Dear County Partners:

The 2021-22 Community Corrections Partnership (CCP) Survey is available for completion and submittal.

**IMPORTANT – PLEASE NOTE:** The Budget Act contains the requirement that for counties to be eligible to receive funding, they must **submit an updated 2021 Community Corrections Partnership plan and** a report (i.e., the CCP Survey) to the Board of State and Community Corrections by December 15, 2021.

The Budget Act of 2021 (Assembly Bill 128, Chapter 21), in relevant part, appropriates \$7,950,000 for counties as follows:

*Counties are eligible to receive funding if they submit an updated Community Corrections Partnership plan and a report to the Board of State and Community Corrections by December 15, 2021, that provides information about the actual implementation of the 2020-21 Community Corrections Partnership plan....*

The BSCC website has a dedicated CCP Plans page with each county's submission dating back to Fiscal Year 2011-12. Those submissions are available here for your reference: [http://www.bscc.ca.gov/s\\_communitycorrectionpartnershipplans/](http://www.bscc.ca.gov/s_communitycorrectionpartnershipplans/).

Counties that submit **both** documents (the updated 2021 CCP plan and the Survey) are eligible for funding as follows:

- \$100,000 to counties with a population of 200,000 or less;
- \$150,000 to counties with a population of 200,001 to 749,999; and
- \$200,000 to counties with a population of 750,000 and above.

The due date for submittal of these documents is Wednesday, **December 15, 2021**.

The CCP Survey is a mechanism to collect valuable information to educate and inform California lawmakers, the public, and the media of the continued efforts counties have made in the previous year in implementing Public Safety Realignment (Assembly Bill 109, Chapter 15, Statutes of 2011).

The 2021-22 CCP Survey has been updated to aid the BSCC in the analysis of this year's Survey responses and assist in the development of the Tenth Annual Report on the Implementation of Community Corrections Partnership Plans. This Report will be

broadly distributed and can be used as a resource for those seeking to understand how counties are investing their Public Safety Realignment funding annually.

Updates to the 2021-22 Survey include:

- A new companion instructional guide, *The CCP Survey Data Reporting Guide*, to assist the CPPs in completing the Fiscal Year 2021-22 CCP Survey.
- Reformatting and reorganization of previously requested Survey questions.
- An additional checkbox section, *Section 4: Types of Programming and Services*, to allow CCPs to identify the types of programs and services provided during the prior fiscal year (FY 2020-21).

The CCP Survey continues to compile survey information from the counties using dual-reporting forms (Part A in Word and Part B in Excel). These forms as well as the *CCP Survey Data Reporting Guide* are located online at:
