Applications will be screened and only the most qualified will be interviewed. Application must include "to" and "from" employment dates (m/d/y), hours per week, and prior employer contact information including contact number. Applications received without this information may not be considered for this position.

The selected candidate considered for the advertised position will be required to undergo a fingerprint clearance and any offer of employment will be contingent upon live scan fingerprint results.

To be considered for the position you must complete and submit a Statement of Qualifications (SOQ) Form in addition to your Examination/Employment Application Std 678. Cover letters and resumes do not take the place of the SOQ.

The SOQ serves as documentation of your ability to present information clearly and concisely in writing. It will be evaluated based on the content and written communication skills demonstrated in each of your answers. Each question must be addressed one at a time and must be typed. The SOQ should not exceed 2 pages.

The questions to be addressed are the following:

1. This position requires the successful applicant to be self-starting, able to prioritize tasks, to communicate effectively, and able to show initiative. Please provide some examples where you have worked within a team environment and demonstrated these abilities.
2. Describe your experience working on a project or assignment involving gathering information, and/or reporting data/statistics including the final outcome to management.
3. Describe a recent work problem you encountered. How did you analyze the situation and come to a decision?

Scope of Position:

Under general direction of the Staff Services Manager I, Corrections Planning and Grant Programs Division, this position serves as an administrative and program analyst for federal and state grant funded programs. With assignment of the high profile grants that are the most complex and highest volume grants, this position is responsible to gather budget and program data and information, analyze it for accuracy, resolve any discrepancies, prepare, track and meet timelines, and develop reports and recommendations for management. This position works in conjunction with Field Representatives to conduct planning and administrative functions for federal and state programs to improve the effectiveness of state and local correctional systems, reduce program costs, maximize resources, and enhance public safety through cost-effective, promising, and evidence-based strategies. AGPAs are assigned the most complex and highest volume grants. These grants work on the most high profile grants and grants with the most number of grantees.

The State of California is an equal opportunity employer to all, regardless of age, ancestry, color, disability (mental and physical), exercising the right to family care and medical leave, gender, gender expression, gender identity, genetic information, marital status, medical condition, military or veteran status, national origin, political affiliation, hair style and texture, race, religious creed, sex (includes pregnancy, childbirth, breastfeeding and related medical conditions), and sexual orientation. Rev. 09/2020

Duties and Responsibilities:

(Candidates must perform the following functions with or without reasonable accommodations.)

- **Fiscal and Program Analysis and Reporting:** Review and prepare for approval invoices and budget/program modifications; complete desk reviews/analysis of grantee source documentation to ensure appropriate expenditures, assist with office-based monitoring of funded projects for program and fiscal compliance, access, transact in, and pull reports from FISCAL, analyze financial and budget status reports for accuracy and availability of funds; advise and make recommendations to management to resolve any problems; evaluate expenditures and prepare budget projections and planning documents; Maintain divisional Vendor Data Records (STD 204) collection and updates. Assist in preparation and submittal of quarterly Federal Fiscal Report; provide clarifying technical assistance to grantees as needed to address routine procedural questions, assist and support field representatives in their tracking of grantee monitoring and follow up activities. Monitor grant agreement requirements; identify and report any fiscal, programmatic, and administrative issues, provide regular status updates to Field Representatives.
- **Data Collection, Analysis and Reporting:** Develop and maintain tracking logs for program and grant activity; Assist in development of progress report and other grant specific templates; Analyze progress reports and provide recommendations to management and field representatives, prepare training materials and provide training to grantees regarding data collection and reporting; collect and report out on program data; prepare draft program annual reports for legislature/governor; assist with development and maintenance of database(s) to track all programs, projects, corresponding funds, program and project outcomes. AGPA's are assigned the most complex and highest volume grants and SSAs are assigned the least complex and lowest volume grants.
- **Grant Program Development:** Participate in grant planning and development activities, including assistance to field representatives with the formation and maintenance of Executive Steering Committee (ESC) membership, attend meetings and prepare minutes, assist field representatives in their preparation of federal applications for funding, Request for Proposals/Applications and annual reapplications; assist in the development of grant applications, awards and contracts; analyze, review and coordinate the approval and distribution process. Provide grant project lead staff with recommendations on grant agreement/contract approval and funding, redirections, amendments, and verification of grant allocation amounts; coordinate the receipt of proposals, assist in technical reviews and coordination with research staff.
- **Other Related Assignments:** Maintain grant files, draft proposed and modified internal guidelines; analyze program and grant information and data; prepare graphs, charts, tables, etc., to illustrate program and grant activities and trends; coordinate activities and communicate effectively with staff within and across the organization and with staff in other state departments; prepare correspondence sent to funded projects, state and federal agencies, counties and cities, and the public; participate in special projects related to grants management, data collection and reporting, evidence-based practices, and fiscal accountability, as needed.
