be self-starting, able to prioritize tasks, to communicate effectively, and able to show initiative. Please provide some examples where you have worked within a team environment and demonstrated these abilities.
2. Describe your experience working on a project or assignment involving gathering information, and/or reporting data/statistics including the final outcome to management.
3. Describe a recent work problem you encountered. How did you analyze the situation and come to a decision?

Scope of Position:

Under general direction of the Deputy Director, Corrections Planning and Grants Programs (CPGP) Division, this position assists with the oversight of the audit program for the Board of State and Community Corrections which includes the oversight of processes, procedures, and policies. This position is also responsible for providing assistance in the management of the BSCCs audit activities and with the internal audit and control coordination for federal and state funded grant programs.

This position has responsibility for audit, financial, procedural and management duties pertaining to evaluations of CPGP grant administration and operations and assists with BSCC's external audit coordination. This position works in conjunction with the CPGP Staff Services Management Auditor, CPGP Field Representatives, CPGP Staff Services Managers Is and II, and other BSCC staff to ensure effective and efficient grant administration. Some travel is required.
