8	Article 1 §1302 Definitions  <b>Health care</b>	N/A.  <b>Reference(s):</b> Regulation Text Pg. 13	Revise the definition of “health care” to remove the forward slash (“/”) from between “behavioral” and “medical”. The regulation text reflects the proposed revision.  <b>Operational Impact:</b> None anticipated.  <b>Fiscal Impact:</b> None anticipated.	The slash (“/”) sign used in the current juvenile Title 15 regulation text implies that the terms “behavioral” and “medical” can be used interchangeably, which is not the case. The removal of the slash (“/”) sign provides clarity in the definition.	<input type="checkbox"/> No Decision - Next Meeting  <input type="checkbox"/> Denied  <input type="checkbox"/> Approved As Recommended  <input type="checkbox"/> Approved with Changes:
9	Article 1 §1302 Definitions  <b>Human trafficking</b>	Remove the definition of “human trafficking” because the term is not used within the regulations.  <b>Reference(s):</b> Regulation Text Pg. 14 Attachment B – Pg. 1	Remove the definition of “human trafficking” because the term is not used within the regulation text. The regulation text reflects the proposed revision.  <b>Operational Impact:</b> None anticipated.  <b>Fiscal Impact:</b> None anticipated.	Based on the comments received from Youth Law Center, staff recommended that a new definition of “commercially sexually exploited children” be proposed in this section, eliminating the need for the definition of “human trafficking.”	<input type="checkbox"/> No Decision - Next Meeting  <input type="checkbox"/> Denied  <input type="checkbox"/> Approved As Recommended  <input type="checkbox"/> Approved with Changes:
10	Article 1 §1302 Definitions  <b>Linguistically appropriate</b>	Revise the definition of “linguistically appropriate” to include, “delivered in a manner that is consistent with the youth’s reading and comprehension level, and that meets the requirements of the youth’s IEP and/ or 504 plan as applicable.  <b>Reference(s):</b> Regulation Text Pg. 15 Attachment B – Pg. 1	Revise the definition to replace “low literacy or are not literate” with “limited literacy” for consistency with language used in other sections of the regulations. The regulation text reflects the proposed revision.  <b>Operational Impact:</b> None anticipated.  <b>Fiscal Impact:</b> None anticipated.	“Limited literacy” is a frequently used term in scholarly journals and study articles. The phrase “limited literacy [or]” includes individuals who may have low literacy or is not literate. The proposed change would also make the definition simpler and align better with language used in current regulations.	<input type="checkbox"/> No Decision - Next Meeting  <input type="checkbox"/> Denied  <input type="checkbox"/> Approved As Recommended  <input type="checkbox"/> Approved with Changes:
